**When They Fade** Jeyn Roberts, 2016-09-13 In the tradition of *The Lovely Bones* and Neal Shusterman's *Everlost* comes a haunting tale of two girls one dead one alive and high school bullying that's about to turn deadly Now a 2016 Bram Stoker Awards Finalist When Tatum has a falling out with a popular girl at school she isn't prepared for the vicious backlash that follows One foggy night Tatum sneaks out for a drive The teenage hitchhiker she picks up doesn't talk much until she suddenly turns to Tatum and says You're going to die It will hurt and you'll be alone And no one will help you And then she disappears Is the girl a ghost Or is this just another sick game the bullies at school are playing As the two girls' stories converge they will discover that the only way to help themselves is to first save each other A satisfying read that tackles heavy issues and is never weighed down by them Kirkus Reviews Starred review      **Sacred Listening** Margaret J.

**Loud Silences in Open Spaces** Margaret Deming, 2004-11-01 I feel as if we are under constant watch as our love is growing strong as the days go by You say words to me without promoting and it is almost as if I am rubbing off on you Our feelings have changed for those around us and there is a level of constant restraint between the both of us as eyes are forever watching out for the next move that we make toward each other I feel victory for myself as I feel no threat of the other after the exchange that you had with the other last evening and her total disrespect that she has toward your mother I don't blame you for wanting to lash out at her and you should have as there is no excuse for the lack of disrespect which she spoke out to you in streams of venom I had the same day yesterday myself and I felt the same way you did but I feel like a caged animal that is constantly being poked at and provoked by what I don't or do with events and actions in my life It drives me crazy all the time and maybe that is why I hurt myself because I am unable to fight the battle against not winning the argument and it leaves me numb and cold as stone inside Until I hear or see you I am all right and all those impulses vanish from my thoughts I find no reason to hurt myself whenever you are near me I hear your voice or see your face and I am elated because on the other side of the line you are feeling the same      **The Place of Silence** Mark Dorrian, Christos Kakalis, 2020-02-06 *The Place of Silence* explores the poetics and politics of silence in architecture Bringing together contributions by internationally recognized scholars in architecture and the humanities it explores the diverse practices
