Pabage To Pasch Revisiting The Catholic Sacraments:

Passage to Pasch Michael Drumm,1998 One of the great preoccupations of pastors in today s church is the relevance of the sacraments in the lives of the People of God Have our rituals and symbols become so minimalized and frozen as to have lost their meaning for people Michael Drumm **Doors to the Sacred** Joseph Martos,1982 This historical introduction the only such study of the sacraments in the Catholic Church available has been called illuminating thorough reliable

Sacraments Ray Robert Noll,1999 Firmly rooted in the tradition of the Church and some of the best scholarship of the past 40 years Noll explores the sign meaning and experience of each of the seven sacraments in the church Included is a CD ROM containing articles and passages by some of today s key sacramental theologians Pastoral Foundations of the Sacraments Gregory L. Klein,Robert A. Wolfe,1998 A logical presentation of the sacraments as the principle acts of worship in the Catholic church Synthesizes contemporary research on symbol ritual and sacramental liturgical and pastoral theology into a single readable resource Each chapter ends with questions for reflection and discussion **The Sacraments** Joseph Martos,2009-08-01 What are the sacraments really For centuries the religious lives of Catholics and other Christians have revolved around church rituals with generally accepted individual and social effects What precisely are those effects and how are they produced Traditional theology used Greek philosophy to understand the sacraments and how they work But is there no other way to understand them In fact there are a number of ways and this book invites you to look at the sacraments through a variety of lenses psychology sociology anthropology history theology morality and spirituality As the introduction to this volume challenges If you read this book and especially if you engage in the interactive study to which it invites you your understanding of sacraments will be changed forever To help personalize your investigation the author has created a web site with thought provoking questions that encourage you to interact with the ideas being proposed in this volume To engage these topics more deeply see [www TheSacraments org](http://www.TheSacraments.org) **A New Look at the Sacraments** William J. Bausch,1977 Author William Bausch traces the history and development of the seven sacraments from a pastoral perspective

Sacraments and Justice Doris K Donnelly,2014-11-03 Sacraments speak a language and disclose their power through symbols Beyond representing another reality sacramental symbols are intimately connected with the reality they express and sources of joy solace confrontation peace healing strength and life giving sustenance to the initiated In its Constitution on the Sacred Liturgy the Council the Second Vatican Council 1962 1965 urged that sacramental symbols be more transparent to their sacred reality to disclose the reality of the Christ event the life death and resurrection of Jesus Christ so that mystery and not confusion could flourish The seven sacraments Baptism Confirmation Eucharist Penance Marriage Orders and the Anointing of the Sick reveal a link to social justice The contributors to this book are theologians with pastoral sensitivities including marrieds parents pastors and priests This present work the social implications of worship the history of each sacrament and but also an integrated understanding of the transformation that is inextricably linked to each sacrament as

well as the active presence of Christ who lives in expectation of our response to participate in the urgent response to unjust policies and systems that affect the most vulnerable in our global family *Pastoral Foundations of the Sacraments* Robert A. Wolfe, O. Carm., A logical presentation of the sacraments as the principle acts of worship in the Catholic church Synthesizes contemporary research on symbol ritual and sacramental liturgical and pastoral theology into a single readable resource Each chapter ends with questions for reflection and discussion *The Christian Sacraments of Initiation* Kenan B. Osborne, 1987 A contemporary theology of these three sacraments surveying their historical development their theology today and liturgical and pastoral implications *The Book of Sacramental Basics* Tad W.
