Holding Onto Air Michele DeMarco, PhD, Michele

DeMarco,2024-01-09 A top mental health writer trauma researcher and survivor illuminates the dual nature of loss the science behind it and art of transforming it with a breakthrough book and truly holistic approach After experiencing two rare heart attacks at the age of 33 and a third a decade later DeMarco knows trauma intimately Trauma breaks your relationship with time by upending your expectations fracturing your memories and identity and destroying your innocence With poignant wisdom and refreshing insight DeMarco explodes traditional myths of resilience and shows what it takes to thrive through any of life s challenges DeMarco situates meaningful challenge and loss specifically in the context of lost innocence and challenges common notions that we can think our way out of despair and back to a normal happy life when the unimaginable shatters it Leveraging advances in emotion science somatic psychology neuroscience and trauma Holding Onto Air brings the body and spirit into the solution as much as the mind and so presents a truly integrated whole person approach to recovering from lost innocence and building resilience It also makes spirit accessible for anyone of any background or belief or no aligned belief More than a rudimentary map for navigating grief and loss rocky terrain with tired tropes and shop worn strategies DeMarco offers a unique and trusted guide for an arduous journey every human being will have to face the realization of evil pain or mortality that occurs after a person experiences trauma

The War Within - Between Good and Evil Bhimeswara Challa, The human has always prided himself as an exceptional moral species but has always been haunted by two questions Why am I not good when I want to be why do I do bad when I don t want to This is at the heart of what scriptures and sages have long alluded to as the eternal internal struggle between good and evil that wages in the human consciousness The book posits that much of our confusion and angst stems from our inability to recognize the ramifications of this war between two sides of our own self It is because we are ignoring this war between two sides of our own self It is because we are ignoring this war that we are losing all other wars of the world That ignorance is the primary source of all the horrors malevolence and violence that fill us with so much dread But a favorable outcome is possible only if the forces of goodness are aided to get an upper hand consistently and that calls for two cathartic changes consciousness change by inducing a turn from the mind to the heart and contextual change by radically reconstructing the roles of morality money and mortality in our everyday lives The book offers a menu of insights and options we all can use to tilt the scales in the war waging inside each of us

Acorns: Windows High-Tide Foghat Joshua Morris,2013-01-23 Acorns delineates the future of humanity as a reunification of intellect with the Deep Self Having chosen to focus upon ego established securely by the time of Christ much more beta brain wave development will destroy our species and others which process has already begun We create our own realities through beliefs intents and desires and we were in and out of probabilities constantly Feelings follow beliefs not the other way around
