Walking and Talking with Jesus One Day at a Time Pauline Romano,2020-03-10 I have always loved writing poetry and I have always written poems for my family and friends for different special occasions in a rhyming format But ever since I was baptized and became a Christian I felt this urge in my heart to put into words how good it makes me feel as I talk with Jesus every day I read my Bible every day and I love the New Testament I always read a small booklet called Our Daily Bread which has scriptures and a short one page story for each day of the month I was inspired by this little book I really enjoy reading it I m hoping my book will make it easier for the working people to get in a little time to talk to our Lord and Savior every day On their way to work they ride the bus or if they carpool or maybe even during their lunchbreak I also hope to reach retired people who might be at home alone and might find some comfort by reading my book It might also help them learn where a few passages are in the Bible **One Day at a Time** Susie McRae,2014-10-21 If you have picked up this book if you are reading these words you have walked into a divine appointment From cover to cover these writings will accompany you through the day When the hours ahead hold smiles and laughter the goodness of God is clear But what do you do with the pain you didnt see coming or the loss you were not prepared to face The heart of God is rich with love He cares about everything concerning you Snuggled into the center of the Bible is the book of Psalms You will find great joy and deep sorrow reflected in the beauty of these scriptures By examining three translations of the word of God you will gain insight into the Fathers heart Tomorrow is not promised however be confident that the God of mercy and grace walks with you one day at a time **Write Your Novel One Day at a Time** J. Sloan, 2011-08-17 One Day at a Time is an inspirational story of David Sloan

s battle against MS This book is about using hope and attitude as weapons to fight through the mental gymnastics and roadblocks that MS created as Sloan s disease progressed It features a step by step description of searching for answers that resulted in finally finding a label for his disabling symptoms Sloan s life as a successful investment banker always in control gave way to learning that health and family were much more important than money and power when he finally retired on long term disability His journey included traveling alone to Brazil where he spent time with a spiritual healer This experience strengthened Sloan s resolve to never give up and use attitude to his advantage Whoever he knows or meets has never met anyone with a stronger positive attitude One can only understand his strength by learning about a similar battle with MS fought by Sloan s mom who spent thirteen years in a nursing home yet never complained **One Day At A Time** Ginger Faith Bivins,2025-01-16 Life can be challenging even in the simplest of times But in a world where life itself is threatened the complications are overwhelming and exhausting The story within this book tells how our family found the only way to survive was to lean on God while taking one day at a time The promise of healing was never given to us and indeed was never truly expected The diagnosis was clear and offered little hope only a 20 percent chance to live to age five The guidance of our God and the prayers of so many were the only hope we had for a miracle and even that was never truly promised We would find that as we looked back over the years we could see God s hand at work on our behalf long before we even knew we needed help We learned to take one step at a time as we walked through life one day at a time One Day at a Time Sadie Thatcher, Macy Young has been trapped in a time loop living the same day over and over again until she breaks it Or at least she thought she broke it It turns out her situation is far more complicated than she had ever imagined Still the only one who experiences the time anomaly Macy must learn to navigate her new reality figuring out what steps she must take to simply wake up and for it be tomorrow She must put all the pieces together learning what behaviors are necessary and which which ones are not allowed if she wishes to advance to the next day Otherwise she will once again find herself repeating the same day again What will Macy discover How many more loops must she experience before figuring out the truth Is there any way for Macy to save herself without changing who she is inside Find out in One Day at a Time This novel is a bimbo transformation story It is the second book in the Quantum Bimbo Series This series features a long term transformation with the full transformation taking place over the entire series This book begins immediately after the previous book and features significantly more bimbo transformation and activities Straight Up Hope Sheila Andrien,2008-07-18 This is a book of overcoming grace and peace through Jesus when the cards seem stacked against you When people seem mean and you have given up on being happy that would be the time to read this book We all get discouraged and the points I want to make in this book are that crabby and miserable are choices You have to decide if you want to experience life or just exist Deuteronomy is an excellent example of this After 40 years of wandering and grumbling Moses asked his people do you want to enter the Promised Land or do you want to stay in the wilderness He said I am a dying man I am imploring you to look to

God and get it right This would be what I am trying to achieve through this book I want you to know that I understand grumbling complaining and hopelessness I also understand freedom in Christ and want to offer it to you James 1 2 4 Consider it pure joy my brothers whenever you face trials of many kinds because you know that the testing of your faith develops perseverance Perseverance must finish its work so that you may be mature and complete not lacking anything **Catalog of Copyright Entries** Library of Congress.
