Justice Through Clinical Practice is a comprehensive volume that bridges the gap between the psychosocial realities of clients and the dominant clinical practices. It offers an array of conceptual and practical innovations to address both individual suffering and social inequities fueling this suffering. This is an empowering tool and a must read for mental health professionals. The accessible writing style also makes it ideal for teachers and students in the field. The book opens with a discussion of the historical ethical and experiential foundations for the development of social justice based practice. Parts II and III present conceptual frameworks, strategies and techniques used by social justice oriented practitioners. The final section discusses various ways to develop the skills and competencies required of mental health professionals aspiring to be both agents of individual and social transformation. Filled with hope, critical analysis and uncommon clinical wisdom, this is a book like no other in the field.

A Pragmatic Guide to Low Intensity Psychological Therapy Elizabeth Ruth, James Spiers, 2023-05-17. With the rapidly growing demand for mental health care, there is a need for efficient and effective psychological treatment options. Low Intensity Psychological Therapy has become well established in the UK. Improving Access to Psychological Therapies (IAPT) programme as a beneficial and versatile treatment option for mild/moderate symptoms of depression and anxiety. *A Pragmatic Guide to Low Intensity Psychological Therapy: Care in High Volume* provides a guide to Low Intensity Psychological Therapy from the perspective of the Low Intensity Practitioner. This book describes the Low Intensity role as part of a multi-disciplinary approach to psychological care. The authors use a series of case vignettes, personal experience and current literature to help navigate the context of the role and its potential for ethical and safe expansion. Offers a practitioner perspective on the efficacy research of Low Intensity psychological interventions in adult populations with a focus on working with diversity. Aims to support Low Intensity Practitioners in developing competency within the role with a focus on reflective practice, supervision and personal wellbeing. Includes case vignettes and examples to explore the real world implementation of Low Intensity interventions in group and individual settings, including the management of long term physical health conditions. Explores the benefits and pitfalls of the current role of the Low Intensity psychological practitioner within the IAPT programme. Discusses the expansion of the Low Intensity psychological practice to international regions.
