Time to Defeat the Devil Chuck D. Pierce,2011 Times are changing and we must stay in God s timing to prosper in a world where the god of this age is attempting to mold you into the blueprint of the day and cause you to look like the world around you God has called His people to have transformed minds and to be linked to the Head not to bring up the rear in producing the changes around us When we are at the right place at the right time we can break out of confusing mind altering powers that war against God and all the blessings He is ready to pour upon us The author is writing this book to help us understand how to enter a new level of freedom and victory This book is like a war manual that will help you stay free from the enemy s vexing power as you journey through life This installment of the Time trilogy will teach you how to war in

time Your battles are now God reconciles our past so that our now opens up to our future Your defeats in a former season will now become the victories and triumphs for your future *Infinity* Craig Beck,2017-01-09 Birth and death are the only two events that we all share One is remembered and acknowledged every year and is considered a joyful celebration to enjoy The other we bury deep in our subconscious and never talk of it We don't just forget that we are going to die but rather most of us spend a lifetime passively terrified by the mere thought of it Death is coming to us all and it doesn't care how much money or status you have As the saying goes nobody is getting out of this alive so if you want to ever be truly at peace in this lifetime the first and most important step is to accept your eventual death as readily as you do your birth Western society has stuck its head in the sand and prefers the universal pretense that death really doesn't exist it is just something that happens to other people Our every dealing with it is sanitized We don't even like to talk about people dying instead we dilute it by referring to it as passing on etc We don't talk about it and we don't accept it because for most people the thought of the end is our biggest and most horrific fear In this profound and life shifting book new thought author Craig Beck takes on this most taboo of subjects He shows you why you have nothing to be afraid of and how you can find peace in the knowledge and acceptance of death Not just of those who you share your life with but also the thought of ultimately your own death Discover The power of now living in the moment Limitless mindset and potential The reassurances revealed by palliative care nurses Peace and happiness beyond your dreams Healing rifts and problem relationships Living life to your full potential The peace revealed by Near Death Experiences Understanding and coping with death and grief While many people will avoid this book due entirely to the subject matter Those who are brave enough to take the journey will discover a whole new level of peace purpose and happiness [www.CraigBeck.com](http://www.CraigBeck.com)
