FASTI

BOOK IV

EDITED BY ELAINE FANTHAM

Ovid Bk Iv Fasti

Christian G. Meyer

Ovid Bk Iv Fasti:

Fasti Ovid, 1998-05-21 Book IV of the *Fasti* Ovid's celebration of the Roman calendar and its associated legends is the book of April and honours the festivals of Venus Cybele Ceres and their cult as well as the traditional date of the foundation of Rome and many religious and civic anniversaries Elaine Fantham accompanies her commentary with a revised text and an extended introduction Besides including surveys of language style versification and textual transmission the introduction looks at the shifting generic traditions of Greek and Roman elegy and situates Ovid's composite poem in its Augustan literary and historical context Other sections explain the recurring religious astronomical and dynastic material of the *Fasti* It has been a particular concern to relate features of Book IV to the other books of the *Fasti* and to Ovid's other elegiac works and the *Metamorphoses*

A Commentary on Ovid's Fasti, Book 6 R. Joy Littlewood, 2006-06-29 After a period of neglect Ovid's elegiac poem on the Roman calendar has been the focus of much recent scholarship In her comprehensive and scholarly study of the final book Joy Littlewood analyses Ovid's account of the origins of the festivals of June demonstrating that Book 6 is effectively a commemoration of Roman War and elegantly provides a framing bracket to balance the opening celebration of Peace in Book 1 She explores the subtle interweaving of *pietas* and *virtus* in Roman religion and its relationship to Augustan ideology the depth and accuracy of Ovid's antiquarianism and his audacious expansion of generic boundaries

Ambiguity and Religion in Ovid's Fasti Darja Šterbenc Erker, 2023-03-20 Ovid's *Fasti* offers multifocal views of Augustan religion to convey ambivalences inconsistencies and paradoxes in the imperial family's religious agenda Darja Šterbenc Erker explores Ovid's irreverent and ambiguous presentations of calendrical aetiologies deifications and imperial gods that humorously call to mind Arachne's tapestry depicting faulty gods and that stand in sharp contrast to the poet's more serious discussions of the values he cherishes such as freedom and poetic immortality Especially in the exilic revisions of the poem Ovid emphasises the motif of bestowing divine honours upon mortals through poetry For him the stars in the heavens do not represent deified statesmen but immortal authors

Time and Space in Ancient Myth, Religion and Culture SNF-Projekt, Menelaos Christopoulos, Athina Papachrysostomou, 2017-10-10 From Homer to Sophocles and Greek Middle Comedy and from Plato and Protagoras to Ovid this volume features a panoramic and cross-generic overview of the diverse handling and ad hoc elaboration of the overarching literary notions of time and space The twenty-one contributions of this volume written by an international group of esteemed scholars provide an equal number of hermeneutic approaches to individual distinct aspects of Greek and Latin literature The volume is purposely designed not as a linear display of knowledge but rather as an anthology of select paradigms that aim to demonstrate the multidimensional function and multifaceted role of the twin notions of time and space throughout ancient Greek and Latin literary texts The volume opens with analyses of conspicuous cases from epic poetry proceeds with examples from drama tragedy and comedy and concludes with diverse instances of chronotopes empirical imaginary and even shifting ones in various literary genres The

volume is of greatest relevance since it meets the cultural and theoretical trends of today's Classics. It therefore will attract not only the interest of specialised Classicists but it is also intended for a wider general readership. *The Bombay University Calendar* University of Bombay, 1867. *The Bombay university calendar* Bombay city, univ, 1869. Time in Ancient Stories of Origin Anke Walter, 2020-06-29. Greek and Roman stories of origin or aetia provide a fascinating window onto ancient conceptions of time. Aetia pervade ancient literature at all its stages and connect the past with the present by telling us which aspects of the past survive even now or ever since then. Yet while the standard aetiological formulae remain surprisingly stable over time, the understanding of time that lies behind stories of origin undergoes profound changes. By studying a broad range of texts and by closely examining select stories of origin from archaic Greece, Hellenistic Greece, Augustan Rome and early Christian literature, *Time in Ancient Stories of Origin* traces the changing forms of stories of origin and the underlying changing attitudes to time to the interaction of the time of gods and men to historical time to change and continuity as well as to a time beyond the present one. Walter provides a model of how to analyse the temporal construction of aetia by combining close attention to detail with a view towards the larger temporal agenda of each work. In the process, new insights are provided both into some of the best known aetiological works of antiquity, e.g. by Hesiod, Callimachus, Vergil, Ovid and lesser known works, e.g. Ephorus, Prudentius, Orosius. This volume shows that aetia do not merely convey factual information about the continuity of the past but implicate the present in ever new complex messages about time. Ovid's Metamorphoses. Books i to iii (iv, v) tr. by R. Mongan Publius Ovidius Naso, 1881. **A Commentary on Ovid's Metamorphoses** Alessandro Barchiesi, Phillip Hardie, 2024-02. The first complete commentary in English on Ovid's *Metamorphoses* covering textual interpretation, poetics, imagination and ideology. *The Oxford Handbook of Greek and Roman Mythography* R. Scott Smith, Stephen M. Trzaskoma, 2022. Offers the first comprehensive survey of mythographical impulses and output from the archaic period up to late antiquity with further essays tracing the influence of mythography into the western Medieval, Byzantine and Renaissance traditions. Features essays on the intersection of mythography and other intellectual pursuits including ancient art and education. Includes contributions from both established scholars and emerging voices. Book jacket. A Commentary on Ovid's Metamorphoses Gianpiero Rosati, 2024-02. The first complete commentary in English on Ovid's *Metamorphoses* covering textual interpretation, poetics, imagination and ideology.

Repeat Performances Laurel Fulkerson, Tim Stover, 2016-07-31. The uses and effects of repetition, imitation and appropriation in Latin epic poetry. **Poetic Language and Religion in Greece and Rome** J. Virgilio García, Ángel Ruiz, 2014-01-08. This volume contains twenty-five contributions adapted from papers presented at the International Conference on Poetic Language and Religion in Greece and Rome held at the University of Santiago de Compostela on 31st May 1st June 2012. The book fulfils two principal aims: to highlight the impulse and continuity of a research field that combines Indo-European and Classical Studies, which has generally been recognised for several decades as a very fruitful

collaboration and to provide the academic community with the current results of one of the most important topics of Classical Studies The first part of the book focuses on the Indo European tradition tracking its remnants particularly in the Classical languages The Indo European poetic tradition can be traced through linguistic reconstruction formulae onomastics and some scattered mentions in literary texts In the second part the focus is placed on the poetic language in Greece and Rome The rich and complex tradition of Classical literatures makes a clear cut description of the inherited or innovative aspects of the religious and literary development more problematical Ritual or cultic poetry onomastics phraseology paeans and hymns oracles as divine language and magic all receive deep and thorough treatment from a reliable ensemble of scholars

Uncovering Anna Perenna Gwynaeth McIntyre, Sarah McCallum, 2019-01-24 The figure of Anna Perenna embodies the complexity and richness of the Roman mythological tradition In exploring Anna Perenna the contributors apply different perspectives and critical methods to an array of compelling evidence drawn from central texts monuments coins and inscriptions that encapsulate Rome's shifting artistic and political landscape As a collection *Uncovering Anna Perenna* provides a unique examination that represents the interdisciplinary intersection between Roman literature history and culture The assembled chapters offer thought provoking and insightful discussions written by specialists in Roman myth and religion literary studies and ancient history A convergence of different perspectives within the collection including comparative literature gender and sexuality literary criticism and reception results in a rich and varied investigation Organized into four parts the volume explores Anna along four conceptual lines her liminal nature as a Carthaginian figure coopted into Rome's literary mythological and artistic heritage her capacity as a Roman goddess and nymph her political and cultural associations with plebeian and populist ideology and her intriguing influence on James Joyce's *Finnegans Wake*

Prostitutes and Matrons in the Roman World Anise K. Strong, 2016-07-12 *Prostitutes and Matrons in the Roman World* is the first substantial account of elite Roman concubines and courtesans Exploring the blurred line between proper matron and wicked prostitute it illuminates the lives of sexually promiscuous women like Messalina and Clodia as well as prostitutes with hearts of gold who saved Rome and their lovers in times of crisis It also offers insights into the multiple functions of erotic imagery and the circumstances in which prostitutes could play prominent roles in Roman public and religious life Tracing the evolution of social stereotypes and concepts of virtue and vice in ancient Rome this volume reveals the range of life choices and sexual activity beyond the traditional binary depiction of wives or prostitutes that were available to Roman women *The Canada Law Journal*, 1881 [Recreating Ancient History: Episodes from the Greek and Roman Past in the Arts and Literature of the Early Modern Period](#), 2021-10-25 This volume deals with the question how did scholars and artists in the early modern period represent or rather recreate Greek and Roman history It appears that ancient history was not just studied so as to reconstruct the past it was used as a way of understanding and legitimizing the present Sixteen authors from various disciplines have studied the works of scholars and artists in different media so as to reveal how they

used ancient history as a rich field of raw material that could be used recycled and adapted to new needs and purposes The studies in this volume are important for historians of the early modern period from all disciplines and for all those interested in the reception of classical antiquity Contributors include Maria Berbera Jan Bloemendal Anton Boschloo Jeanine De Landtsheer Jan L de Jong Karl Enenkel Marc Laureys Olga van Marion Alicia Montoya Mark Morford Bettina Noak Sjaak Onderdelinden Paul Smith Wilfried Stroh Francesca Terrenato Arnoud Visser and Bart Westerweel This publication has also been published in paperback please click here for details [Defining Genre and Gender in Latin Literature](#) Garth Tissol, William Wendell Batstone, 2005 The Roman confrontation and assimilation of Greek literature entailed a scrutiny critique and adaptation of generic assumptions This book considers the ways in which major genres among them comedy lyric elegy epic and the novel were redefined to accommodate Roman concerns and the ways in which gender plays a role in generic definition and authorial self definition Both of these areas of research have been important to William S Anderson throughout his career This collection of essays by his students helps readers to understand the nature of Roman literary self definition as it honors Professor Anderson s own achievements in this field *Accessus ad auctores* ,2015-11-12 Medieval commentaries typically included an accessus a standardized introduction to an author or book In the twelfth century these introductions were anthologised referred to now as Accessus ad auctores They served as the first handbooks of literary criticism The earliest and most comprehensive example Bayerische Staatsbibliothek Clm 19475 saec XII is presented here for the first time in a faithful critical edition with a new translation and explanatory notes addressing different aspects of the text This book s aim is to present an accurate version of the text while respecting the arrangement and integrity of the anthology as a whole and includes previously unpublished material from the anthology **Xenophon: Hellenica, book iv., ed. by A.W. Young** Xenophon (of Athens.),1894

Eventually, you will totally discover a further experience and endowment by spending more cash. yet when? attain you tolerate that you require to get those every needs later than having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more on the order of the globe, experience, some places, considering history, amusement, and a lot more?
