Love Has Its Reasons An Inquiry Into New Testament Love:

Love Has Its Reasons Earl F. Palmer, 1977 *The Living Church* , 1977-07 *Learning to Love Others* Richard Peace, 2015-04-28 At the heart of Jesus call to us is the call to love others But this can be so difficult For one thing others are not always very lovable for another loving others sometimes gets in the way of our own self interests But if we want to follow Jesus love needs to be our lifestyle and the way we treat others really does matter It s not all sacrifice and pain though To be in loving relationship with others is to be truly alive and it s the source of our greatest joy This study will help you love others the way Jesus desires You ll learn how to study the Bible as you examine and discuss topics such as Loving Others Loving Our Families Fellowship with Others Getting Along with Others Opposition from Others Sharing Our Faith with Others Serving Others Each chapter has three main sections Group Study materials for a sixty to ninety minute small group Bible study Study Resources notes and comments for use in both group and personal study Personal Study a series of reflection questions for use by group members on their own during the week Extra help is available at the end of the book in the sections The Art of Leadership tips on how to lead a small group and Small Group Leader s Guide notes on each session The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus Through an examination of the spiritual disciplines of Bible study prayer and worship we experience what it means to be a spiritual pilgrim walking in a new way with God And we look at how this new way changes the way we view others and live our lives in Christ PILGRIMAGE GUIDES Learning to Love God Learning to Love Ourselves Learning to Love Others **Biblical Sermons** Haddon W. Robinson, 1997-02-01 Haddon Robinson s method as presented in Biblical Preaching is employed in twelve expository messages offering concrete examples of how experienced preachers have made Robinson s homiletical principles work for them Robinson comments on each expository message interviews each preacher and contributes a sermon of his own The book shows how successfully his method of developing sermons can be adapted to different contexts **The Book That John Wrote** Earl F. Palmer, 1999-09 *Authentic Discipleship* Martin Harris, 2019-02-06 Authentic discipleship is a step by step method for achieving Christian spiritual maturity It is a Bible based process using 2 Peter chapter 1 as its source The Apostle Peter reveals the process at the end of his life where he is expressing his concern for the spiritual well being of his flock The process reveals the actual expectations of the Lord for the spiritual development of Christian people for ministry and how to accomplish it The people were first called Christians at Antioch because they followed the teachings of Christ The term was meant to be derogatory but was never considered so by them They not only followed Him but also actually intended to allow the Living Savior to express Himself through them even as John the Baptist cried out He must increase but I must decrease The more Christlike we can become the greater our discipleship is realized It is the aim of this book to help Christians who so desire to realize their goal as the Lord permits **Prayer Between Friends** Earl F. Palmer, 1991-12 *Reverberating Word* Michael Denham, 2018-06-12 Like sounds of beautiful music worship can renew us for God s glory

and our good by the invigorating power of God's reverberating Word. It is God's story that redeems all our stories. We want to tell it again and again as best we can, clearly conveying its message, meaning, richness, claim, and call. Through its every facet and component, worship that is biblically expositional can heighten how we proclaim God's story faithfully and creatively, pointing to the One who alone offers us true identity, security, and destiny. If you seek me, you will find me; if you search with all your heart, declares the Lord. With the ancient prophets and apostles, we must repeat and repeat and repeat the most wonderful truth that God wants to be found. In Christian worship, such a tremendous and tender encounter is available to us as nowhere else.

Biblical Preaching Haddon W. Robinson, 2014-03-18. This bestselling text by Haddon Robinson, considered by many to be the teacher of preachers, has sold over 300,000 copies and is a contemporary classic in the field. It offers students, pastors, and Bible teachers expert guidance in the development and delivery of expository sermons. This new edition has been updated throughout and includes helpful exercises. Praise for the Second Edition: Named One of the 25 Most Influential Preaching Books of the Past 25 Years by *Preaching*. An outstanding introduction to the task of preparing and presenting biblical sermons. More than any other book of the past quarter century, *Biblical Preaching* has profoundly influenced a generation of evangelical preachers. *Preaching: The Heart Has Its Reasons* Beata Toth, 2016-05-26. *The Heart Has Its Reasons* explores a hitherto neglected area of theological anthropology: the unity of human emotion and reason embodied in the Biblical concept of the heart. While the theological contours of human rationality have long been clearly drawn and presented as the exclusive seat of the image of God, affectivity has been relegated to a secondary position. With the reintegration of the body into recent philosophical and theological discourses, a number of questions have arisen: if the image also resides in the body, how does this change one's view of the theological significance of human affect? In what way is our likeness to God realised in the whole of what we are? Can one overcome the traditional dissociation between intellect and affect by a renewed theory of love? In conversation with patristic and medieval authors like Irenaeus, Tertullian, Gregory of Nyssa, Maximus, and Thomas Aquinas, and in dialogue with more recent interlocutors such as Blaise Pascal, Ricoeur, Marion, Milbank, and John Paul II, Beata Toth pursues a novel theological vision of the essential unity of our humanity.
