The Resurrection of Joseph Bourne, Or, A Word Or Two on Those Port Annie Miracles : a Novel Jack Hodgins,1980

*The Resurrection of Joseph Bourne, Or, A Word Or Two on Those Port Annie Miracles : a Novel* Jack Hodgins,1980

The Resurrection of Joseph Bourne Jack Hodgins,1979 The forces of life are led by Joseph Bourne who dies but is reborn to transform the lives of his port Annie co residents into a state markedly better than they had been before *The Resurrection of Joseph Bourne* Jack Hodgins,2013-03 Coterminous Worlds ,2020-10-12 The present collection of essays endeavours to furnish informed responses to central questions posed by the editors Is the fact that the marvellous coexists with the factual and never resolves itself into the supernatural an indication that the whole literary project of magical realism is an instrumental and representational form which can be regarded as particularly suitable for reconciling dichotomies and oppositions otherwise experienced as intolerable Was magical realism an explosive process in cultural dynamics taking place at intersections of heterogeneous cultures most favourable to the efflorescence of this type of literature The authors of the various essays on Patrick White and David Malouf Ben Okri Syl Cheney Coker Robert Kroetsch Gwendolyn MacEwan Jack Hodgins Salman Rushdie Janet Frame Wilson Harris and others provide a dynamic focus on the reality at stake beneath the surface representations of magical realism in post colonial literatures **An Independent Stance** W. J. Keith,1991 Part One of this strongly worded informed and wide ranging collection examines key issues for the future of Canadian criticism Part Two offers new readings of important works by Grove Wilson MacLennan Davies Laurence Hood Wiebe Hodgins and Atwood As W J Keith argues We still have a mission to have our literature recognized as an essential reflection of our national life This is what I mean by retrenchment and consolidation Literature can survive without literary criticism but it cannot survive if it is unknown and unread It is criticism s prime function at the present time to see that it is both known and read with that mature enjoyment which is a combination of emotional sensitivity and humane intelligence As critics scholars editors we shall not be fulfilling our responsibilities or justifying our existence if we attempt anything less Or as Keith modestly observes in his introduction to this collection If this book is of any interest it will be because Canadian literature is an important subject Literary commentators like myself are middle men and should be prepared to admit the fact If this book succeeds in helping readers to appreciate the works of Canadian writers that I discuss and to derive increased pleasure and insight from them it will have served its purpose I can see no other justification for it or for any other work of criticism

Barman, 2017-06-22 British Columbia is regularly described in superlatives both positive and negative most spectacular scenery strangest politics greatest environmental sensitivity richest Aboriginal cultures most aggressive resource exploitation closest ties to Asia Jean Barman's *The West beyond the West* presents the history of the province in all its diversity and apparent contradictions This critically acclaimed work is the premiere book on British Columbian history with a narrative beginning at the point of contact between Native peoples and Europeans and continuing into the twenty first century Barman tells the story by focusing not only on the history made by leaders in government but also on the roles of women immigrants and Aboriginal peoples in the development of the province She incorporates new perspectives and expands discussions on important topics such as the province's relationship to Canada as a nation its involvement in the two world wars the perspectives of non mainstream British Columbians and its participation in recreation and sports including Olympics First published in 1991 and revised in 1996 this third edition of *The West beyond the West* has been supplemented by statistical tables incorporating the 2001 census two more extensive illustration sections portraying British Columbia's history in images and other new material bringing the book up to date Barman's deft scholarship is readily apparent and the book demands to be on the shelf of anyone with an interest in British Columbian or Canadian history *Naked in Academe*

McClelland & Stewart, 2014-02-18 In 1946 the poet Earle Birney then an English professor at the University of British Columbia broke new ground by establishing a single course within the English department one for the writer naked in academe He went on to found the UBC Creative Writing Department in 1963 Canada's first university writing program a learner centered interdisciplinary experience that has produced many of Canada's finest writers and poets Celebrating fifty years of creative writing at UBC *Naked in Academe* showcases an impressive diversity of literary voices that have grown out of the program From short stories to poetry narrative essays to scripts for theatre and film herein is a dynamic collection of writing from across Canada that like the program itself is at once contemporary and vibrant relevant and incisive *The Canadian Short Story* Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A

historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany Views of the Salish Sea Howard Macdonald

Stewart,2017-09-30 It is not mere coincidence that two thirds of the population of British Columbia occupies lands bordering its great inland sea the Strait of Georgia and connected waterways collectively known as the North Salish Sea Averaging forty kilometres in width and stretching some three hundred kilometres from Vancouver and Victoria in the south to Powell River and Campbell River in the north the North Salish Sea has long sheltered a bounty of habitable lands and rich maritime resources ideal for human settlement While the region's intricate shoreline of peninsulas promontories estuaries and plains has been occupied by human communities for millennia the last century and a half has been an unprecedented age of rapid colonization industrialization and globalization Many books have been written about individual communities and industries around the great waterway but none have examined the region as a geographical unit with its own dynamic systems which can best be understood as an interrelated whole The Strait of Georgia has influenced human affairs even as people have changed the Strait in a complex relationship that continues today British colonization and the commodification of the Strait's resources launched a resource rush around the sea that began in earnest in the decades before the First World War often at the expense of Indigenous populations Coal mining developed earliest and grew rapidly Fishing lumbering and metal mining were also established by the 1880s and soon experienced exponential growth From the earliest salmon canneries to today's cruise ship industry all have depended on the Strait to ensure economic prosperity and the easy movement of people and goods As competition for space and resources increases and as the effects of climate change are amplified the pressure on this ecologically vulnerable area will only intensify If this precious sea is to be passed to future generations with any semblance of its inherent richness and diversity intact then it will need to be effectively managed and vigorously defended The first step is to understand the complex story of the region making this essential reading not only for history buffs but anyone with an interest in the future of British Columbia **The Literary Legacy of the Macmillan Company of Canada**

Ruth Panofsky,2012-01-30 Fifth Business and Alligator Pie Stephen Leacock Grey Owl and Morley Callaghan these treasured Canadian books and authors were all nurtured by the Macmillan Company of Canada one of the country's foremost twentieth century publishing houses The Literary Legacy of the Macmillan Company of Canada is a unique look at the contribution of publishers and editors to the formation of the Canadian literary canon Ruth Panofsky's study begins in 1905 with the establishment of Macmillan Canada as a branch plant to the company's London office While concentrating on the firm's original trade publishing which had considerable cultural influence Panofsky underscores the fundamental importance of

educational titles to Macmillan's financial profile The Literary Legacy of the Macmillan Company of Canada also illuminates the key individuals including Hugh Eayrs John Gray and Hugh Kane whose personalities were as fascinating as those of the authors they published and whose achievements helped to advance modern literature in Canada **Sanctioned Ignorance** Paul Martin, 2013-10-15 Bilingual literary scholar builds bridges spanning institutional silos to found an inclusive literatures of Canada **Atlas of Imagined Places** Matt Brown, Rhys B.
