extraordinary. Despite awareness that we will probably outlive our beloved pets, we are still drawn time and time again to the connection, joy, and unconditional love that come with sharing our lives, homes, and laps with animals. Many of us feel something deeper than just companionship with our animal friends; a heart-to-heart connection felt all the way to the soul level. Revealing the higher purpose and soul mission behind our relationships with our animal companions, Tammy Billups explores the spiritual contracts that are created when a human bonds with an animal and shows how we come into each other's lives for a reason. Providing real-life examples, Billups explains why animals choose at the soul level to have certain perceived negative experiences such as physical or behavioral issues to evolve their souls, clear karma, and help our soul's evolution. She shows that human and animal souls orchestrate every experience and interaction that holds potential for transformation and healing, including the final transition. She demonstrates the inner dynamics of the animal-human relationship to help animal lovers understand their soul contracts with their pets. The inspirational real-life examples of animal-human tandem healings that Billups facilitated identify the soul contracts within each pairing that transformed feelings of grief, loss, abandonment, betrayal, trauma, abuse, and anxiety. The author reveals how animals we have previously loved and shared our lives with come back either on the spirit level or reincarnated in a new animal form to support us. Offering peace and hope to those who've lost beloved animal companions, she describes what she's witnessed during healing sessions with animals in the weeks before they transition and during their passing. Billups also includes practical instructions for identifying different types of animal soul contracts and connecting with and enlisting the help of your light team or spirit guides. By discovering the soul agreements that underlie our animal partnerships, we can find meaning in the issues that arise with our animals and ourselves, support our souls' mutual evolution, and allow the soul contracts to weave their spiritual magic in the animal-human relationship.

Kohles, 2007-06-28 Alexandra Markum, former Olympic equestrian gold medal winner and powerful seer for the Cherokee race, often struggles to accept the reality of her metaphysical capabilities. She and her friends believe that they will find serenity in the small northwestern Illinois town of Grand Detour, where they can live out their lives in the uncomplicated atmosphere of a refurbished equestrian retreat. Then an old friend calls and wants Alex's help with a missing person's case, and Alex finds herself camped in the middle of mystical Cahokia Mounds, locking horns with the U.S. Marshals office and her ex-boyfriend Ian Valin. Surrounded by a Native American secret society, extremely large mythical creatures, and a mysterious woman in sapphire, Alex becomes overwhelmed when someone close to her is brutally killed. The final straw is when a powerful prophecy is revealed that could spell her impending doom, and Alex must face one of her greatest fears if she wants to save those around her.
