Resurrection Of Mary Magdalene:

The Resurrection of Mary Magdalene Jane Schaberg, 2004-08-31 The controversy surrounding Dan Brown's novel *The Da Vinci Code* has intensified interest in Mary Magdalene and Jane Schaberg provides an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework *The Resurrection of Mary Magdalene* approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy **Mary Magdalene** Ingrid Maisch, 1998 Ingrid Maisch in this study of Mary Magdalene leads her readers throughout the centuries developing the images of Mary current in each era showing that she is always a bellwether for the image of woman at a particular time *The Resurrection* Oliver Lambert Marlow, 1972 **The Crucifixion of Mary Magdalene** Richard J. Hooper, 2005 A careful study of Christian origins and detailed analysis of all the canonical apocryphal and Gnostic Gospels in which Mary Magdalene appears Considered the first apostle of Christianity by early Christians the author explains why the patriarchs of the early church found it necessary instead to reinvent Mary as a wanton woman rather than Jesus most favored disciple *Mary Magdalene from the New Testament to the New Age and Beyond* Edmondo F. Lupieri, 2019-10-14 An international team of twenty scholars under Edmondo F Lupieri's direction produced *Mary Magdalene from the New Testament to the New Age and Beyond* While the historical figure of the Magdalene may be lost forever the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith Different pictures of Mary travelled through time and space from history to legend and mythology crossed religious boundaries going beyond the various Christianities to become a sign of contradiction for many This book describes a special case of biblical reception history that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others Mary Magdalene Adam Lloyd Davis, 2025-01-19 Mary Magdalene holds a pivotal role in the Gospels particularly in the context of the resurrection narrative As the first individual to witness the risen Christ her encounter is significant not only for its historical implications but also for its theological depth The Gospels of Matthew Mark Luke and John all highlight her presence at the tomb demonstrating her integral role in the resurrection story Each account sheds light on her character portraying her as a devoted follower of Jesus who remained steadfast even in the face of despair following the crucifixion *Mary Magdalene* Robin Griffith-Jones, 2014-07-14 The figure of Mary Magdalene has fascinated and perplexed people for centuries She is portrayed in the Gospels as a neurotic woman possibly with a past yet she is the first to encounter the risen Christ and he charges her with the responsibility of proclaiming the resurrection She is therefore Christianity's first evangelist a difficult concept for churches with exclusively male hierarchies who prefer to think of her as just a reformed prostitute The belief that Mary Magdalene was married to Jesus and that the Church has tried to suppress this

truth was not invented in recent years but is almost as old as Christianity itself This gives a grand tour through 2000 years history art and tradition with surprises and discoveries all the way *The Fly in the Ointment: The Mysteries of Mary Magdalene* Jennifer Smith,2014-09-06 Mary Magdalene was the principle witness of the death burial and resurrection of Jesus as told in the Christian gospels the grief stricken scarlet woman at the foot of the cross clutching her jar of ointment her hair loose like that of the maenads Yet by the sixth century Mary once called the Tower had fallen into disrepute as a sinner and prostitute Mary was never a martyr but tradition has her exiled to a solitary cave where she was not a threat to the established church until she emerged after the rediscovery of the heretical Gnostic texts In these Mary Magdalene is the beloved companion of Jesus the disciple who knew the all As with her predecessor Eve she bears the sin of desiring knowledge and is condemned for it The question of whether Mary Magdalene can be identified with Mary of Bethany has become merely another means of reducing her authority In the gospels Jesus said that his anointer should be remembered for all generations yet she remains maligned and undefended until now [The forty days after our Lord's resurrection](#) William Hanna,1863 **Mary Magdalene** Harold John Ockenga,1940 **Mary Magdalene** Diane Apostolos-Cappadona,2023-02-23 From faithful apostle and seductress to feminist icon Mary Magdalene s many complex roles in Christian history have fascinated us for 2000 years Illustrated in full colour this visual history reveals how images and presentations have created a Mary who is often far different from the real woman the first witness of the Resurrection in the gospels or even from her appearances in the works of the Church Fathers Beginning with the earliest sources uncover who the real Mary was and what she meant in her own time before embarking on a fast paced tour of Magdalene s depictions in great works of art forgotten masterpieces and contemporary visual culture Considering relics statuary paintings sculpture and recent works for stage and screen discover how Mary Magdalene has been seen across time as a witness a sinner a penitent a contemplative a preacher and a patroness Above all her complex roles Mary has emerged as a powerful feminist icon the closest person to Jesus himself with a visual history as rich and varied as the roles she has fulfilled in numerous contexts of faith and worship for two millennia [The Everything Mary Magdalene Book](#) Meera Lester,2006-02-07 With The Everything Mary Magdalene Book you ll unravel the mystery of the Bible s most misunderstood woman As an eyewitness to Jesus resurrection and the turbulent birth of Christianity Mary Magdalene played a crucial yet unexamined role in the Bible until now In this comprehensive investigative guide to the life of Mary Magdalene you ll explore Complete and concise analyses of Mary Magdalene in the New Testament Mary Magdalene s appearance in the Gnostic gospels The shaky basis for the interpretation of Mary Magdalene as a repentant prostitute The modern discoveries and representations of Mary Magdalene as a vital follower of Jesus early movements Mary Magdalene s inspirational role in the world today From her misrepresentation as a fallen woman to her growing impact on modern Christianity The Everything Mary Magdalene Book details the Bible s most enigmatic of Jesus followers putting some myths to rest and bringing the truth to light **Mary**

The Gospel of Mary Esther A. de Boer, 2004-05-01 The Gospel of Mary the only known gospel that is named after a woman has aroused new interest in the figure of Mary Magdalene and the beginnings of Christianity What was her impact and her message What became of her and her ideas This book examines the Gospel of Mary to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal It proposes a new perspective on matter and nature in the Gospel of Mary suggesting that it is not to be categorized as a gnostic writing Furthermore the study argues that Mary's teaching in the Gospel of Mary is more closely related to the writings of Philo the letters of Paul and the Gospel of John than to the Nag

Hammadi Codices As such the Gospel of Mary and its portrayal of Mary Magdalene cannot be seen as evidence of a specific gnostic esteem for Mary Magdalene but rather demonstrates the esteem of believers belonging to a broader Christian context

Women in John's Gospel Susan Miller, 2023-01-26 Closely examines John's portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith Beginning with the Virgin Mary's portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John's frequent use of woman links these female followers particular Jesus' venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation

Mary Magdalene, the First Apostle Ann Graham Brock, 2003 Why did some early Christians consider Mary Magdalene an apostle while others did not This book examines how the conferral or withholding of apostolic status operated as a tool of persuasion in the politics of early Christian literature

Mary Magdalene Adriana Valerio, 2021-07-22 Rediscover the crucial roles held by women within the heart of Christianity Favourite disciple influential woman true believer and follower of Jesus how do we see Mary Magdalene today Witness to Jesus' crucifixion and his burial the first to announce the resurrection she is without a doubt the most recognizable of the gospels' female figures a central character in Christianity's foundational story But centuries of alteration and resizing of merging several female figures into one have erased Mary Magdalene's apostolic role and left us with a misrepresentation They delivered the figure of a quintessential repentant sinner one in whom sensual beauty and mortification of the body are combined When we reflect on the Magdalene case delving into the folds of history and the arts and removing misunderstandings and manipulations we rediscover the crucial roles women have always held within the heart of Christianity despite their stories often going untold Adriana Valerio's engrossing retelling of Magdalene's story founded as it is in historical fact is an unmissable opportunity to reclaim such roles in a church that remains largely patriarchal to the present day

Mary Magdalene, Bride in Exile Margaret Starbird, 2005-08-16 An in depth investigation of the facts and mythology surrounding the historical Mary Magdalene Reveals new details about the life of the beloved of Jesus Illustrated with rare and unusual imagery depicting Mary's central role in Christianity By the author of the bestselling The Woman with the Alabaster Jar The controversy surrounding Mary Magdalene and her relationship to Jesus has gained widespread international interest since the publication of Dan Brown's novel The Da Vinci Code which specifically cites Margaret Starbird's earlier works as a significant source In Mary Magdalene Bride in Exile Starbird examines the many faces of Mary

Magdalene from the historical woman who walked with Jesus in the villages of Judea to the mythic and symbolic Magdalene who is the archetype of the Sacred Feminine Starbird reveals exciting new information about the woman who was the most intimate companion of Jesus and offers historical evidence that Mary was Jesus forgotten bride Expanding on the discussion of medieval art and lore introduced in her bestselling book *The Woman with the Alabaster Jar* Starbird sifts through the layers of misidentification under which the story of the Lost Bride of Christ has been buried to reveal the slandered woman and the exiled feminine principle She establishes the identity of the historical female disciple who was the favored first witness of the Resurrection and provides an interpretation of Mary's true role based on prophecy from the Hebrew scriptures and the testimony of the canonical gospels of Christianity Balancing scholarly research with theological reflection she takes readers deeper into the story and mythology of how Magdalene as the Bride embodies the soul's own journey in its eternal quest for reunion with the Divine
