

Dufresne John Dufresne

Praise for *Louisiana Power & Light*

"This is an amazing achievement that lives in the tradition of the greatest of American Power & Light, the energy of the genre, and the absolutely electric, heart-breaking force of it all—John Dufresne's reader can't read this book without feeling like he's been taken to the heart of the Louisiana power industry, where the forces of light and darkness, of power and greed, are at work. This is a book that will change the way you think about power and light."

—*Los Angeles Times*

"Louisiana Power & Light is a world according to the power. It's a shining study of the forces that have shaped the world of the future, and the forces that have shaped the world of the past. Dufresne's power is not just the power of the future, but the power of the past, the power of the present, and the power of the future."
