Leroy Lad Panek, 2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid century the police hero offered a way to make the traditional mystery story contemporary The police novel reflects sociology and history and addresses issues tied to the police force such as corruption management and brutality Since the police novel reflects current events the changing natures of crime court procedures and legislation have an impact on its plots and messages An examination of the police novel covers both the evolution of a genre of fiction and American culture in general This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s It follows the ways in which professional writers and police officers turned writers view the police individually and collectively The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender race nationality sexual orientation and age over the years The major writers examined begin with Julian Hawthorne in the

Larry McMurtry Steven Frye considers a broad range of McMurtry's most important novels and offers detailed textual analyses of works such as *Horseman Pass By*, *The Last Picture Show*, *Moving On*, and *Lonesome Dove* to reveal the manner in which McMurtry engages the human condition. Characters are at the heart of McMurtry's fiction whether they are nineteenth or twentieth century ranchers, modern rodeo men, or women grappling with the angst and confusion of life in the suburbs of Houston. He has created characters rich in texture such as Augustus McCrae and Woodrow Call not only to encourage an understanding of the persistent force of American mythology but also to transcend type so that they emerge as quintessentially human figures grappling with circumstances beyond their control. McMurtry portrays with depth and insight the conundrums of the modern moment and its relation to heritage and he deals as well with the intensities of the human mind as it negotiates with a complex and sometimes indifferent world. In *Understanding Larry McMurtry*, Frye offers a comprehensive treatment of one of the most important living authors, one who has emerged as a central figure in a rich and compelling contemporary canon.

All My Friends Are Going to Be Strangers Larry McMurtry, 2018-05-29 A young writer hits the dusty Texas highway for the California coast in this brilliant, funny, and dangerously tender time tale of art and sacrifice. Hailed as one of the best novels ever set in America's fourth largest city, Douglas Brinkley's *New York Times Book Review* All My Friends Are Going to Be Strangers is a powerful demonstration of Larry McMurtry's comic genius, his ability to render a sense of landscape and interior intellection. Tension, Jim Harrison's *New York Times Book Review* Desperate to break from the mundane happiness of Houston, budding writer Danny Deck hops in his car, El Chevy, bound for the West Coast on a road trip filled with broken hearts and bleak realities of the artistic life. A cast of unforgettable characters joins the naïve troubadour's pilgrimage to California and back to Texas, including a cruel, long-legged beauty, an appealing screenwriter, a randy college professor, and a genuine if painfully normal friend. Since the novel's publication in 1972, Danny Deck has been far more successful at getting loved by readers than he ever was at getting loved by the women in his life. McMurtry, a testament to the author's incomparable talent for capturing the essential tragicomedy of the human experience.

Somebody's Darling Larry McMurtry, 2018-10-02 The personal and professional struggles of

McMurtry's lively protagonist Jill Peel, a director in 1970s Hollywood, takes on new resonance in the twenty-first century. Forty years ago, Larry McMurtry journeyed from the sprawling ranches of his early work to the provocative Sunset Strip, creating a Hollywood fable that is both immediate and relevant in today's dynamic cultural climate. One would never guess that Jill Peel is still on the verge of stardom. Jill won an Oscar shortly after her fresh-faced arrival in 1950s Hollywood, then for the next twenty years battled away every Tinseltown producer who tried to hire her and get her into bed. Now middle-aged, she's determined to create more movie magic by directing a cast of raunchy eccentrics, including Joe Percy, an aging womanizing screenwriter and ex-football player, and Owen Oarson, eager to sleep his way to leading man stardom. Teeming with biting humor and intriguing characters that mirror the scandals of modern-day Hollywood, *Somebody's Darling* is a timeless story about a fiercely capable woman who dares to challenge the realities of a deceptively seductive Babel.

Welsh Gothic Jane Aaron, 2013-05-15 *Welsh Gothic*, the first study of its kind, introduces readers to the array of Welsh Gothic literature published from 1780 to the present day. Informed by postcolonial and psychoanalytic theory, it argues that many of the fears encoded in Welsh Gothic writing are specific to the history of Welsh people, telling us much about the changing ways in which Welsh people have historically seen themselves and been perceived by others. The first part of the book explores Welsh Gothic writing from its beginnings in the last decades of the eighteenth century to 1997. The second part focuses on figures specific to the Welsh Gothic genre who enter literature from folk lore and local superstition, such as the sin eater, cŵn Annwn, hellhounds, dark druids, and Welsh witches.

Contents: Prologue, A Long Terror, PART I: HAUNTED BY HISTORY, 1. Cambria Gothica, 1780s-1820s, 2. An Underworld of One's Own, 1830s-1900s, 3. Haunted Communities, 1900s-1940s, 4. Land of the Living Dead, 1940s-1997, PART II: THINGS THAT GO BUMP IN THE CELTIC TWILIGHT, 5. Witches, Druids, and the Hounds of Annwn, 6.
