Case Studies Theology Resources **Introduction to Collective Behavior and Collective Action** David L. Miller, 2013-08-06 David Miller's expanded third edition makes it the definitive source on collective behavior and collective action. Up to date and meticulously researched, this popular volume continues to provide a systematic overview of theory and research. Each topic is meaningfully linked to the appropriate theories of collective behavior: mass hysteria, emergent norm, and value-added perspectives; and collective action: social behavioral interactionist, resource mobilization, and value-added perspectives. Rumor, mass hysteria, fads, and fashion, UFOs, sports, migrations, disasters, riots, protest, and social movements are among the topics presented in a unique side-by-side presentation of the two disciplines. In an engaging, accessible style, Miller offers detailed discussion of classic sociological studies interspersed with intriguing modern-day examples that students will enjoy reading. His thorough topical treatment effectively reduces the need for outside readings.

Family Planning: Rules for a Healthy Cult Nations United Together Society - NUTS, This self-help book for cult leaders is ideal for anyone with a sense of humor. Dark and provocative humor. In a satirical twist, it uses short stories about 40 different cults as case studies to teach the vital steps for starting your own cult. The lessons will ensure that your cult becomes a vibrant, flourishing network of submissive lemmings and extension of God's will, interpretable by no one but you. *Resumé of the Unarius Academy of Science* Ruth Norman, Ernest L. Encyclopedic Sourcebook of UFO Religions James R. Lewis, 2003-11 The macabre mass suicide by adherents of the Heaven's Gate Cult in 1997 was shocking and difficult to comprehend for most outsiders. Their bizarre mindset, which mixed New Age religion with belief in extraterrestrial visitation, struck many as unique. In fact, as the contributors to this intriguing study show, the belief in alien contact has had religious overtones since the first purported sighting of an unidentified flying object (UFO) in 1947. Moreover, the religious dimensions of the UFO phenomenon may be the key to understanding the widespread appeal of this modern craze. An expert in new religions, Professor James Lewis has here brought together twenty insightful articles that cover the many variations of UFO-based religions. What the contributors demonstrate is that there are persistent and salient themes underlying the diversity of beliefs centered on the UFO phenomenon. Harkening back to theosophy, many groups have interpreted UFO sightings and alleged contacts as attempts by alien ambassadors from a more advanced civilization to bring spiritual enlightenment to Earth, where humanity is seen to be floundering in ignorance. The extraterrestrial message is usually channeled through a charismatic human leader who then mobilizes a group around this New Age revelation. The *Encyclopedic Sourcebook of UFO Religions* discusses the histories and beliefs of prominent UFO-based sects, looks at group dynamics and other sociological factors, and presents selections from the unusual literature of the various groups. This revealing and disturbing study shows that there is much more to the UFO phenomenon than simple curiosity about the possibility of life on other planets.

Studies in Popular Culture, 1994 **Legitimizing New Religions** James R. Lewis, 2003 James R. Lewis has written the first book to deal explicitly with the issue of how emerging religions legitimate

themselves He contends that a new religion has at least four different though overlapping areas where legitimacy is a concern making converts maintaining followers shaping public opinion and appeasing government authorities The legitimacy that new religions seek in the public realm is primarily that of social acceptance Mainstream society's acknowledgement of a religion as legitimate means recognizing its status as a genuine religion and thus recognizing its right to exist Through a series of wide ranging case studies Lewis explores the diversification of legitimation strategies of new religions as well the tactics that their critics use to de legitimate such groups Cases include the Movement for Spiritual Inner Awareness Native American prophet religions spiritualism the Church of Christ Scientist Scientology Church of Satan Heaven's Gate Unitarianism Hindu reform movements and Soka Gakkai a new Buddhist sect Since many of the issues raised with respect to newer religions can be extended to the legitimation strategies deployed by established religions this book sheds an intriguing new light on classic questions about the origin of all religions Encyclopedia of Religion Lindsay Jones,2005 This second edition which is intended to reflect both changes in academia and in the world since 1987 includes almost all of the 2 750 original entries many heavily updated as well as approximately 600 entirely new articles It emphasizes religion's role within everyday life and as a unique experience from culture to culture **The Complete Idiot's Guide to the Internet** Peter Kent,1996-10 Yoursquo re nobodyrsquo s fool Youfigure the Internet is more than a place for people who gamble with their credit cards online chatterers and celebrity adoration pages but yoursquo ve never really explored it The Complete Idiotrsquo s Guidetrade to the Internet Seventh Edition makes sense of this Web world From an Internet overview through email and browsers and newsgroups and more this book untangles it all and makes the most of your Internet navigation Written in a language that speaks to you makes you laugh and heck may even make you money this best seller has you up and surfing successfully in no time Simple explanations about how to work on the Internet Valuable tips about avoiding common pitfalls Expert advice about the hottest ways to enhance your Internet possibilities Easy to follow instructions that let you get up and running quickly *Sociological Abstracts* ,1998 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers *Encyclopedia of Associations* ,2006-12 International Directory of Little Magazines and Small Presses, 30th Ed, 1994-1995 Len Fukton,Len Fulton,1994-10 **Encyclopedia of Religion** Jones Lindsay,2005 *Encyclopedia of Associations V1 National Org 46 Pt2* ,2008-04
