**New Perspectives on Healing, Restoration and Reconciliation in John's Gospel** Jacobus Kok, 2016-10-05 In New Perspectives on Healing Restoration and Reconciliation in John Jacobus Kobus Kok investigates the depth and applicability of Jesus healing narratives in John's gospel Against the background of an ancient group oriented worldview it goes beyond the impasse of most Western approaches to interpreting the Biblical healing narratives to date He argues that the concept of healing was understood in antiquity as in some parts of Africa in a much broader way than we tend to understand it today He shows inter alia why the interaction between Jesus and the Samaritan woman could be interpreted as a healing narrative illustrating the ancient interrelationship between healing restoration and reconciliation **Restoring Your Temple** W. Many famous antique texts are misunderstood and many others have been completely dismissed all because the literary style in which they were written is unfamiliar today So argues Mary Douglas in this controversial study of ring composition a technique which places the meaning of a text in the middle framed by a beginning and ending in parallel To read a ring composition in the modern linear fashion is to misinterpret it Douglas contends and today's scholars must reevaluate important antique texts from around the world Found in the Bible and in writings from as far a field as Egypt China Indonesia Greece and Russia ring composition is too widespread to have come from a single source Does it perhaps derive from the way the brain works What is its function in social contexts The author examines ring composition its principles and functions in a cross cultural way She focuses on ring composition in Homer's Iliad the Bible's book of Numbers and for a challenging modern example Laurence Sterne's Tristram Shandy developing a persuasive argument for reconstruing famous books and rereading neglected ones Pastoral Care, Health, Healing, and Wholeness in African Contexts Tapiwa N.

**Leaves of Healing** ,1924      **Luke and the Restoration of Israel** David Ravens,1995-01-01 Ravens argues that Luke s belief in God s restoration of Israel provides the key context for understanding Luke Acts His attitudes to Jews his surveys of Israel s history and his interest in the Samaritans combine to suggest his wider pre Davidic view of Israel a view that becomes the pattern for the restored Israel under its Davidic king Luke s belief leads him to present Christology and atonement in ways that cohere with Jewish hopes and to correct apparently anti Jewish elements in Paul s letters and Matthew s Gospel This theme also determines his account of the gentile mission and his pastoral concern for unity

*Recovery and Restoration of Health* Oapos Mahabeer,2004-05      Signs of Continuity Greg Rhodea,2019-12-11 For more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus s message and the true founder of Christianity Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men the place of miracles in their ministries In his close analysis of the miracles performed by Jesus and Paul Greg Rhodea points to signs of continuity between these two historical figures of Christianity He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom Based on these similarities Rhodea concludes that Paul the apostle knew of Jesus s miracles and that he imitated Jesus in his own ministry of miracle working In highlighting this previously unexplored area of continuity Rhodea makes a

significant contribution to the debate over the relationship between Jesus and Paul Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative

**Jesus and Israel's Traditions of Judgement and Restoration** Steven M. Bryan, 2002-05-02 Jesus and Israel's Traditions of Judgement and Restoration examines the eschatology of Jesus by evaluating his appropriation of sacred traditions related to Israel's restoration. It addresses the way in which Jesus' future expectations impinged upon his understanding of key features of Jewish society. Scholars have long debated the degree to which Jesus' eschatology can be said to have been realized. This 2002 book considers Jesus' expectations regarding key constitutional features of the eschaton: the shape of the people of God, purity, Land, and Temple. Bryan shows that Jesus' anticipation of coming national judgement led him to use Israel's sacred traditions in ways that differed significantly from their use by his contemporaries. This did not lead Jesus to the conviction that Israel's restoration had been delayed. Instead, he employed Israel's traditions to support a different understanding of restoration and a belief that the time of restoration had arrived.

**Ezekiel's Message of Hope and Restoration** Hei Yin Yip, 2021-04-19 The first twenty-four chapters of the book of Ezekiel are characterised by vehement declarations of judgement. This observation leaves the impression that Ezekiel 1-7 is devoid of references to hope and restoration. However, there is a redactional stratum in this section that supplemented the texts with material that conveys restoration and hope for the future. In Ezekiel 1-7, many of these additions focus on priestly topics. The motif of restoration in the redactional material of Ezekiel 3-5 is expressed by the reinstatement of Ezekiel in his priestly role. This editorial emphasis on Ezekiel as priest in the redactional material suggests that the redaction was influenced by Zechariah 3, a text that depicts the reinstitution of the exiled Zadokite priesthood. Moreover, the redactional material of Ezekiel 6-7 drew inspiration from the Law of the Temple in Ezekiel 43-46, as the redactors sought to enhance Ezekiel's priestly role. The study provides new insights into how redactors who may have been associated with the Zadokite priesthood inserted the message of hope and restoration into the literary unit Ezekiel 1-7 during the post-exilic period.

**Jesus and the Church** Paul Avis, 2020-11-26 What is church's true foundation? Was the Christian church founded by Jesus, or does the Eucharist make the church? Paul Avis sets out his own answer to these questions. Gathering a wide range of critical scholarship, he argues that there is something solid and dependable at the foundation of the church's life and mission. Avis argues that Jesus wanted a church in a sense, but not as we know it. Christ proclaimed the gospel of the Kingdom, and his disciples proclaimed the gospel whose content was Jesus himself: the Kingdom in person. The church is battered and divided, but at its core is a treasure that is indestructible: the gospel of Christ embodied in word and sacrament. A central theme of the book is the relationship between the church and Christ: the church and the gospel, the church and the Kingdom. Jesus Christ, crucified and risen, is the sole foundation of the church, but he cannot be without his people.
