**The Tragic Life Story of Medea as Mother, Monster, and Muse** Jana Rivers Norton, 2019-11-13 This volume offers a critical yet empathic exploration of the ancient myth of Medea as immortalized by early Greek and Roman dramatists to showcase the tragic forces afoot when relational suffering remains unresolved in the lives of individuals families and communities Medea as a tragic figure whose sense of isolation and betrayal interferes with her ability to form healthy attachments reveals the human propensity for violence when the agony of unresolved grief turns to vengeance against those we hold most dear However metaphorically her life story as an emblem for existential crisis serves as a psychological touchstone in the lives of early twentieth century female authors who struggled to find their rightful place in the world to resolve the sorrow of unrequited love and devotion and to reconcile experiences of societal abandonment and neglect as self discovery

*Journey from the Land of No* Roya Hakakian, 2007-12-18 An emotional evocative coming of age story about one deeply intelligent and perceptive girl's attempt to find her own voice in prerevolutionary Iran An immensely moving extraordinarily eloquent and passionate memoir Harold Bloom Roya Hakakian was twelve years old in 1979 when the revolution swept through Tehran The daughter of an esteemed poet she grew up in a household that hummed with intellectual life Family gatherings were punctuated by witty

satirical exchanges and spontaneous recitations of poetry But the Hakakians were also part of the very small Jewish population in Iran who witnessed the iron fist of the Islamic fundamentalists increasingly tightening its grip It is with the innocent confusion of youth that Roya describes her discovery of a swastika a plus sign gone awry a dark reptile with four hungry claws painted on the wall near her home As a schoolgirl she watched as friends accused of reading blasphemous books were escorted from class by Islamic Society guards never to return Only much later did Roya learn that she was spared a similar fate because her teacher admired her writing Hakakian relates in the most poignant and at times painful ways what life was like for women after the country fell into the hands of Islamic fundamentalists who had declared an insidious war against them but we see it all through the eyes of a strong youthful optimist who somehow came up in the world believing that she was different knowing she was special A wonderfully evocative story Journey from the Land of No reveals an Iran most readers have not encountered and re creates a time and place dominated by religious fanaticism violence and fear with an open heart *About Town* Ben Yagoda, 2000 Illuminated by interviews with more than fifty people including the late Joseph Mitchell William Steig Roger Angell Calvin Trillin Pauline Kael John Updike and Ann Beattie *About Town* penetrates the inner workings of the New Yorker as no other book has done **BOOK JACKET** **Dream Catcher** Margaret A.

Salinger, 2013-09-10 In her highly anticipated memoir Margaret A Salinger writes about life with her famously reclusive father J D Salinger offering a rare look into the man and the myth what it is like to be his daughter and the effect of such a charismatic figure on the girls and women closest to him With generosity and insight Ms Salinger has written a book that is eloquent spellbinding and wise yet at the same time retains the intimacy of a novel Her story chronicles an almost cultlike environment of extreme isolation and early neglect interwoven with times of laughter joy and dazzling beauty Compassionately exploring the complex dynamics of family relationships her story is one that seeks to come to terms with the dark parts of her life that quite literally nearly killed her and to pass on a life affirming heritage to her own child The story of being a Salinger is unique the story of being a daughter is universal This book appeals to anyone J D Salinger fan or no who has ever had to struggle to sort out who she really is from whom her parents dreamed she might be *Humanities* , 1997
