D. Reynolds,1998 This is a study of gender and power in Victorian Britain It examines the contribution made by women to the public culture of the British aristocracy in the nineteenth century It challenges the view that power and authority were predominantly masculine attributes and shows that a partnership of authority between men and women was integral to aristocratic life The book is thus an important addition to the debate on separate spheres Dr Reynolds explores the roles of aristocratic women in estate management patronage of churches and schools and in caring for the poor and other dependants She shows how women were at the heart of the local communities and institutions on which aristocratic power was based The book goes on to discuss the realm of national politics analysing women s participation in the electoral process in Westminster based political life and at Queen Victoria s court Based on a wide range of previously unused archival sources *Aristocratic Women and Political Society* presents a lively portrait of women s experiences and a corrective to the view of the upper class Victorian woman as a passive social butterfly

very stability of everyday life seemed to depend on her regency The anxiety of the government and the royal family about the prospect of the Queen s death was such that the news of her illness was deliberately concealed from the public for more than a week When it came people from England to Jamaica wept in the streets and this grief was surpassed only by fear for the future God help us was the standard reaction from all strata of society The Last Days of Glory is the definitive account of those last 23 days in January 1901 when Victoria traveled to Osborne House to die The momentous reaction to the Queen s passing attached to it more significance and a greater sense of change than the turn of the century had carried just a year earlier Through the prism of those last days Tony Rennell presents us with a series of resonant and absorbing snapshots of a fading Empire at the end of the Victorian Age and captures a nation coping with change balancing comfortable nostalgia with the arrival of a new order [Heirs and Graces](#) Eleanor Doughty,2025-09-04 The fascinating new history of the British Aristocracy since the Second World War A deeply researched and highly entertaining account Julian Fellowes creator of Downtown Abbey This well written well researched and fascinating book could not be better timed Lord Andrew Roberts author of Salisbury Victorian Titan There are fewer than 5000 people who can genuinely claim to be members of the British aristocracy and yet they loom large in the popular consciousness We re fascinated by their houses and estates their lives and loves their foibles and eccentricities And we entertain the strong suspicion that while they may be fellow citizens they are very far from being People Like Us In Heirs and Graces Eleanor Doughty draws on her unparalleled access to a bewildering range of dukes duchesses earls and others to create a vivid picture of who they are and how they tick En route she traces their progress from a post war era when they and their like were described by one future Labour Chancellor of the Exchequer as selfish depraved dissolute and decadent to their diverse current roles as guardians of vast ancestral mansions farmers financiers and much else beside She looks at key rites of passage from cradle via boarding school to grave And she tells stories of their ups and downs and of the doings of the heroes and villains who fill their ranks The result is a wonderfully rich often amusing always revealing account of the fortunes of the aristocracy over the past century and a series of fascinating glimpses into what it is like to be an aristocrat in Britain today [The Oxford Handbook of the History of Youth Culture](#) James Alan Marten,2023 The Oxford Handbook of the History of Youth Culture features broadly contextualized historical case studies of youth cultures from around the world and over the past several centuries Chapters focus on a wide range of issues and themes including youth agency gender self expression and the tension between community control and youthful independence [Juliette Gordon Low](#) Stacy A.
