Lee, Julia Smith, 2001 This book demonstrates empirical links with achievement and investigates how restructuring relates to school size teachers attitudes toward students and how teachers press their students to work hard and succeed Race, Class, and Power in School Restructuring Pauline Lipman, 1998-02-26 Explores the intersection of two central issues in American education today school reform through restructuring and alienation from school of many children of color A tough look at the impact of teachers and administrators beliefs and practices **The Practice and Theory of School**
