

An abstract, three-dimensional geometric sculpture composed of numerous sharp, triangular and polygonal facets. The sculpture is rendered in a high-contrast, black and white style, with some facets appearing bright white and others in deep shadow. It has a complex, crystalline structure with many sharp points and edges, resembling a modern architectural model or a complex crystal. The sculpture is set against a dark, gradient background that transitions from black at the top to a lighter, hazy blue at the bottom.
