Oxford Lectures on Poetry Andrew Cecil Bradley, The End of the Poem Paul Muldoon, 2024-09-04  
In The End of the Poem Paul Muldoon the most significant English language poet born since the Second World War The Times Literary Supplement presents engaging rigorous and insightful explorations of a diverse group of poems from Yeats's *All Souls Night* to Stevie Smith's *I Remember* to Fernando Pessoa's *Autopsychography* Here Muldoon reminds us that the word poem comes via French from the Latin and Greek a thing made or created He asks Can a poem ever be a freestanding discrete structure or must it always interface with the whole of its author's bibliography and biography Muldoon explores the boundlessness the illimitability created by influence what Robert Frost meant when he insisted that the way to read a poem in prose or verse is in the light of all the other poems ever written And he writes of the boundaries or borders between writer and reader and the extent to which one determines the role of the other At the end Muldoon returns to the most fruitful and fraught aspect of the phrase the end of the poem the interpretation that centers on the aim or function of a poem and the question of whether or not the end of the poem is the beginning of criticism Irreverent deeply learned often funny and always stimulating The End of the Poem is a vigorous and accessible approach to looking at poetry anew

C. Bradley,2017-09-17 Excerpt from Oxford Lectures on Poetry The words Poetry for poetry s sake recall the famous phrase art for Art It is far from my purpose to examine the possible meanings of that phrase or all the questions it involves I propose to state briefly what I understand by Poetry for poetry s sake and then after guarding against one or two misapprehensions of the formula to consider more fully a single problem connected with it And I must premise without attempting to justify them certain explanations We are to consider poetry in its essence and apart from the laws which in most poems accompany their poetry We are to include in the idea of poetry the metrical form and not to regard this as a mere accident or a mere vehicle And finally poetry being poems we are to think of a poem as it actually exists and without aiming here at accuracy we may say that an actual poem is the succession of experiences sounds images thoughts emotions through which we pass when we are reading as poetically as we can 1 Of course this imaginative experience if I may use the phrase for brevity differs with every reader and every time of reading a poem exists in innumerable degrees But that insurmountable fact lies in the nature of things and does not concern us now About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Oxford lectures on poetry](#) Ernest De Sélincourt,1967 **Oxford Lectures on Poetry** A C Bradley,2019-11-11 ONE who after twenty years is restored to the University where he was taught and first tried to teach and who has received at the hands of his Alma Mater an honour of which he never dreamed is tempted to speak both of himself and of her But I remember that you have come to listen to my thoughts about a great subject and not to my feelings about myself and of Oxford who that holds this Professorship could dare to speak when he recalls the exquisite verse in which one of his predecessors described her beauty and the prose in which he gently touched on her illusions and protested that they were as nothing when set against her age long warfare with the Philistine Andrew Cecil Bradley FBA was an English literary scholar best remembered for his work on Shakespeare [Professors and Gods](#) Roy Fuller,1973 *Oxford Lectures on Poetry* Wordsworth Collection, A C 1851-1935 Bradley, Cynthia Morgan St John,2015-08-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was
