Overcoming Prison And Addiction:

The Fellas Charles M. Terry, 2003 An engaging writer Chuck Terry presents this powerful study on the tremendous obstacles that drug addicts drifting in and out of prison must overcome in order to get clean and make it in society Thoroughly researched and based on sound theory this text covers how societal reaction to drugs and addiction shape criminal policy and behavior Terry's powerful voice as a writer brings each of the fellas to life as he tells their story on how they became addicts and documents their on going struggle with addiction both in and out of prison Terry follows the story of the fellas as they beat the odds get clean and try to make a better life for themselves And he tells the somber story of those who are not able to overcome the obstacles of drugs and prison Battleground: Criminal Justice Gregg Barak, 2007-10-30 There are many controversial aspects of our criminal justice system and this encyclopedia examines the most significant controversies throughout American history with emphasis on current debates trends and issues Arranged alphabetically approximately 100 entries cover background explanations notable cases and events various sides of an issue and what to expect in the future Entries are objective and factual allowing readers to formulate their own conclusions Sidebars and case examples help to illustrate each entry and sources for further reading point readers to other important materials Given the prevalance of controversial criminal justice topics in the news this timely reference is an important resource for anyone interested in crime and justice Entries include Boot Camps Corporal Punishment DNA Evidence Domestic Violence Expert Testimony Eye Witness Identifications Gun Control Homeland Security International Criminal Court Legalization of Marijuana Mental Health and Insanity Police Brutality Prison Violence Racial Profiling School Violence Sex Offender Laws Stalking Laws Supermax Prisons Three Strikes Treating Juveniles as Adults War on Drugs and more Incarceration and the Family Joyce A. Arditti, 2014-05-22 Winner of the 2014 Outstanding Book Award presented by the Academy of Criminal Justice Sciences Over 2% of U S children under the age of 18 more than 1 700 000 children have a parent in prison These children experience very real disadvantages when compared to their peers they tend to experience lower levels of educational success social exclusion and even a higher likelihood of their own future incarceration Meanwhile their new caregivers have to adjust to their new responsibilities as their lives change overnight and the incarcerated parents are cut off from their children's development Parental Incarceration and the Family brings a family perspective to our understanding of what it means to have so many of our nation s parents in prison Drawing from the field s most recent research and the author's own fieldwork Joyce Arditti offers an in depth look at how incarceration affects entire families offender parents children and care givers Through the use of exemplars anecdotes and reflections Joyce Arditti puts a human face on the mass of humanity behind bars as well as those family members who are affected by a parent s imprisonment In focusing on offenders as parents a radically different social policy agenda emerges one that calls for real reform and that responds to the collective vulnerabilities of the incarcerated and their kin The Angola Prison Seminary Michael

Hallett, Joshua Hays, Byron R. Johnson, Sung Joon Jang, Grant Duwe, 2016-08-05 Corrections officials faced with rising populations and shrinking budgets have increasingly welcomed faith based providers offering services at no cost to help meet the needs of inmates Drawing from three years of on site research this book utilizes survey analysis along with life history interviews of inmates and staff to explore the history purpose and functioning of the Inmate Minister program at Louisiana State Penitentiary aka Angola America's largest maximum security prison This book takes seriously attributions from inmates that faith is helpful for surviving prison and explores the implications of religious programming for an American corrections system in crisis featuring high recidivism dehumanizing violence and often draconian punishments A first of its kind prototype in a quickly expanding policy arena Angola s unique Inmate Minister program deploys trained graduates of the New Orleans Baptist Theological Seminary in bi vocational pastoral service roles throughout the prison Inmates lead their own congregations and serve in lay ministry capacities in hospice cell block visitation delivery of familial death notifications to fellow inmates sidewalk counseling and tier ministry officiating inmate funerals and delivering care packages to indigent prisoners Life history interviews uncover deep level change in self identity corresponding with a growing body of research on identity change and religiously motivated desistance. The concluding chapter addresses concerns regarding the First Amendment the dysfunctional state of U S corrections and directions for future research **Prisoners on Criminology** William S. Tregea, 2014-06-25 Drawing on thirty years of prison college courses and volunteer classes in eleven Michigan and California prisons Prisoners on Criminology Convict Life Stories and Crime Prevention makes criminology theories come alive through the use of the prisoners voices The book features policy background and textbook like chapters that review major criminological theories and present prisoner essays that apply criminology insights to the prisoners lives Each chapter has helpful exercises and discussion and review questions for classroom use Introductory informational chapters present an historical review of how the United States came to have the world's largest prison system A chapter on prisoners educational background presents information from prisoner surveys and the author's extensive background in postsecondary correctional education Over eighty prisoner essays show how prisoners connect criminology theories to their lives growing up with insights on individual family and community levels of crime causation A chapter on social structure social process and alternative criminologies is followed by additional information on in prison criminological issues with several prisoner essays The conclusion emphasizes the main argument of the book that the jobless ghetto is a major reason for much of the criminality now in the large correctional apparatus of the United States Prisoners on Criminology will be of great value to scholars and students interested in criminology social deviance sociology urban studies political science anthropology counseling and social work The Prisoners' World William S. Tregea, Marjorie S. Larmour, 2009-03-16 Drawing on twenty five years of teaching prison college and volunteer classes in eleven Michigan and California prisons The Prisoners World strives to make the prisoners voice come alive for regular college students The book starts off by tracing shifts in social

definitions of criminality and lays out the premises of the U S incarceration binge in the 1986 War on Drugs laws and subsequent mandatory sentencing and policing Later chapters discuss issues such as leaving home cell life correctional officers and treatment the homosexual prisoner and drugs Furthermore the book discusses the teachers experiences via author narrative essays that draw the reader into prisoner student and prisoner teacher interaction and what it is like inside prison college classes where both young and older black prisoner students describe growing up in the inner cities The book also draws upon over sixty prisoner essays that provide insight on prisoner life and self concept with insights on pathways to prison drug selling the inner city and guns There is also a strong focus on the inside experiences of entering prison and orientation daily work routine correctional officers and surreptitious activities like cell cooking and contraband These essays are capped by prisoner critiques of prison life from those still in the system The Prisoners World serves as a successful supplemental book whose material has proven useful in undergraduate criminal justice classes As college students themselves on campus students in these classes will identify with the prisoner student voices who share their experiences but in a radically different environment Handbook of Social Sciences and Global Public Health Pranee Liamputtong, 2023-09-09 This handbook highlights the relevance of the social sciences in global public health and their significantly crucial role in the explanation of health and illness in different population groups the improvement of health and the prevention of illnesses around the world Knowledge generated via social science theories and research methodologies allows healthcare providers policy makers and politicians to understand and appreciate the lived experience of their people and to provide sensitive health and social care to them at a time of most need Social sciences such as medical sociology medical anthropology social psychology and public health are the disciplines that examine the sociocultural causes and consequences of health and illness It is evident that biomedicine cannot be the only answer to improving the health of people What makes social sciences important in global public health is the critical role social cultural economic and political factors play in determining or influencing the health of individuals communities and the larger society and nation This handbook is comprehensive in its nature and contents which range from a more disciplinary based approach and theoretical and methodological frameworks to different aspects of global public health It covers Discussions of the social science disciplines and their essence concepts and theories relating to global public health Theoretical frameworks in social sciences that can be used to explain health and illness in populations Methodological inquiries that social science researchers can use to examine global public health issues and understand social issues relating to health in different population groups and regions Examples of social science research in global public health areas and concerns as well as population groups The Handbook of Social Sciences and Global Public Health is a useful reference for students researchers lecturers practitioners and policymakers in global health public health and social science disciplines and libraries in universities and health and social care institutions It offers readers a good understanding of the issues that can impact the health and well being of people in

society which may lead to culturally sensitive health and social care for people that ultimately will lead to a more equitable society worldwide The Handbook of Drugs and Society Henry H. Brownstein, 2015-12-14 This handbook provides a comprehensive examination of the past and present roles of drugs in society with a focus on theory research policy and practice Includes 28 original chapters with multi disciplinary and international perspectives by top social and behavioral scientists Reviews current knowledge in the field including key research findings theoretical developments and methodological debates Identifies ongoing controversies in the field emergent topics and areas in need of further inquiry Discusses individual drugs as well as topics like physiological theories of drug use and abuse public health implications of drugs patterns of drugs and crime international drug trade and trafficking and designer drugs Donna Selman, Paul Leighton, 2010-01-16 Punishment for Sale is the definitive modern history of private prisons told through social economic and political frames The authors explore the origin of the ideas of modern privatization the establishment of private prisons and the efforts to keep expanding in the face of problems and bad publicity. The book provides a balanced telling of the story of private prisons and the resistance they engendered within the context of criminology and it is intended for supplemental use in undergraduate and graduate courses in criminology social problems and race ethnicity Punishment and the Pursuit of Security D. Drake, 2012-07-25 Drawing on research in men s long term maximum security prisons this book examines three interconnected problems the tendency of the prison to obscure other social problems and conceal its own failings the pursuit of greater levels of human security through repressive and violent means and the persistence of the belief in the problem of evil Fifty Key Thinkers in Criminology Keith Hayward, Shadd Maruna, Jayne Mooney, 2009-12-04 Fifty Key Thinkers in Criminology brings the history of criminological thought alive through a collection of fascinating life stories The book covers a range of historical and contemporary thinkers from around the world offering a stimulating combination of biographical fact with historical and cultural context A rich mix of life and times detail and theoretical reflection is designed to generate further discussion on some of the key contributions that have shaped the field of criminology Featured profiles include Cesare Beccaria Nils Christie Albert Cohen Carol Smart W E B DuBois John Braithwaite Fifty Key Thinkers in Criminology is an accessible and informative guide that includes helpful cross referencing and suggestions for further reading It is of value to all students of criminology and of interest to those in related disciplines **Encyclopedia of Prisons and Correctional Facilities** Mary such as sociology and criminal justice Bosworth, 2004-12-15 Click Additional Materials for downloadable samples The two volume Encyclopedia of Prisons and Correctional Facilities aims to provide a critical overview of penal institutions within a historical and contemporary framework The United States has the highest incarceration rate in the world a fact that has caused lawmakers advocates and legal professionals to rethink punishment policies as well as develop new policies on prisoner education and rehabilitation Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation

Mitchell Miller, Richard A. Wright, 2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field's multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the **Encyclopedia of Criminological Theory** Francis T. Cullen, Pamela broad expanse of this multidisciplinary field Wilcox, 2010-09-23 Consistently excellent The level and coverage of the content make this an invaluable reference for students studying criminology or taking criminal psychology modules at degree level and beyond Adam Tocock Reference Reviews In discussing a criminology topic lecturers and course textbooks often toss out names of theorists or make a sideways reference to a particular theory and move on as if assuming their student audience possesses the necessary background to appreciate and integrate the reference However university reference librarians can tell you this is often far from the case Students often approach them seeking a source to provide a quick overview of a particular theory or theorist with just the basics the who what where how and why if you will And reference librarians often find it difficult to guide these students to a quick one stop source In response SAGE Reference is publishing the two volume Encyclopedia of Criminological Theory available in both print and electronic formats This serves as a reference source for anyone interested in the roots of

contemporary criminological theory Drawing together a team of international scholars it examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses In addition to interpretations of long established theories it also offers essays on cutting edge research as one might find in a handbook And like an unabridged dictionary it provides concise to the point definitions of key concepts ideas schools and figures Coverage will include contexts and concepts in criminological theory the social construction of crime policy implications of theory diversity and intercultural contexts conflict theory rational choice theories conservative After Crime and Punishment Shadd Maruna, Russ Immarigeon, 2013-01-11 The issue of criminology feminist theory resettling ex prisoners and ex offenders into the community has become an increasingly important one on both sides of the Atlantic In the USA the former Attorney General Janet Reno identified the issue as one of the most pressing problems we face as a nation in view of the massive prison population and the rapid increase in rates of incarceration while in the UK it has become an increasingly important issue for similar reasons and the subject of recent reports by HM Inspectorate of Prisons and HM Inspectorate of Probation as well as from the Social Exclusion Unit of the Home Office Yet this issue has not been well served by the criminological literature and the new policies and programmes that have been set up to address the problem have not been well grounded in criminological thinking This book seeks to address the important set of issues involved by bringing together the best of recent thinking and research into desistance from crime drawing upon research in both the UK and the USA and with a distinct focus on how this might impact upon the design and implementation of ex offender reintegration policy The SAGE Dictionary of Criminology Eugene McLaughlin, John Muncie, 2012-11-30 Now in its third edition this bestselling reference text has established itself as the authoritative source covering the key concepts theories and methods in criminology and criminal justice Edited by two of the leading figures in the field the book is Comprehensive with now over 300 entries the third edition has been updated to include new entries and an expanded editorial introduction Definitive concepts are precisely defined so students have a clear understanding of the history and development of each topic and debate Student focused each entry maps connections across various fields and issues and includes further reading to extend students knowledge throughout their studies International contributions from internationally renowned academics and practitioners ensure that this book is global and comparative throughout This wide ranging reference and research tool will be an essential companion for students and academics within criminology criminal justice and legal studies and related fields including sociology social policy psychology and cultural studies Routledae Handbook of Critical Criminology Walter S. DeKeseredy, Molly Dragiewicz, 2018-04-09 The main objective of the second edition of the Routledge Handbook of Critical Criminology is twofold 1 to provide original chapters that cover contemporary critical criminological theoretical offerings generated over the past five years and 2 to provide chapters on important new substantive topics that are currently being studied and theorized by progressive criminologists Special attention is devoted to new theoretical directions in the field such as southern criminology queer criminology and green criminology. The diverse chapters cover not only cutting edge theories but also the variety of research methods used by leading scholars in the field and the rich data generated by their rigorous empirical work In addition some of the chapters suggest innovative and realistic short and long term policy proposals that are typically ignored by mainstream criminology These progressive strategies address some of the most pressing social problems facing contemporary society today which generate much pain and suffering for socially and economically disenfranchised people The new edition of the Handbook is a major work in redefining areas within the context of international multidisciplinary critical research and in highlighting emerging areas such as human trafficking Internet pornography and image based sexual abuse It is specifically designed to be a comprehensive resource for undergraduate and postgraduate students researchers and policymakers The Ex-Prisoner's Dilemma Andrea M. Leverentz, 2014-03-20 When a woman leaves prison she enters a world of competing messages and conflicting advice Staff from prison friends family members workers at halfway houses and treatment programs all have something to say about who she is who she should be and what she should do The Ex Prisoner's Dilemma offers an in depth firsthand look at how the former prisoner manages messages about returning to the community Over the course of a year Andrea Leverentz conducted repeated interviews with forty nine women as they adjusted to life outside of prison and worked to construct new ideas of themselves as former prisoners and as mothers daughters sisters romantic partners friends students and workers Listening to these women along with their family members friends and co workers Leverentz pieces together the narratives they have created to explain their past records and guide their future behavior She traces where these narratives came from and how they were shaped by factors such as gender race maternal status age and experiences in prison halfway houses and twelve step programs factors that in turn shaped the women s expectations for themselves and others expectations of them The women's stories form a powerful picture of the complex complicated human experience behind dry statistics and policy statements regarding prisoner reentry into society for women how the experience is different for men and the influence society plays With its unique view of how society s mixed messages play out in ex prisoners lived realities The Ex Prisoner's Dilemma shows the complexity of these women's experiences within the broad context of the war on drugs and mass incarceration in America It offers invaluable lessons for helping such women successfully rejoin society

<u>Charting Women's Journeys</u> Judith Grant,2008-01-01 Charting Women's Journeys is about the meaning of addiction and recovery in the lives of twenty five Appalachian women who have been practicing abstinence from the use of alcohol and or drugs for eighteen months or more in a small rural community in the United States The empirical focus is on the ways in which these women's lives have been transformed through the processes of addiction to and abstinence from these substances

21st Century Criminology: A Reference Handbook J. Mitchell Miller,2009-08-06 Criminology has experienced tremendous growth over the last few decades evident in part by the widespread popularity and increased

enrollment in criminology and criminal justice departments at the undergraduate and graduate levels across the U S and internationally Evolutionary paradigmatic shift has accompanied this surge in definitional disciplinary and pragmatic terms Though long identified as a leading sociological specialty area criminology has emerged as a stand alone discipline in its own right one that continues to grow and is clearly here to stay Criminology today remains inherently theoretical but is also far more applied in focus and thus more connected to the academic and practitioner concerns of criminal justice and related professional service fields Contemporary criminology is also increasingly interdisciplinary and thus features a broad variety of ideological orientations to and perspectives on the causes effects and responses to crime 21st Century Criminology A Reference Handbook provides straightforward and definitive overviews of 100 key topics comprising traditional criminology and its modern outgrowths The individual chapters have been designed to serve as a first look reference source for most criminological inquires Both connected to the sociological origins of criminology i e theory and research methods and the justice systems response to crime and related social problems as well as coverage of major crime types this two volume set offers a comprehensive overview of the current state of criminology From student term papers and masters theses to researchers commencing literature reviews 21st Century Criminology is a ready source from which to guickly access authoritative knowledge on a range of key issues and topics central to contemporary criminology. This two volume set in the SAGE 21st Century Reference Series is intended to provide undergraduate majors with an authoritative reference source that will serve their research needs with more detailed information than encyclopedia entries but not so much jargon detail or density as a journal article or research handbook chapter 100 entries or mini chapters highlight the most important topics issues questions and debates any student obtaining a degree in this field ought to have mastered for effectiveness in the 21st century Curricular driven chapters provide students with initial footholds on topics of interest in researching term papers in preparing for GREs in consulting to determine directions to take in pursuing a senior thesis graduate degree career etc Comprehensive in coverage major sections include The Discipline of Criminology Correlates of Crime Theories of Crime Justice Measurement Research Types of Crime and Crime the Justice System The contributor group is comprised of well known figures and emerging young scholars who provide authoritative overviews coupled with insightful discussion that will quickly familiarize researchers students and general readers alike with fundamental and detailed information for each topic Uniform chapter structure makes it easy for students to locate key information with most chapters following a format of Introduction Theory Methods Applications Comparison Future Directions Summary Bibliography Suggestions for Further Reading and Cross References Availability in print and electronic formats provides students with convenient easy access wherever they may be
