Louis Moreau Gottschalk 1829-1869 A Bibliographical Study And Catalogue Of works:

Louis Moreau Gottschalk, 1829-1869 John Godfrey Doyle, 1982 *Reader's Guide to Music* Murray Steib, 2013-12-02
The Reader's Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3-20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology [The Companion to The Mechanical Muse: The Piano, Pianism and Piano Music, c.1760-1850](#) Derek Carew, 2016-03-23
Intended as a supplement to *The Mechanical Muse: The Piano, Pianism and Piano Music c. 1760-1850* this Companion provides additional information which largely for reasons of space but also of continuity it was not possible or desirable to include in that volume The book is laid out alphabetically and full biographical entries are provided for all musical figures mentioned including composers performers theoreticians and teachers as well as piano makers and publishers of music within the period covered by *The Mechanical Muse* There are also entries on figures of importance from outside the period but whose influence is palpably important within it such as J S Bach As well as biographical information all these entries contain lists of principal works and a section on further reading so that readers can follow up people and matters of particular interest Also included in *The Companion* are entries devoted to particular works and other information of relevance such as descriptions of musical forms characteristics of dances and so on as well as some technical information on music and explanations of technical terms pertaining to keyboard instruments themselves and to ways of playing them This Companion is not intended to replace existing reference books such as *Grove* or *Musik in Geschichte und Gegenwart* but will be useful for those who desire to know more about a particular topic and do not necessarily have access to more specialist reference works or time to visit large or specialist libraries As such it is indispensable to users of *The Mechanical Muse*
