OVID

Metamorphoses

Translated by ARTHUR GOLDING

Ovid Metamorphoses

Stephen Michael Wheeler

Ovid Metamorphoses:

Ovid's Metamorphoses Ovid, 1997 Ovid's Metamorphoses is a weaving together of classical myths extending in time from the creation of the world to the death of Julius Caesar. This volume provides the Latin text of the first five books of the poem and the most detailed commentary available in English of these books. The Metamorphoses of Ovid Ovid, 1993 A treasury of classical myths. It weaves together every major mythological story to display a dazzling array of miraculous metamorphoses from the time chaos is transformed into order at the moment of creation to the time when the soul of Julius Caesar is turned into a star and set in the heavens. *Metamorphoses* Ovid, 2022-11-08 Winner of the 2023 HAROLD MORTON LANDON TRANSLATION AWARD. The first female translator of the epic into English in over sixty years. Stephanie McCarter addresses accuracy in translation and its representation of women, gendered dynamics of power and sexual violence in Ovid's classic. A Penguin Classic Hardcover. Ovid's Metamorphoses is an epic poem but one that upturns almost every convention. There is no main hero, no central conflict, and no sustained objective. What it is about: power, defiance, art, love, abuse, grief, rape, war, beauty, and so on, is as changeable as the beings that inhabit its pages. The sustained thread is power and how it transforms us, both those of us who have it and those of us who do not. For those who are brutalized and traumatized, transformation is often the outward manifestation of their trauma. A beautiful virgin is caught in the gaze of someone more powerful who rapes or tries to rape them, and they ultimately are turned into a tree or a lake or a stone or a bird. The victim's objectification is clear. They are first a visual object, then a sexual object, and finally simply an object. Around 50 of the epic's tales involve rape or attempted rape of women. Past translations have obscured or mitigated Ovid's language so that rape appears to be consensual sex. Through her translation, McCarter considers the responsibility of handling sexual and social dynamics. Then why continue to read Ovid? McCarter proposes Ovid should be read because he gives us stories through which we can better explore ourselves and our world, and he illuminates problems that humans have been grappling with for millennia. Careful translation of rape and the body allows readers to see Ovid's nuances clearly and to better appreciate how ideas about sexuality, beauty, and gender are constructed over time. This is especially important since so many of our own ideas about these phenomena are themselves undergoing rapid metamorphosis, and Ovid can help us see and understand this progression. The Metamorphoses holds up a kaleidoscopic lens to the modern world, one that offers us the opportunity to reflect on contemporary discussions about gender, sexuality, race, violence, art, and identity. Ovid's Metamorphoses Karl Galinsky, 1975-01-01 The main purpose of this book is to provide an introduction in the form of a literary study both to the major aspects of the Metamorphoses and to Ovid's basic aims in the poem. Book Jacket **Ovid's Metamorphoses** Ovid, 2002 This landmark translation of Ovid was acclaimed by Ezra Pound as the most beautiful book in the language, my opinion, and I suspect it was Shakespeare's Ovid. This deliciously witty and poignant epic starts with the creation of the world and brings together a series of ingeniously linked myths and legends in which men and women are

transformed often by love into flowers trees stones and stars Golding's robustly vernacular version was the first major English translation and decisively influenced Shakespeare Spenser and the character of English Renaissance writing

Ovid's Metamorphoses,. Ovid,1822 *Ovid's Metamorphoses* Elaine Fantham,2004-07-15 Oxford Approaches to Classical Literature Series Editors Kathleen Coleman and Richard Rutherford introduces individual works of Greek and Latin literature to readers who are approaching them for the first time Each volume sets the work in its literary and historical context and aims to offer a balanced and engaging assessment of its content artistry and purpose A brief survey of the influence of the work upon subsequent generations is included to demonstrate its enduring relevance and power All quotations from the original are translated into English Ovid's *Metamorphoses* have been seen as both the culmination of and a revolution in the classical epic tradition transferring narrative interest from war to love and fantasy This introduction considers how Ovid found and shaped his narrative from the creation of the world to his own sophisticated times illustrating the cruelty of jealous gods the pathos of human love and the imaginative fantasy of flight monsters magic and illusion Elaine Fantham introduces the reader not only to this marvelous and complex narrative poem but to the Greek and Roman traditions behind Ovid's tales of transformation and a selection of the images and texts that it inspired Narrative Dynamics in Ovid's Metamorphoses Stephen Michael Wheeler,2000 **The World of Ovid's Metamorphoses** Joseph B. Solodow,2014-02-01 Synthesizing a wealth of detailed observations Joseph Solodow studies the structure of Ovid's poem *Metamorphoses* the role of the narrator Ovid's treatment of myth and the relationship between Ovid's and Virgil's presentations of Aeneas He argues that for Ovid metamorphosis is an act of clarification a form of artistic creation and that the metamorphosed creatures in his poem are comparable to works of art These figures ultimately aid us in perceiving and understanding the world **Ovid's Metamorphoses** Publius Ovidius Naso,1972 **Ovid's Metamorphoses** Ovid,2023-11-07 Ovid's *Metamorphoses* is the original source for classical mythology Combining the best known versions of tales from Icarus to Medusa Ovid's epic compendium of Greco Roman legend has exerted an influence on European art and culture rivaled only by the Bible Yet despite it being the magnum opus of Rome's cleverest and most creative poet centuries of conservative translators have robbed the poem of its subversive force as a book length exploration of power where heroes are drained of their heroism victims are given their say and the earth is always holier than heaven Coming at a political moment singularly resonant with Ovid's sympathy toward the oppressed this boldly poetic translation matches Ovid's style while incorporating the latest scholarship on a work equal parts canonical and revisionist Complete with annotations glossary and illustrations this edition will bring fresh insights to both returning readers and those encountering the poem for the first time Ovid's Metamorphoses in Fifteen Books Ovid,1717 *Metamorphoses* Ovid,2017-01-23 Ovid's *Metamorphoses* The Complete 15 Books Translated into English verse under the direction of Sir Samuel Garth by John Dryden Alexander Pope Joseph Addison William Congreve and other eminent hands The *Metamorphoses* is a Latin narrative poem by the Roman poet

Ovid considered his magnum opus Comprising fifteen books and over 250 myths the poem chronicles the history of the world from its creation to the deification of Julius Caesar within a loose mythico historical framework Although meeting the criteria for an epic the poem defies simple genre classification by its use of varying themes and tones Ovid took inspiration from the genre of metamorphosis poetry and some of the Metamorphoses derives from earlier treatment of the same myths however he diverged significantly from all of his models One of the most influential works in Western culture the Metamorphoses has inspired such authors as Dante Alighieri Giovanni Boccaccio Geoffrey Chaucer and William Shakespeare Numerous episodes from the poem have been depicted in acclaimed works of sculpture painting and music Although interest in Ovid faded after the Renaissance there was a resurgence of attention to his work towards the end of the 20th century today the Metamorphoses continues to inspire and be retold through various media The work has been the subject of numerous translations into English the first by William Caxton in 1480

Ovid, Metamorphoses X Ovid, 2014-12-18 Metamorphoses is an epic style narrative poem written in hexameters Original inventive and charming the poem tells the stories of myths featuring transformations from the creation of the universe to the death and deification of Julius Caesar Book X contains some of Ovid's most memorable stories Orpheus and Eurydice Pygmalion Atalanta and Hippomenes with the race for the golden apples Venus and Adonis and Myrrha This edition contains the Latin text as well as in depth commentary notes that provide language support explain difficult words and phrases highlight literary features and supply background knowledge The introduction presents an overview of Ovid and the historical and literary context as well as a plot synopsis and a discussion of the literary genre Suggested reading is also included

Ovid's Metamorphoses Ovid, 1774 [Ovid's Metamorphoses in Fifteen Books](#) Ovid, 1717

A Discourse of Wonders Stephen M. Wheeler, 1999-05-13 Wheeler proposes instead that Ovid represents himself in the poem as an epic storyteller moved to tell a universal history of metamorphosis in the presence of a fictional audience

The Vulgate Commentary on Ovid's Metamorphoses, 2015-11-12 Composed around 1250 by an unknown author in the region of Orleans the Vulgate Commentary on Ovid's Metamorphoses is the most widely disseminated and reproduced medieval work on Ovid's epic compendium of classical mythology and materialist philosophy This commentary both preserves the rich store of twelfth century glossing on the Metamorphoses and incorporates new material of literary interest while the marginal glosses in many respects reflect the scholar interests of an early thirteenth century schoolmaster The Vulgate Commentary is always transmitted as a series of interlinear and marginal glosses surrounding the text manuscript whereas other earlier commentaries were independent of a full text of the poem The Vulgate Commentary exercised a wide ranging influence on the understanding and presentation of Ovid's Metamorphoses in the High Middle Ages and Renaissance and the commentary exists in both French and Italian manuscripts

Ovid: Metamorphoses Ovid, 2000-11-02 This volume presents the Latin text with an Introduction and full commentary of Book XIII of the Roman poet Ovid's long work Metamorphoses It discusses in detail Ovid's treatment of his sources and sets out the

ways in which he adapted earlier literature as material for his novel enterprise Guidance is offered on points of language and style and the Introduction treats in general terms the themes of metamorphosis and the structure of the poem as a whole

Ovid's 'Metamorphoses' Genevieve Liveley, 2010-12-23 Perhaps no other classical text has proved its versatility so much as Ovid's epic poem A staple of undergraduate courses in Classical Studies Latin English and Comparative Literature Metamorphoses is arguably one of the most important canonical Latin texts and certainly among the most widely read and studied Ovid's Metamorphoses A Reader's Guide is the ideal companion to this epic classical text offering guidance on Literary historical and cultural context Key themes Reading the text Reception and influence Further reading

Unveiling the Magic of Words: A Report on "**Ovid Metamorphoses**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring.
