OVERCOMING ADDICTIONS DAVID SANDUA,2024-12-12 Addictions are invisible prisons that trap the mind and body creating a cycle of dependency and suffering This book not only explores chemical and behavioral addictions but also provides practical tools for overcoming them Through strategies such as Cognitive Behavioral Therapy CBT Mindfulness and self reflection it encourages readers to take control of their lives and transform compulsive patterns into conscious and meaningful actions Delving into how dopamine and neurological mechanisms reinforce these behaviors it also explains how they can be reversed With a holistic approach including family community and professional support each chapter guides the reader toward recovery addressing topics such as stress relapses and social stigma It s a call to action to abandon self judgment build resilience and find renewed purpose breaking free from the chains of addiction Overcoming Addictions Anthony Ekanem,2016-08-08 When you are suffering from an addiction it can feel like your entire life is out of control and you have no power to stop yourself from using again and again When you are addicted to something it can also feel like you re completely alone and have nowhere to turn These are all common mindsets for someone who has an addiction to any substance whether that is food cigarettes or other tobacco products alcohol prescription or illegal drugs and even sex But neither are you alone in your addiction nor do you have to be a slave to addiction for the rest of your life That s exactly why this book exists It is very easy to feel like you are the only one who is experiencing your particular addiction or the level of addiction you re experiencing but the truth is there are millions of others who experience exactly the same things that you do That s because addiction affects more than 10% of the United States population That means if you were to get on a typical city bus there are probably two or three people on that bus besides you that are suffering from some kind of addiction Don t fool yourself either having a food addiction or being unable to quit drinking alcohol is the same as an addiction to a drug or any other substance Addiction is addiction no matter what the substances **Overcoming Addictions** Deepak Chopra, M.D.,1998-03-24 Praise for Deepak Chopra M D A new medicine is in the making one in which mind consciousness meaning and intelligence play key roles One of the architects of the new medicine is Dr Chopra a credentialed respected physician who has paid his dues as a modern doctor Larry Dossey M D author of Healing Words Deepak Chopra is being hailed as a modern day Hippocrates for his novel approach of combining ancient healing traditions with modern research Irv Kupcinet Chicago Sun Times We can t help wishing he lived close enough to make house calls Judith Hooper New York Times Book Review Dr Chopra s writing has great beauty great power great delight and much common sense Courtney Johnson author of Henry James and the Evolution of Consciousness Dr Chopra presents us with information that can help us live long healthy lives Bernie Siegel M D author of Love Medicine and Miracles Overcoming Addictions: A Guide to Breaking Free Pasquale De Marco,2025-05-04 Overcoming Addictions A Guide to Breaking Free provides a comprehensive and evidence based approach to overcoming addiction This book will help you understand the nature of addiction identify your triggers and

**OVERCOME ADDICTION AND SIN** Richard Lehman,2023-02-28 A Christian based 12 step process helps us to overcome addiction by attaching to the faithful love of the Savior enabling healthy relationships with other people And so a missionary Richard Lehman looks at the 12 step process and prayerfully applies the wisdom of the scriptures to it And in doing so he has also found this process helpful in providing insights into how to work with different individuals to bring them to Christ Richard spends much time training hundreds of other ministers And in addition to helping those addicted this 12 step process has become a key resource for training gospel workers who help those that are addicted Experience has proved that everyone wrestles with deep hurts of some kind There is a deep empty hole in the heart of the soul and it must be filled somehow How we fill that hole or comfort ourselves within that empty space will determine what sin we become addicted to

It is sin someone else's or ours that ultimately first creates a void in the heart of the individual Unfaithfulness is the sin of betrayal Someone trusted another with their heart and then that same person broke their heart It happens to children in their relationship with their parents or relatives or trusted others It happens often within many marriage relationships And it happens within everyone's life at some point by how their own sin betrays the faithful love of the Savior And so people go through life hiding the pain of betrayal Instead of seeking for healing through a loving Savior they resort to other things And in doing so they become addicted to some substance some sin or both And they often don't know where to start to find a way out This book seeks to help them not only start down the right path but to also find complete healing through the love of our Lord Jesus Christ So throughout this 12 step process you will see that the book is addressed to two audiences at the same time Those who need help over addictions and those that are trying to help them And there is an important reason for this Because people who need help to overcome addictions need to completely trust those that are working with them And so if you are using this process to help them these people also want transparency and understanding as to what they are being asked to do and why There can be no hidden agendas in helping people Jesus came so that relationships can be healed He also sent the comforter of the Holy Spirit so that every pain that sinful mankind could bring against us could still be comforted and healed in this life If ye love me keep my commandments And I will pray the Father and he shall give you another Comforter that he may abide with you for ever Even the Spirit of truth whom the world cannot receive because it seeth him not neither knoweth him but ye know him for he dwelleth with you and shall be in you I will not leave you comfortless I will come to you John 14 15 18
