Daddy Issues Camisha Broussard, 2022-02-03 Camisha Broussard's author debut *Daddy Issues* offers a sometimes amusing, all the time hopeful and eventual loving look at a dysfunctional parent-child relationship through the eyes of a fatherless daughter. Taking an atypical approach to the normal daughterless perspective, Camisha forces herself to reflect on the good things about her alcoholic father, humanizing him to the point of being more empathetic of the man he was rather than remorseful of his shortcomings as the dad she wished him to be. From troubled teen to college professor, wife and mother of four, Camisha's approach to the average fatherless daughter relationship is anything but stereotypical and is a profoundly holistic look at real life with real people who have real problems. From colorism to alcoholism, *Daddy Issues* promises readers a rollercoaster ride filled with every emotion imaginable, reaching a final destination of forgiveness, hope and finally love.

Parentless Parents Allison Gilbert, 2011-02-15 *Parentless Parents* is the first book to show how the absence of grandparents impacts everything about the way mothers and fathers raise their children, from everyday parenting decisions to the relationships they have with their spouses and in-laws. For the first time in U.S. history, as the average age of women giving birth has increased significantly, millions of children are at risk of having fewer years with their grandparents than ever before. How has this substantial shift affected parents and kids? Journalist, award-winning television producer and parentless parent Allison Gilbert has polled and studied more than 1,300 parentless parents from across the United States and a dozen other countries to find out. Through her pioneering research, Gilbert not only shares her own story and the significant and poignant effect that this trend has had on her and hundreds of other families, but also the myriad ways these mothers and fathers have learned to keep the memory of their parents alive for their children and to find the support and understanding they need.

The Secret Life of an Anorexic Kristen Noel, 2012-06 In *The Secret Life of an Anorexic*, Kristen, the author of this memoir, shares her remarkably evocative, honest and empowering story about her discovery and constant battle with Anorexia. She takes you through the early years of her life and the experiences that contributed to her illness. With the prodding of her friends, she decides to go to her university's counseling services to be evaluated. Even though doctors diagnose her with anorexia, she doesn't accept the reality. When she finally admits to herself that she has a problem, she spends the next couple of years on a heart-wrenching journey to pull away from the grips of this nasty illness. In this epic novel about strength, loving yourself and overcoming your past, Kristen shows the world that she and anyone else with this illness has the power to overcome it.
