Writing the Voice of Pleasure A. Callahan, 2001-11-09 The *Voice of Pleasure* makes a persuasive and fascinating argument that the romantic couple of Western representation is not heterosexual Nor is it homosexual With insightful new readings of landmarks of Western culture from Tristan and Yseult to

Seinfeld Callahan demonstrates that the illusion of heterosexuality is created by a male artist's assumption of a feminine voice to express desire. Named the troubadour effect for the first time here, this tradition of male femininity in romantic writing results in a cultural model of desire best described as heterosexuality without women. The most compelling aspect of the book is its attention to the effect of this paradox on women writers. Illuminating her argument with striking examples from the troubadour to Toni Morrison, the author shows how women writers inscribe their vagabondage, a term she coins to name the consequences of the troubadour effect for women's agency as both writers and lovers.

Ernie Kovacs & Early TV Comedy Andrew Horton, 2022-02-24 Exploring the pioneering career of the man whose quirky comic experiments influenced decades of television from *Laugh In* to *Late Night*. A true pioneer of television, Ernie Kovacs entertained audiences throughout the 1950s and early 1960s with his zany irreverent and surprising humor and also inspired a host of later comedies and comedians including Monty Python, David Letterman, much of *Saturday Night Live*, Rowan and Martin's *Laugh In*, Captain Kangaroo, and even Sesame Street. Kovacs created laughter through wildly creative comic jokes, playful characterizations, hilarious insights, and wacky experiments. Nothing in moderation, his motto and epitaph sums up well Kovacs's wholehearted approach to comedy and life. In this book, Andrew Horton offers the first sustained look at Ernie Kovacs's wide-ranging and lasting contributions to the development of TV comedy. He discusses in detail Kovacs's work in New York, which included *The Ernie Kovacs Show* (CBS prime time, 1952-1953), *The Ernie Kovacs Show* (NBC daytime variety, 1956-1957), *Tonight* (NBC late night comedy variety, 1956-1957), and a number of quiz shows. Horton also looks at Kovacs's work in Los Angeles and in feature film comedy. He vividly describes how Kovacs and his comic co-conspirators created offbeat characters and situations that subverted expectations and upended the status quo. Most of all, Horton demonstrates that Kovacs grasped the possibility for creating a fresh genre of comedy through the new medium of television and exploited it to the fullest.
