Singing a Hindu Nation Anna Schultz, 2013-01-10 *Singing a Hindu Nation* is a study of ranullnullriya kirtan a western Indian performance medium that combines song Hindu philosophical discourse and nationalist storytelling Beginning during the anti colonial movement of

the late nineteenth century performers of *ranullnullriya kirtan* led masses of Marathi speaking people in temples and streets and they have continued to preach and sing nationalism as devotion in the post colonial era and into the twenty first century In this book author Anna Schultz demonstrates how through this particular form of musical performance the political becomes devotional and explores why it motivates people to action and violence Through both historical and ethnographic studies Schultz shows that *ranullnullriya kirtan* has been especially successful in combining these two realms because *kirtankars* perform as representatives of the divine sage Narad thereby infusing their nationalist messages with ritual weight By speaking and singing in regional idioms with rich associations for Maharashtrian congregations they use music to combine political and religious signs in ways that seem natural and desirable promoting embodied experiences of nationalist devotion As the first monograph on music and Hindu nationalism *Singing a Hindu Nation* presents a rare glimpse into the lives and performance worlds of nationalists on the margins of all India political parties and cultural organizations and is an essential resource for ethnomusicologists as well as scholars of South Asian studies religion and political theory **Yoga for Singing** Judith E. Carman, 2012-05-31 *Yoga for Singing* presents vocal students and professionals voice teachers and movement instructors many of whom include a significant amount of yoga in stage movement and dance courses required in conservatory vocal opera programs as well as in pre professional apprentice programs with a unique approach to technique and performance improvement that fits the increasing interest in and prevalence of yoga practices *Singing the Right Way* Jeffers Engelhardt, 2015 *Singing the Right Way* enters the world of Orthodox Christianity in Estonia to explore musical style in worship cultural identity and social imagination Through both ethnographic and historical chapters author Jeffers Engelhardt reveals how Orthodox Estonians give voice to the religious absolute in secular society Based on a decade of fieldwork *Singing the Right Way* traces the sounds of Orthodoxy in Estonia through the Russian Empire interwar national independence the Soviet era and post Soviet integration into the European Union Approaching Orthodoxy through local understandings of correct practice and correct belief Engelhardt shows how religious knowledge national identity and social transformation illuminate how to sing the right way and thereby realize the fullness of Estonians Orthodox Christian faith in context of everyday secular surroundings *Singing the Right Way* is an innovative model of how the musical poetics of contemporary religious forms are rooted in both consistent sacred tradition and contingent secular experience This landmark study is sure to be an essential text for scholars studying the ethnomusicology of religion *Bibliographic Guide to Music* New York Public Library. Music Division, 2004 *With Passionate Voice* Robert Toft, 2014 *With Passionate Voice* gives modern singers of Renaissance music the tools to learn and master the art of re creative singing Providing a much needed historically informed perspective author Robert Toft discusses the music of composers ranging from Marchetto Cara to John Dowland in the context of late Renaissance rhetoric modal theory and performance traditions **World Literature Today**, 2003 The Bicentennial of the United States of America American Revolution Bicentennial Administration, 1977
