**Love in the Time of War** Gordon Dykstra, 2025-04-09 In the middle of a deep depression two teenagers fell in love and against all odds planned a life together Just when the depression retreated somewhat and their plans could be realized they were swept aside by the dangers and cruelties of a world war The treacherous invasion of the Netherlands by the armed forces of Nazi Germany in 1945 wrecked their plans for a peaceful life Instead their plans were thrown asunder and their lives were taken up in the maelstrom of the resistance to Nazi rule In spite of hopeless times the young couple persevered They married and started a family in the bleakest of times They resisted a dominant autocratic occupation They suffered the loss of two brothers at the hands of treacherous fellow countrymen who did the bidding of the Nazi occupiers Yet the young couple s devotion to their faith to each other and to their fellow countrymen triumphed over five years of evil [Love in the Time of War](#) Harriette S. Sherman, 2000 Consists mainly of correspondence between husband and wife L and H Sherman with some correspondence between friends and family and editorial comment discussing hardships and happiness during the war years

*Memories of Home and Distant Wars* D.J. Wallace, 2023-08-15 The effects of the Great Depression pressed between two World Wars made me D J as well as my family reflect upon feelings toward men s conflicts and leadership of world nations I detested wars and all things causing them On a garden plot one hot summer morning in 1948 while weeding around tender sprouts my father told me his eleven year old son about his friend a victim of war who had joined the US Army in 1917 He wanted to fight the kaiser and help bring peace to the world This friend died struggling for his life slowly losing his ability to breathe due to the effects of gas poisoning in the trenches of France I remembered that story On December 7 1942 the Empire of Japan attacked Pearl Harbor destroying aircraft ships and many navy men I was six years old and failed to understand the impact of this deed but I saw the effects it left on my parents and siblings and wanted to know why My two older brothers explained that the United States was at war that the Japanese had declared war on us This gave me great alarm and left me in fear When planes flew overhead I crawled under my bed and covered my head I believed the Japanese had returned to kill all of us War affects people especially young children that way As the war progressed my family established a ritual at the morning breakfast table We checked the weekly list of soldiers and sailors in the newspaper that had been killed or missing in action We cringed and cried when a familiar name was listed with the initials of KIA or MIA We found a name we all knew a cousin my aunt s only son The Second World War came with angry images and impressions that followed me through my life and still flash forth at random times Movietone News screened a clip near the end of the war in 1945 that I can t forget It was of a toddler covered in dirt and ashes sitting in the middle of a

road scattered with debris a child all alone with his fist in his mouth crying for his mother who lay dead beside him This scene is forever imprinted in my mind Memories of Home and Distant Wars contains recollections of stories from my memory based on true events from the late 1930s into the 1960s collected from an era of hardships and sacrifice These memories were shared with family and friends who encouraged me to have them published War and Memory at the Time of the Fifth Crusade Megan Cassidy-Welch,2019-07-01 In this book Megan Cassidy Welch challenges the notion that using memories of war to articulate and communicate collective identity is exclusively a modern phenomenon War and Memory at the Time of the Fifth Crusade explores how and why remembering war came to be culturally meaningful during the early thirteenth century By the 1200s discourses of crusading were deeply steeped in the language of memory crusaders understood themselves to be acting in remembrance of Christ's sacrifice and following in the footsteps of their ancestors At the same time the foundational narratives of the First Crusade began to be transformed by vernacular histories and the advent of crusading romance Examining how the Fifth Crusade was remembered and commemorated during its triumphs and immediately after its disastrous conclusion Cassidy Welch brings a nuanced perspective to the prevailing historiography on war memory showing that remembering war was significant and meaningful centuries before the advent of the nation state This thoughtful and novel study of the Fifth Crusade shows it to be a key moment in the history of remembering war and provides new insights into medieval communication It will be invaluable reading for scholars interested in the Fifth Crusade medieval war memory and the use of war memory **Love in the Time of Hate** Rakhshanda Jalil,2024-05-14 Kabhi hum bhi tum bhi the aashna tumhein yaad ho ke na yaad ho Once you and I were friends whether you remember it now or not Momin Khan Momin This is a book about love love for one's country and for all that goes to make it one we can be proud to belong to Poetry it has been said flourishes when all else is uncertain With that in mind renowned literary historian and translator Rakhshanda Jalil uses Urdu poetry to look at how the social fabric of secular India is changing Rakhshanda delves into the past to the events that have threatened communal harmony from the bloodletting of partition or the politics of successive elections to communal riots Mumbai Gujarat and so on to the present moment to recent events around Ayodhya cow slaughter and love jihad The book is divided into four sections politics people passions places Strewn with delightful thoughtful Urdu couplets that bring depth lyricism and gravitas to the narratives the writer cautions us against current popular sentiments based on hating the other Living in an India that now requires us to be resolutely one or the other all of us are losing the wonderful capacity to contain within ourselves many seemingly diverse ideologies and beliefs which is a motif that is reiterated through the verses and words in this book The section titled People has the most delightful charming vignettes of popular icons from Tipu Sultan and Rani Lakshmi Bai to Gandhi and Nehru from Ghalib and Majaz to Dilip Kumar and Lata Mangeshkar viewed through an Urdu lens that makes each person memorable unique and an advocate of peace and unity From essays doused in the language of secular patriotism like Har Dil Tiranga to pieces redolent with

nostalgia like Dopahar ki Dhoop Mein Rakhshanda invokes the power of love inclusivity and communal harmony that is the trademark of poetry and literature and which must continue to permeate the way we live our lives if we want to bequeath a meaningful legacy to the generations to come in our country
