# Rethinking Political Theory

**Ian Shapiro, Stephen  
Skowronek, Daniel Galvin**

## **Rethinking Political Theory :**

*Rethinking Political Thinkers* Manjeet Ramgotra, Simon Choat, 2023 The first textbook to challenge and expand the canon of political thinkers *Rethinking Political Thinkers* presents political thought in a new light invites debate and brings diverse perspectives to the fore giving students the tools to think about political concepts theories and arguments critically and analytically

**Classical Debates for the 21st Century** Thomas Hueglin, 2008-02-01 Classical Debates for the 21st Century distinctively reconsiders the canon of political thought in the context of current world events by presenting debates between the ideas of classical theorists It is through these debates that Thomas O Hueglin argues that exclusive state sovereignty individual citizenship and majority rule have become questionable categories of political theory and practice in a globalizing world To a large extent the classical canon of political thought has been constructed in order to give legitimacy to these categories but it is time to rethink the validity of that canon and to search for alternative voices and traditions that emphasize plurality shared sovereignty and complex patterns of representation and decision making This does not mean that the familiar names in the classical canon have to disappear But they should be examined more critically for their continued importance and additional theorists thus far neglected should complement them Each chapter is organized as a debate between two theorists with contrasting views and approaches At the end of each chapter there is a critical evaluation of these political theorists continued or renewed relevance

*Rethinking Political Theory* Hwa Yol Jung, 1993 Ten essays previously published in such journals as *The Review of Politics* and *Human Studies* contemplate the contributions of phenomenology to the philosophy of political science and offer a critique of the two other major paradigms in political thought behavioralism and essentialism

International Political Theory Kimberly Hutchings, 1999-11-03 A lucid comprehensive analysis of normative approaches to international relations and an original contribution to critical theory

Andrew Linklater University of Keele Hutchings combines a valuable account of the current state of the art with a lucid exposition of her own highly distinctive position This will be required reading for students in international political theory and indeed anyone interested in normative issues in international relations

Chris Brown London School of Economics and Political Science Providing an invaluable overview of the competing schools of thought in traditional and contemporary international theory this book seeks to path the way forward for new ways of thinking about international political morality First the role and place of normative theory in the study of international politics is explained before a discussion of mainstream approaches within international relations and applied ethics Here the student is introduced to the central debates between realists and idealists and cosmopolitans and communitarians Second the conceptual challenges of contemporary approaches in critical theory postmodernism and feminism are outlined and then used as a platform to develop the author's own Hegelian Foucauldian approach for doing normative international theory Third the insights drawn from each approach are applied to the study of two key topics in contemporary theoretical debate the right to self determination

and the idea of cosmopolitan democracy and conclusions drawn for transcending the theoretical deadlock in international relations Accessibly written and wide ranging this text will quickly become essential reading for all students and academics of politics and international relations seeking a deeper understanding of the underlying tensions and future potential of international theory today *Rethinking Political Judgement* Masa Mrovlje, 2018-11-23 The first book length study to provide a detailed examination of a distinctive crossroads in the history of the left **Rethinking Political Obligation** D. Mokrosinska, Dorota Mokrosińska, 2012-07-31 What are the grounds for and limits to obedience to the state This book offers a fresh analysis of the debate concerning the moral obligation to obey the state develops a novel account of political obligation and provides the first detailed argument of how a theory of political obligation can apply to subjects of an unjust state

*Rethinking Political Institutions* Ian Shapiro, Stephen Skowronek, Daniel Galvin, 2006-05 Institutions shape every dimension of politics This volume collects original essays on how such institutions are formed operated and changed both in theory and in practice Ranging across formal institutions of government such as legislatures courts and bureaucracies and intermediary institutions such as labor unions and party systems the contributors show how these instruments of control give shape to the state articulate its relationships and express its legitimacy *Rethinking Political Institutions* captures the state of the art in the study of the art of the state Drawing on some of the leading scholars in the field this volume includes essays on issues of social power public policy and programs judicial review and cross national institutions *Rethinking Political Institutions* is an essential addition to the debate on the significance of political institutions in light of democracy social change and power Contributors Elisabeth S Clemens Jon Elster John Ferejohn Terry M Moe Claus Offe Paul Pierson Ulrich K Preuss Rogers M Smith Kathleen Thelen Mark Tushnet R Kent Weaver Margaret Weir Keith E Whittington *Rethinking Hobbes and Kant* Chia-Yu Chou, 2016-07-15 *Rethinking Hobbes and Kant* argues that predominant approaches to the theoretical relationship between Hobbes and Kant have reached conclusions that were pre digested in assumptions about the isms which these two writers are propounding Chou shows how these assumptions have inhibited commentators from recognising the affinities between Hobbes's and Kant's political philosophies or if they have prevented them from providing a plausible explanation of those affinities To provide a fresh understanding of the relation between Hobbes and Kant this book examines and compares what they actually wrote about some central conceptions in political theory as it becomes visible once the assumptions out of which they are formed are set aside Chou argues that what matters is that that we reflect upon our own assumptions and that we have at least some conscious awareness that the assumptions of our day were not held all the time and everywhere and that we do not reify them into crude models which distort the thought of the past and the present in equal measure This book therefore seeks to bring into the arena of conscious thought assumptions which are deeply rooted in many modern minds and which work to distort many current studies of the relationship between Hobbes and Kant's political philosophies with negative consequences for the understanding of Hobbes of Kant and of politics itself

Providing a fresh understanding of the relation between Hobbes and Kant this book will be of great use for graduates and scholars of Political Theory Philosophy and Political Sociology

**Comparative Political Theory and Cross-Cultural Philosophy** Jin Y. Park, 2009-06-16 Comparative Political Theory and Cross Cultural Philosophy Essays in Honor of Hwa Yol Jung explores new forms of philosophizing in the age of globalization by challenging the conventional border between the East and the West as well as the traditional boundaries among different academic disciplines The essays in this volume examine diverse issues encompassing globalization cosmopolitanism public philosophy political ecology ecocriticism ethics of encounter and aesthetics of caring They examine the philosophical traditions of phenomenology of Husserl Merleau Ponty and Heidegger the dialogism of Mikhail Bakhtin the philosophy of mestizaje literature and Asian philosophical traditions This rich comparative and cross cultural investigation of philosophy and political theory demonstrates the importance of cultural and cross cultural understanding in our reading of philosophical texts exploring how cross cultural thinking transforms our understanding of the traditional philosophical paradigm and political theory This volume honors the scholarship and philosophy of Hwa Yol Jung who has been a pioneer in the field of comparative political theory cross cultural philosophy and interdisciplinary scholarship In one of his earliest publications The Crisis of Political Understanding 1979 Jung described the urgency and necessity of breakthrough in political thinking as a crisis and he followed up on this issue for his half century of scholarship by introducing Asian philosophy and political thought to Western scholarship demonstrating the possibility of cross cultural philosophical thinking In his most recent publications Jung refers to this possibility as transversality or transuniversality a concept which should replace the outmoded Eurocentric universality of modernist philosophy Jung expounds that in transversality differences are negotiated and compromised rather than effaced and absorbed into sameness This volume is a testimony to the very possibility of

Political Theory Evangelia Sembou, 2013-08-19 Political theory draws on a number of different disciplines such as political science philosophy history and law It is a broad subfield its practitioners depending on their background bring different perspectives and approaches to the study of political thought which range from historical to normative Moreover political theory often draws on the insights of as well as engages in a dialogue with social theory ethics and the philosophy of law In addition nowadays political theory has expanded to include the study of the international international political theory For all these reasons political theory is a core subject taught in a variety of academic departments Yet paradoxically there has been an increasing tendency in the past few years for political theory to be marginalized in the academy This is because so much academic policy concentrates on the main branches of the disciplines within which political theory falls Even worse for political theory social theory and the philosophy of law or legal philosophy with which it enters into fruitful dialogue are themselves weak areas within sociology and law respectively The aim of this volume is to address this situation What are the problems and challenges that political theory faces today What is its importance as a distinctive branch of enquiry What are its main concerns The fact that political thought operates across

disciplinary boundaries and often challenges the boundaries of the aforesaid disciplines is one of its greatest strengths

*Reconstructing Political Theory* Mary Lyndon Shanley, Uma Narayan, 1997 In this volume a companion to *Feminist Interpretations and Political Theory* Penn State 1991 edited by Mary Lyndon Shanley and Carole Pateman leading feminist theorists rethink the traditional concepts of political theory and expand the range of problems and concerns regarded as central to the analysis of political life Written by well known scholars in philosophy political science sociology and law the book provides a rich interdisciplinary account of key issues in political thought While some of the chapters discuss traditional concepts such as rights power freedom and citizenship others argue that topics less frequently discussed in political theory such as the family childhood dependency compassion and suffering are just as significant for an understanding of political life The Introduction shows how such diverse topics can be linked together and how feminist political theory can be elaborated systematically if it takes notions of independence and dependency public and private and power and empowerment as central to its agenda

**Rethinking modern political theory** John Dunn, 1985 **Deparochializing Political Theory** Melissa S. Williams, 2020-04-02 In a world no longer centered on the West what should political theory become Although Western intellectual traditions continue to dominate academic journals and course syllabi in political theory up and coming contributions of comparative political theory are rapidly transforming the field *Deparochializing Political Theory* creates a space for conversation amongst leading scholars who differ widely in their approaches to political theory These scholars converge on the belief that we bear a collective responsibility to engage and support the transformation of political theory In these exchanges *deparochializing political theory* emerges as an intellectual educational and political practice that cuts across methodological approaches Because it is also an intergenerational project this book presses us to re imagine our teaching and curriculum design Bearing the marks of its beginnings in East Asia *Deparochializing Political Theory* seeks to de center Western thought and explore the evolving tasks of political theory in an age of global modernity

**Research Methods in Language Policy and Planning** Francis M. Hult, David Cassels Johnson, 2015-07-07 This is the first volume exclusively devoted to research methods in language policy and planning LPP Each chapter is written by a leading language policy expert and provides a how to guide to planning studies as well as gathering and analyzing data Covers a broad range of methods making it easily accessible to and useful for transdisciplinary researchers working with language policy in any capacity Will serve as both a foundational methods text for graduate students and novice researchers and a useful methodological reference for experienced LPP researchers Includes a series of guidelines for public engagement to assist scholars as they endeavor to incorporate their work into the public policy process

**Canon Fodder** Penny A. Weiss, 2009-01-01 A discussion of women thinkers in political philosophy and the nature of political inquiry Provided by publisher **The Sublime of the Political** Dean Caivano, Sarah Naumes, 2021-06-09 In an age of immediate and global exchange of information the ability to theorize about political conditions remains largely an elite technocratic and esoteric

enterprise In this timely intervention Dean Caivano and Sarah Naumes argue that storytelling in the form of narrative and autoethnography creates an emancipatory potential through its ability to theorize from below welcoming marginalized and excluded voices Drawing from the disciplines of political studies philosophy and literary studies this volume offers a new assessment of political texts through the lens of the sublime as a fertile terrain to challenge who can write and disseminate political ideas and how

**Handbook of Environmental Political Theory in the Anthropocene** Amanda Machin, Marcel Wissenburg, 2025-03-12 This Handbook provides a comprehensive overview of the transforming landscape of environmental political theory Embracing both classical and marginalised approaches in the field it demonstrates the central role of political theory in rethinking the strategies discourses and imaginaries of the Anthropocene epoch This title contains one or more Open Access chapters

**Political Phenomenology** Hwa Yol Jung, Lester Embree, 2016-06-13 This volume presents political phenomenology as a new specialty in western philosophical and political thought that is post classical post Machiavellian and post behavioral It draws on history and sets the agenda for future explorations of political issues It discloses crossroads between ethics and politics and explores border crossing issues All the essays in this volume challenge existing ideas of politics significantly As such they open new ways for further explorations BY future generations of phenomenologists and non phenomenologists alike Moreover the comprehensive chronological bibliography is unprecedented and provides not only an excellent picture of what phenomenologists have already done but also a guide for the future

**The Liberalism Trap** Menaka Philips, 2023 In The Liberalism Trap Menaka Philips identifies a methodological problem in contemporary political theory preoccupations with liberalism have come to dominate the study of politics To evaluate the effects of such preoccupations Philips turns to John Stuart Mill the so called paradigmatic liberal She shows not only that Mill s famed liberal status is habitually substituted for his political arguments but also that this substitution obscures the role of uncertainty in Mill s political thought Across his writings on women s emancipation class reform and British Empire Philips recovers the uncertain strategies that inform Mill s politics offering an innovative account that sets into relief the limits of reading through liberalism

The Political Theory of the Bhagavad-Gita Stuart Gray, 2025-03-17 This book provides the first systematic analysis and interpretation of the Bhagavad Gita as a work of political theory Exploring its narrative and characters comprehensively in its own textual and historical context with a close reading of the original Sanskrit this volume fills a crucial gap by enriching the study of this ancient religious and philosophical work Key themes include monarchy rule pluralism and power Additionally by examining its influence on Mohandas Gandhi Narendra Modi Hindu nationalism and contemporary Indian democracy it offers timely insights into the enduring impact of the Gita s ideas on political ideologies movements and rhetoric today

## **Rethinking Political Theory Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Rethinking Political Theory has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rethinking Political Theory has opened up a world of possibilities. Downloading Rethinking Political Theory provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rethinking Political Theory has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rethinking Political Theory . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rethinking Political Theory . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rethinking Political Theory , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rethinking Political Theory has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

## **FAQs About Rethinking Political Theory Books**

1. Where can I buy Rethinking Political Theory books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rethinking Political Theory book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rethinking Political Theory books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rethinking Political Theory audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Rethinking Political Theory books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
