[Seeing Is Believing](#) Gregory A. Boyd, 2004-04-01 One of the most common problems with Christians in our modern secularized world is that they don't feel the reality of Jesus Sure they believe in him and love him but he somehow doesn't seem to enter their daily lives in a real sense Some might say You ought to pray more Others would advise You ought to witness more While this may be true we don't get closer to God just because we ought to Boyd believes that the way to true spiritual transformation and feeling the presence of God in your life comes from a little R and R rest and reality Boyd encourages readers to stop striving and learn to rest in an experience of Jesus as real The best way to do this he says is through imaginative prayer Experiencing Jesus will teach readers how to use God's gracious gift of creative imagination to know him better and feel his presence in their daily lives [Effective English](#) Philander Priestley Claxton, James McGinniss, 1917
