

An illustration of two hands, one light-skinned and one darker-skinned, holding each other in a gentle grip. The light-skinned hand is on the left, wearing two red bangles. The darker-skinned hand is on the right, wearing a single pink bangle. The background is a soft pink with a large, faint heart shape and several smaller white hearts scattered around.

**Learning to Live the Love We Promise** Lewis B. Smedes, 2001-03-20 Each one of us enjoys deep relationships held together by an invisible cord called commitment and every important community depends on the strength of that unseen cord At times we find it a joy to keep our commitments At others it seems difficult even impossible to honor those spoken and unspoken pledges If you deeply desire to make and keep commitments If you want insight into what makes relationships work or to learn what to do when a relationship is in crisis If you feel trapped by a bad commitment and wonder if you can experience grace and a new beginning Best selling author Lewis Smedes offers insights that will profoundly affect the way you interact with and relate to others Find out what you and those you love can gain from committed relationships discover how to cope when someone close to you breaks your trust and determine which if any relationships should continue forever as well as how you can make these relationships last in **Learning to Live the Love We Promise** **Attraction Is a Feeling.**

**Love Is a Promise.** Grenville W. Phillips, II, 2013-05 Marriage can be a satisfying and exciting life journey for a man and a woman who love each other However the significant number of divorced and separated persons indicates that there is a fundamental problem with their marriage preparation The dreaded phrases I just don't love you anymore and where has the love gone are common among those who mistook their intense feelings of attraction as love Attraction is not love Attraction is an emotional force that we can feel while love is a promise to do four progressively challenging things The couple who is ready to make and keep their promises of love is ready to get married Spouses of those with no intention of keeping these promises are destined to endure a life sentence of misery This book is written specifically to help men to understand if they are ready to keep the promises of love *A Dragon's Legacy - Love's Promise* William "Bill" Lockhart, 2025-09-17 A Dragon's Legacy Love's Promise A cutting edge submarine An evolving AI A love story that spans borders and oceans In 2031 China secretly launches Shadow Dragon a stealth submarine unlike any ever built with a fusion reactor guided by an experimental artificial intelligence named Yin Ji n Commander Zhao Lin and his crew including Chief Engineer Ch n J nh o are tasked with a high stakes covert mission that will test loyalty courage and the human limits of survival Beneath the tense geopolitics and covert suspense lies a powerful human romance the enduring love between J nh o and Yumei Their love begins in school then grows to a bond that even though separated by oceans and political boundaries becomes the emotional anchor of a journey that carries them through clandestine escapes raging typhoons and life or death decisions As the crew struggles to break free of a regime that wants to destroy them Shadow Dragon herself becomes more than a machine Yin Ji n the AI that awakens to an awareness of self and self sacrifice to become an unlikely guardian giving up everything to deliver her crew to safety Through it all the little Gold Origami Dragon crafted by J nh o and Yumei's daughter Mei becomes a symbol of remembrance of hope and of enduring love Spanning across the oceans from China to the depths of the Cayman Trench Shadow Dragon blends high tech suspense with warm heartfelt drama This is a story of flight and freedom of loyalty and

betrayal It is a story of a love strong enough to endure betrayal exile and a dangerous months long journey to reunite once again If you enjoy fast paced techno thrillers with a deeply human romance fans of Tom Clancy or Michael Crichton with a touch of Nicholas Sparks A Dragon s Legacy Love s Promise will keep you turning pages and on the edge of your seat to the very end Love's Promises Martha M. Ertman,2016-05-24 Blends memoir and legal cases to show how contracts can create family relationships Most people think of love and contracts as strange bedfellows or even opposites In Love s Promises however law professor Martha Ertman shows that far from cold and calculating contracts shape and sustain families Blending memoir and law Ertman delves into the legal cases anecdotes and history of family law to show that love comes in different packages each shaped by different contracts and mini contracts she calls deals Family law should and often does recognize that variety because legal rules like relationships aren t one size fits all The most common form of family which Ertman calls Plan A come into being through different kinds of agreements than the more uncommon families that she dubs Plan B Recognizing the contractual core of all families shows that Plan B is neither unnatural nor unworthy of legal recognition just different After telling her own moving and often irreverent story about becoming part of a Plan B family of two moms and a dad raising a child Ertman shows that all kinds of people straight and gay married and single related by adoption or by genetics use contracts to shape their relationships As couples navigate marriage reproductive technologies adoption and cohabitation they encounter contracts Sometimes hidden and other times openly acknowledged these contracts ensure that the people they think of as family are legally recognized as family in the eyes of the law Family exchanges can be substantial like vows of fidelity or small like I cook and you clean But regardless of scope the agreements shape the emotional social and financial terrain of family relationships Seeing the instrumental role contracts will help readers better understand how contracts and deals work in their own families as well as those around them Both insightful and paradigm shifting Love s Promises lets readers in on the power of contracts and deals to support love in its many forms and to honor the different ways that our nearest and dearest contribute to our daily lives *Love's Grateful Striving* M. Ferreira,2001-06-07 Soren Kierkegaard s Works of Love 1847 a series of deliberations on the commandment to love one s neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard s most important works He shows that Kierkegaard s deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation *Dreams, Love, & Reality: Volume II* ,

**Rekindling Democracy** Cormac Russell,2020-06-01 Finally a book that offers a practical yet well researched guide for practitioners seeking to hone the way they show up in citizen space At a time when public trust in institutions is at its lowest expectations of those institutions to make people well knowledgeable and secure are rapidly increasing These expectations are unrealistic causing disenchantment and disengagement among citizens and increasing levels of burnout among many professionals Rekindling Democracy is not just a practical guide it goes further in setting out a manifesto for a more equitable social contract to address these issues Rekindling Democracy argues convincingly that industrialized countries are suffering through a democratic inversion where the doctor is assumed to be the primary producer of health the teacher of education the police officer of safety and the politician of democracy Through just the right blend of storytelling research and original ideas Russell argues instead that in a functioning democracy the role of the professionals ought to be defined as that which happens after the important work of citizens is done The primary role of the twenty first century practitioner therefore is not a deliverer of top down services but a precipitator of more active citizenship and community building
