Security Problems And Politics In The Post Cold War Caribbean:

Security Problems and Policies in the Post-Cold War Caribbean Humberto Garcia Muniz, Jorge Rodriguez Beruff, 2016-07-27 This volume brings together contributions by eleven noted specialists on peace and security issues in the Caribbean. All chapters are based on recent research on the radically transformed regional situation in the post Cold War context. Particular emphasis is placed on the formulation of security policies by the most relevant security actors including both external powers present in the region independent states and subregional groupings. This discussion is placed in the framework of post Cold War security outlooks which focus on non traditional threats mainly drugs and illegal migration.

Security in the Caribbean Basin Joseph S. Tulchin, Ralph H. Espach, 2000 Since the end of the Cold War security concerns in the Caribbean have changed from containment of communism to transnational threats such as drugs, illegal migration and natural disasters. This text analyzes the situation and puts forward a framework for a cooperative regional security system.

From Pirates to Drug Lords Michael C. Desch, Jorge I. Dominguez, Andres Serbin, 1998-04-16 U.S. Marines in Haiti: Pirates or drug traffickers penetrating the southern border of the United States. Special economic arrangements that foster growth for some and hardship for others. These headlines about the Caribbean's international relations and its impact on the United States could date from both the beginning and the end of the twentieth century. Troubled as it is, the Caribbean nonetheless features important accomplishments that will benefit the United States in the long term. This book examines the crucial and timeless impact Caribbean countries have on the United States and the world and the methods they have been employing to consolidate their democracies, advance prosperity and maintain the peace through international cooperation among themselves. Its primary aim is to discuss the dominant threat perceptions and security priorities of regional governments, the varied mechanisms in place to promote regional collective action and the future agenda of U.S. foreign policy toward the Caribbean. Rooted in an historical analysis of continuity and change in the Caribbean's international subsystem, the book analyzes the Caribbean within a broader international pattern, marking a tension in world affairs between the global and the local. In addition, it explores the challenges to governments and peoples in the region posed by changes in its political economy.

Crime, Violence and Security in the Caribbean M. Raymond Izarali, 2017-11-20 Security challenges pose significant hardship for citizens of Caribbean nations. Public safety is threatened by high rates of crime, especially violent crime in much of the region, the plague of the illicit drug trade, transnational organized crime, gangs, the current global proliferation of crimes of terrorism and related violent extremism and radicalization. The situation diminishes morale among the youth, their education and their future and operates as a major push factor. Yet surprisingly there has been a scarcity of scholarly work that addresses these conditions. This interdisciplinary volume succinctly responds to the gap in criminological and security studies on the Caribbean by drawing attention to the understudied nexus of crime, violence and security that is so pervasive in the region and the ways in which underdevelopment re-creates environments for insecurity.

The book is organized in three parts Part one encompasses conceptualizations of crime violence and punishment Part two takes up country cases on crime and security Part three addresses issues of regional security both public and private This timely volume will be valuable reading for scholars students practitioners and policy makers who share a critical interest in the scope impact and inter relationality of crime violence and in security in the region *Rethinking Post-Cold War*

Russian-Latin American Relations Vladimir Rouvinski, Victor Jelfets, 2022-06-07 Today there is plenty of evidence that Russia has become a prominent external actor in Latin America and the Caribbean Yet few books have attempted to better understand the reasons behind Russia's return and Moscow's continuous engagement in the region In order to fill the gap this volume offers the first interdisciplinary study of Russian Latin American relations after the end of the Cold War Across 16 chapters leading experts from Russia Europe the United States and Latin America collectively re-examine the Soviet legacy to reveal the conditions in which Russia operates today and identify the key trends of contemporary Russian relations with this part of the world The book then moves on to provide a detailed case study analysis of Russia's bilateral relations with Venezuela Cuba Mexico Brazil Argentina and Colombia identifying the most critical dimensions of Russian engagement *Rethinking Post Cold War Russian Latin American Relations* allows readers to identify the fundamental driving forces of Russia's renewed commitment to the area its strategies and experiences The book will be of interest to readers of international relations and area studies historians of modern Latin America migration studies political economy and any political scientists interested in Russian decision making *Vietnam's Women in Transition* Kathleen Barry, 2016-07-27

Women experiencing the dynamic changes of rapid industrialization in the Vietnam of today in the family the factory the farm and the state from Hanoi to Ho Chi Minh City are the focus of this book Here the latest Vietnamese research and policy on women and the family are in dialogue with US feminist theory research and analysis providing a multi-disciplinary approach to women's labour health and fertility rural development violence against women and women's historical and political status at a critical moment of economic and social change **Island at War** Jorge Rodriguez Beruff, Jose L. Bolivar

Fresneda, 2015-05-01 Despite Puerto Rico being the hub of the United States's naval response to the German blockade of the Caribbean there is very little published scholarship on the island's heavy involvement in the global conflict of World War II Recently a new generation of scholars has been compiling interdisciplinary research with fresh insights about the profound wartime changes which in turn generated conditions for the rapid economic social and political development of postwar Puerto Rico The island's subsequent transformation cannot be adequately grasped without tracing its roots to the war years *Island at War* brings together outstanding new research on Puerto Rico and makes it accessible in English It covers ten distinct topics written by nine distinguished scholars from the Caribbean and beyond Contributors include experts in the fields of history political science sociology literature journalism communications and engineering Topics include US strategic debate and war planning for the Caribbean on the eve of World War II Puerto Rico as the headquarters of the Caribbean Sea

frontier war and political transition in Puerto Rico the war economy of Puerto Rico the German blockade of the Caribbean in 1942 and the story of a Puerto Rican officer in the Second World War and Korea With these essays and others *Island at War* represents the cutting edge of scholarship on the role of Puerto Rico and the Caribbean in World War II and its aftermath

Social Reconstructions of the World Automobile Industry Frederic C. Deyo, 2016-07-27 This book assesses the varying ways in which automobile assemblers in several countries of East and Southeast Asia Europe and the Americas have sought to enhance their efficiency and flexibility in response to heightened global competition during the 1980s and early 1990s It then explores the implications of such managerial strategies for workers and trade unions and the responses of unions in seeking to preserve or enhance worker welfare and voice under industrial restructuring

The New World Order in International Finance G. Underhill, 1997-04-12 The author provides a clear portrait of the dramatic transformation of the global financial system in the late 20th century Drawing on work by a prestigious and interdisciplinary set of specialists this volume looks at the political economy of individual sectors of the financial services industry at regional market patterns such as the EU and NAFTA and at individual countries from the Asian NICs to Europe and the United States The book captures the complexity and dynamics of a sector with vital implications for the future of global economic development

The Aftermath of 'Real Existing Socialism' in Eastern Europe Jacques Hersh, Johannes Dragsbaek Schmidt, 2016-07-27 The themes in this book concern former Soviet type societies 1 Is the capitalist world system willing and able to absorb these newcomers or are they condemned to Third worldization 2 Is the neoliberal advice of simultaneous political democratization and economic liberalization a viable path 3 Is the East Asian model of authoritarianism and governed markets a better option 4 Can the revolution of rising expectations be harnessed into a new structure of accumulation based on class polarisations 5 Are there lessons in Chinese market socialism In this topical and timely collection these questions are answered by an interdisciplinary and international team of specialists

The Geopolitics of Security in the Americas Martin Sicker, 2001-11-30 Sicker examines the role of the United States within the Western Hemisphere and the geopolitical and geostrategic factors that have helped shape its policies in the region He demonstrates that such factors have contributed heavily to establishing the patterns of state development and interstate relations in the Western Hemisphere throughout its modern history The prevailing geopolitical environment has been conditioned to a large extent by the emergence of the United States as the unquestionably dominant power in the extensive region However that status did not exist at the time it achieved its independence It was brought about through almost incessant conflict with and expansion at the expense of other states nations and peoples over more than a century As a result the concerns and interests of the dominant power became and remain of necessity factors that states beyond the borders of the United States must take into consideration when pursuing their own national interests and policies As Sicker amply demonstrates failure to do so will often produce undesirable consequences for the offending state As is clear however the states of the hemisphere have their own geopolitical interests

and concerns independent of and sometimes conflicting with those of the United States As Sicker shows throughout the volume and especially in his analysis of inter American conflicts many of the nations of Latin America have unresolved territorial controversies with their neighbors that date to their origins as independent states Because of this troubled geopolitical legacy there have been numerous conflicts among the states of Latin America some of which the United States has attempted to mediate or arbitrate and some that seem impervious to a permanent negotiated settlement This is a provocative analysis that will be of interest to scholars students researchers and policymakers involved with inter American relations and U S diplomacy

Violence and Power Ken G. Irish-Bramble,2018-05-02 *Violence and Power* is a collection of original essays written by Dr Ken G Irish Bramble The essays were all written while the author was a graduate student at NYU The essays cover a wide range of topics in the field of political science and Caribbean studies While they are somewhat dated they each cover timeless topics and provide meaningful insight

Handbook of Governance and Security James Sperling,2014-08-29 The Handbook is divided into four sections which examine in turn the emergence evolution and forms of security governance as well as the theoretical orientations that have so far dominated the literature networks multilateralism regimes and sy

Capital beyond Borders Kenneth P. Thomas,2016-07-27 This book challenges the established wisdom regarding the balance of bargaining power between multinational corporations and host governments Most theories beginning with Raymond Vernon s claim that the bargaining power of host states should increase over time This work shows the opposite is true at least for the automobile industry in the industrialized world The reason for this is the growing mobility of production which undercuts host states bargaining positions Capital mobility is thus central to both firm state relations and IPE generally

Social Movements in Development Staffan Lindberg,Arni Sverrisson,2016-07-27 Nationalist movements in the South have been superseded by a plethora of different social movements This book examines these new movements and considers emerging paradigms of organization and mobilization which are related to the role movements play in economic and political development The book analyzes a number of cases and their context and discusses the implications for social movement theory The focus is on social movements among underprivileged and middle class groups and the book is global in scope

Diasporic Citizenship Michel S. Laguerre,2016-07-27 This book briefly delineates the history of the Haitian diaspora in the United States in the nineteenth century but it primarily concerns itself with the contemporary period and more specifically with the diasporic enclave in New York City It uses a critical transnational perspective to convey the adaptation of the immigrants in American society and the border crossing practices they engage in as they maintain their relations with the homeland It further reproblematises and reconceptualizes the notion of diasporic citizenship so as to take stock of the newer facets of the globalization process

Globalization, Liberalization and Policy Change S. McDowell,1997-01-21 After the introduction of a new economic policy of 1991 India is increasingly portrayed as a big emerging market for consumer goods and for broadcasting and communications services Policies for telecommunications

computer software and television broadcasting in India have also shifted fundamentally The book considers communications policies in light of the role of communications in social and economic development and global patterns of trade and investment in communications and services *A Future for Small States* Commonwealth Advisory Group for Updating the 1985 Vulnerability Report, Mary Eugenia Charles, 1997 This report provides an analysis of key issues concerning small states security and development It sets out a series of recommendations to counteract vulnerability arising from such factors as globalization environmental degradation and global warming and international crime **New West Indian guide** ,1999

Drugs and Democracy in Latin America Coletta Youngers, Eileen Rosin, 2005 While the U S has failed to reduce the supply of cocaine and heroin entering its borders it has however succeeded in generating widespread often profoundly damaging consequences on democracy and human rights in Latin America and the Caribbean

Security Problems And Politics In The Post Cold War Carribean Introduction

In the digital age, access to information has become easier than ever before. The ability to download Security Problems And Politics In The Post Cold War Carribean has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Security Problems And Politics In The Post Cold War Carribean has opened up a world of possibilities. Downloading Security Problems And Politics In The Post Cold War Carribean provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Security Problems And Politics In The Post Cold War Carribean has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Security Problems And Politics In The Post Cold War Carribean. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Security Problems And Politics In The Post Cold War Carribean. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Security Problems And Politics In The Post Cold War Carribean, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Security Problems And Politics In The Post Cold War Carribean has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Security Problems And Politics In The Post Cold War Carribean Books
