Love And Commitment Sociological Observations:

Love and Commitment Gary Schwartz, Don Merten, 1980-02-01 **Sociological Observation** Matilda W Riley, Edward E. Nelson, 1974-10-31 **Sociological Observation**, 1974 **Illusion and Disillusion** John F. Crosby, 1985 The Sociology of Radical Commitment Gary Backhaus, George Psathas, 2007-01-01 This is the first volume to present commentaries on the existential sociology of Kurt H Wolff including autobiographical biographical exegetic and creative developmental articulation of his radical thought The theme of the book connects Wolff to the sociological tradition while at the same time explicates his profound departure from the tradition Personal Life Carol Smart, 2007-09-17 Offers a conceptual approach to understanding personal life which realigns empirical research with theoretical analysis This work emphasises ideas of connectedness relationality and embeddedness rejecting many of the assumptions found in theories of individualisation and de traditionalisation by authors such as Beck and Beck Gernsheim **The Emerald Handbook of the Sociology of Emotions for a Post-Pandemic World** Paul R. Ward, Kristen Foley, 2023-04-14 The Emerald Handbook of the Sociology of Emotions for a Post Pandemic World offers a sociological examination of the lived impacts of the COVID 19 pandemic through culture s of emotion offering a refreshing contribution to a new and exciting sub discipline For Love of the Prophet Noah Salomon, 2016-10-25 For some the idea of an Islamic state serves to fulfill aspirations for cultural sovereignty and new forms of ethical political practice For others it violates the proper domains of both religion and politics Yet while there has been much discussion of the idea and ideals of the Islamic state its possibilities and impossibilities surprisingly little has been written about how this political formation is lived For Love of the Prophet looks at the Republic of Sudan s twenty five year experiment with Islamic statehood Focusing not on state institutions but rather on the daily life that goes on in their shadows Noah Salomon s careful ethnography examines the lasting effects of state Islamization on Sudanese society through a study of the individuals and organizations working in its midst Salomon investigates Sudan at a crucial moment in its history balanced between unity and partition secular and religious politics peace and war when those who desired an Islamic state were rethinking the political form under which they had lived for nearly a generation Countering the dominant discourse Salomon depicts contemporary Islamic politics not as a response to secularism and Westernization but as a node in a much longer conversation within Islamic thought augmented and reappropriated as state projects of Islamic reform became objects of debate and controversy Among the first books to delve into the making of the modern Islamic state For Love of the Prophet reveals both novel political ideals and new articulations of Islam as it is rethought through the lens of the nation Emotions in Culture and Everyday Life Michael Hviid Jacobsen, 2022-08-15 This volume describes and analyses a series of emotions prevalent in everyday life and culture with each chapter exploring the main facets of a particular emotion and considering the ways in which it manifests itself in and informs our culture and lives Considering our expression conception management and sanctioning of emotions and the ways in which these have changed over time as well as the

ways in which we can theorise particular emotional states authors ask how certain emotions are linked to culture and society and what roles they play in politics and contemporary life With examples and case studies taken from research into media culture and social life *Emotions in Culture and Everyday Life* will appeal to scholars of sociology anthropology psychology media and cultural studies and philosophy with interests in the emotions

Hamm,1987-03-09 More than 450 years after their birth in the Anabaptist movement 125 years after their secession from Russian Mennonitism and 60 years after their immigration to Canada the Mennonite Brethren exhibit specific and measurable signs of sectarian viability and religious vitality To explain the persistence of the sect Hamm analyses the process of sacralization within the Canadian Mennonite Brethren Church which safeguards identity a system of meaning or a definition of reality and the process of secularization which erodes boundaries dislodges stable structures and destroys identity It is an oversimplification the author argues to insist that the factors of continuity ethical and cognitive norms family solidarity ethnicity worship evangelism community and church structures and service agencies are solely integrative and that the factors of change urbanization education occupational change and economic affluence are solely disruptive Instead a complex dialectic between the two processes is at work that prevents restrictive rigidity within the sect and excessive accommodation to the host society According to the author this analysis of the Canadian Mennonite Brethren becomes a case study to test the utility of an identity theory of religion which hinges on the integration differentiation dialectic It is at the same time a serious self study in religious sociology by which the author seeks to gain a better understanding of the processes of growth and decline of continuity and change and of the ongoing tension resulting from the religious movement s confrontation with society 21st Century Sociology: A Reference Handbook Clifton D.
