Resurgence Of Class Conflict In Western Europe Since 1968:

The Resurgence of Class Conflict in Western Europe Since 1968 Colin Crouch,Alessandro Pizzorno,1978 **The Resurgence of Class Conflict in Western Europe Since 1968** Colin Crouch,Alessandro Pizzorno,1980 *The Resurgence of Class Conflict in Western Europe Since 1968: National studies* Colin Crouch,Alessandro Pizzorno,1900

The Resurgence of Class Conflict in Western Europe Since 1968. Edited by Colin Crouch and Alessandro Pizzorno Colin Crouch,Alessandro Pizzorno,1978 **The Resurgence of Class Conflict in Western Europe since 1968** Colin Crouch,Alessandro Pizzorno,1978-06-17 **Resurgence of Class Conflict in Western Europe Since 1968** Colin Crouch,Alessandro Pizzorno,1978-06-17 **The Resurgence of Class Conflict in Western Europe Since 1968** Colin Crouch,Alessandro Pizzorno,1978 **The Resurgence of Class Conflict in Western Europe Since 1968: Comparative analyses** Colin Crouch,Alessandro Pizzorno,1978 *The Resurgence of Class Conflict in Western Europe Since 1968* Colin Crouch,Alessandro Pizzorno,1978 **The Resurgence of Class Conflict in Western Europe Since 1968. Vol. 2**,1978

The Resurgence of Class Conflict in Western Europe Since 1968. Vol. 1,1978 *The Resurgence of Class Conflict in Western Europe Since 1968: Comparative analyses* Colin Crouch,Alessandro Pizzorno,1978 A team of European social scientists investigated the various facets of increased militancy in the late 1960s The results are contained in individual essays which take account of the changes that preceded and were accentuated by the economic crisis of 1973 The first volume deals with the increase in industrial conflicts and the consequences in the major European countries the second volume takes up the more general problems inter alia the role of women and immigrants the changing role of the state and of the politics of the trade unions A major effort at clarification and analysis Provided by publisher **New Social Movements In Western Europe** Kriesi Hanspeter,Ruud Koopmans,Jan Willem Duyvendak,Marco G. Giugni,2015-03-24 First published in 1996 This study is the product of a collaborative effort that has lasted for more than seven years This is a project on the comparative analysis of new social movements in Western Europe **Trade Union Activism in the Nordic Countries since 1900** Jesper Jørgensen,Flemming Mikkelsen,2023-02-16 Providing a Nordic historical perspective this collection aims to further our understanding of trade union activism and its role in modern society Contributions from a range of leading scholars analyse the organisational conditions of mobilisation that were deployed by Nordic unionists and explore the way that they interacted with other forms of social and political protest during the twentieth century Covering illegal or so called wildcat strikes blockades demonstrations and other activist measures the authors examine the way that trade union activism in the Nordic countries aimed to move the political combat zone from the meeting rooms of the respective confederations into the streets and the public domain The collection focuses on cases from Denmark Sweden Norway and Finland but comparisons are also made with countries such as Iceland Germany and the USA Exploring the ways in which political parties have intervened in Nordic trade union activism since the early twentieth century this unique collection offers new

insights for those interested in labour market dynamics and the complex process behind the formation of salary and employment conditions Routledge Revivals: European Trade Unions and the 1970s Economic Crisis Various,2022-07-30

The volumes in this set report and analyse European trade union responses to the 1970s economic crisis across a range of nations including Germany Italy France Britain and Sweden The set will be of interest to those studying trade unions industrial relations and European political economy *Economic Growth in Europe Since 1945* N. F. R. Crafts, Gianni Toniolo,1996-04-18 This compelling volume re examines the topic of economic growth in Europe after the Second World War The contributors approach the subject armed not only with new theoretical ideas but also with the experience of the 1980s on which to draw The analysis is based on both applied economics and on economic history Thus while the volume is greatly informed by insights from growth theory emphasis is given to the presentation of chronological and institutional detail The case study approach and the adoption of a longer run perspective than is normal for economists allow new insights to be obtained As well as including chapters that consider the experience of individual European countries the book explores general European institutional arrangements and historical circumstances The result is a genuinely comparative picture of post war growth with insights that do not emerge from standard cross section regressions based on the post 1960 period

Italian Communism in Transition Stephen Hellman,1988 This study of the Italian Communist Party during the most critical period of its recent history explains the roots of the party s crisis Events in Turin such as Red Brigade terrorism and the historic defeat of the unions at Fiat in 1980 are assessed in the light of national developments *The European Radical Left* Giorgos Charalambous,2021-12-20 Is today s left really new How has the European radical left evolved Giorgos Charalambous answers these questions by looking at three moments of rapid political change the late 1960s to late 1970s the turn of the millennium and post 2008 He challenges the conventional understanding of a new left drawing out continuities with earlier movements and parties Charalambous examines the Long 68 symbolised by the May uprisings in France which saw the rise of new left forces and the widespread criticism by younger radical activists of traditional communist and socialist parties He puts this side by side with the turn of the millennium when the Global Justice Movement rose to prominence and changed the face of the international left and also the period after the financial crash of 2008 and the rise of anti austerity politics which initiated the most recent wave of new left parties such as Podemos in Spain and Syriza in Greece With a unique two level perspective Charalambous approaches the left through both social movements and party politics looking at identities rhetoric and organisation and bringing a fresh new approach to radical history as well as assessing challenges for both activists and scholars **Social Europe, the Road not Taken** Aurélie Dianara Andry,2022-10-20 This book examines the European Left s attempt to think and give shape to an alternative type of European integration a social Europe during the long 1970s Based on fresh archival material it shows that the western European Left in particular social democratic parties trade unions and to a lesser extent Eurocommunist parties formulated a project to turn capitalist Europe

into a workers Europe This project favoured coordinated measures for wealth redistribution market regulation a democratisation of the economy and of European institutions upward harmonisation of social and fiscal systems more inclusive welfare regimes guaranteed employment economic and social planning with greater consideration for the environment increased public spending to meet collective needs greater control of capital flows and multinational corporations a reduction in working time and a fairer international economic order favouring the global south During the pivotal years following 1968 deeply marked by labour militancy new social movements economic crisis and the unmaking of the postwar compromise a window of opportunity opened in which European integration could have taken different roads The defeat of social Europe was a result of a decade long social conflict which ended with the affirmation of a neoliberal Europe Investigating this forgotten struggle and the reasons of its defeat can be useful not just to scholars and students eager to understand the historical evolution of European integration the European Left and European capitalism but also to anyone interested in building alternative European and global futures

The End of Organized Capitalism Scott Lash, John Urry, 2018-03-08 In this thought provoking new book Anthony Smith analyses key debates between historians and social scientists on the role of nations and nationalism in history In a wide ranging analysis of the work of historians sociologists political scientists and others he argues that there are three key issues which have shaped debates in this field first the nature and origin of nations and nationalism second the antiquity or modernity of nations and nationalism and third the role of nations and nationalism in historical and especially recent social change Anthony Smith provides an incisive critique of the debate between modernists perennialists and primordialists over the origins development and contemporary significance of nations and nationalism Drawing on a wide range of examples from antiquity and the medieval epoch as well as the modern world he develops a distinctive ethnosymbolic account of nations and nationalism This important book by one of the world s leading authorities on nationalism and ethnicity will be of particular interest to students and scholars in history sociology and politics
