Fleeing the Famine Margaret Mulrooney,2003-06-30 The Irish Potato Famine caused the migration of more than two million individuals who sought refuge in the United States and Canada In contrast to previous studies which have tended to focus on only one destination this collection allows readers to evaluate the experience of transatlantic Famine refugees in a comparative context Featuring new and innovative scholarship by both established and emerging scholars of Irish America and Irish Canada it carefully dissects the connection that arose between Ireland and North America during the famine years 1845 1851 In the more than 150 years since the onset of Ireland s Great Famine historians have intensely scrutinized the causes the year by year events and the consequences of his human catastrophe Who was to blame Were the hunger and misery inevitable Did the famine have revolutionary effects on the Irish economy How did it change the nature of Irish religion This new study complements the wealth of existing literature on the social cultural and political aspects of the Famine and invites the reader to consider the fate of the Irish refugees in their new home lands The Famine Ships

Edward Laxton,2013-11-05 A fascinating account of the experiences of the Irish emigrants who fled a catastrophic crop failure and built new lives across the Atlantic Library Journal Between 1846 and 1851 more than one million people the potato famine emigrants sailed from Ireland to America The Famine Ships tells of the courage and determination of those who crossed the Atlantic in leaky overcrowded sailing ships and made new lives for themselves among them the child Henry Ford and the twenty six year old Patrick Kennedy great grandfather of John F Kennedy Edward Laxton conducted five years of research in Ireland and interviewed the emigrants descendants in the United States Portraits of people ships and towns as well as facsimile passenger lists and tickets are among the compelling memorabilia in The Famine Ships A fascinating compilation derived from family histories handed down through the generations it describes both the horrible conditions aboard the ships and the emigrants boundless optimism concerning the freedom of America finally draws attention to the people and the ships that defined a moment in Irish and American history Library Journal A splendid book written in a fresh and accessible way Irish Times Includes photos and illustrations The Famine Ships Edward Laxton,1996 Between 1846 and 1851 more than a million Irish people sailed to America These were the famine emigrants The world has not seen such an exodus before or since In those five years the population of the United States grew by one seventh At the same time the Irish Potato Famine claimed a million lives Fleeing the Famine Margaret Mulrooney,2003-06-30 The Irish Potato Famine caused the migration of more than two million individuals who sought refuge in the United States and Canada In contrast to previous studies which have tended to focus on only one destination this collection allows readers to evaluate the experience of transatlantic Famine refugees in a comparative context Featuring new and innovative scholarship by both established and emerging scholars of Irish America and Irish Canada it carefully dissects the connection that arose between Ireland and North America during the famine years 1845 1851 In the more than 150 years since the onset of Ireland s Great Famine

historians have intensely scrutinized the causes the year by year events and the consequences of his human catastrophe Who was to blame Were the hunger and misery inevitable Did the famine have revolutionary effects on the Irish economy How did it change the nature of Irish religion This new study complements the wealth of existing literature on the social cultural and political aspects of the Famine and invites the reader to consider the fate of the Irish refugees in their new home lands

The Coffin Ship Cian T. McMahon, 2021-06-01 Choice Outstanding Academic Title 2022 Honorable Mention Theodore Saloutos Book Award given by the Immigration and Ethnic History Society A vivid new portrait of Irish migration through the letters and diaries of those who fled their homeland during the Great Famine The standard story of the exodus during Ireland's Great Famine is one of tired clichés half truths and dry statistics In *The Coffin Ship* a groundbreaking work of transnational history Cian T McMahon offers a vibrant fresh perspective on an oft ignored but vital component of the migration experience the journey itself Between 1845 and 1855 over two million people fled Ireland to escape the Great Famine and begin new lives abroad The so called coffin ships they embarked on have since become infamous icons of nineteenth century migration The crews were brutal the captains were heartless and the weather was ferocious Yet the personal experiences of the emigrants aboard these vessels offer us a much more complex understanding of this pivotal moment in modern history Based on archival research on three continents and written in clear crisp prose *The Coffin Ship* analyzes the emigrants own letters and diaries to unpack the dynamic social networks that the Irish built while voyaging overseas At every stage of the journey including the treacherous weeks at sea these migrants created new threads in the worldwide web of the Irish diaspora Colored by the long lost voices of the emigrants themselves this is an original portrait of a process that left a lasting mark on Irish life at home and abroad An indispensable read *The Coffin Ship* makes an ambitious argument for placing the sailing ship alongside the tenement and the factory floor as a central dynamic element of migration history

The Disaster of the Irish Potato Famine Sean O'Donoghue, 2015-12-15 This book introduces readers to the Irish potato famine a period when many Irish people were forced to make a decision leave their homeland or starve Readers will learn about the injustices the Irish faced in Ireland as well as the challenges they faced when they reached the United States The book also explains the success the Irish found after much hard work and the legacy they left in America Primary sources and vivid photographs illustrate captivating text to give readers a deep understanding of the subject This book is an excellent supplement to social studies curricula and will provide a dynamic reading experience

The Irish Potato Famine Jeremy Thornton, 2003-08-01 Looks at nineteenth century life in Ireland and how mass starvation caused by the Irish Potato Famine forced two million people to leave their homes and seek a new life elsewhere

Famine Diary Gerald Keegan, 1991 Gerald Keegan was one of the emigrants who left famine conditions in County Sligo Ireland and made the long voyage across the Atlantic He experienced firsthand the shocking conditions on Grosse Ile conditions so shocking that the Canadian government of the day tried every way possible to keep the public from finding out about it The diary he kept was first published in Huntington

Quebec in 1895 but was censored by the government for being too frank an exposure of the injustices that were at the root of the emigration movement. Writer James Mangan has taken Gerald Keegan's Famine diary and edited it to make it more intelligible to readers who might not be familiar with the historical background of the mass emigration movement from Ireland in 1847. For this book he also changed the language idiom into a more modern type of expression and introduced a number of characters in order to fill out the historical background of the emigration movement. In doing this every precaution was made to maintain the charming simplicity and frankness of the original author Gerald Keegan. Today we know about the cruelty of the Irish landlords but life aboard the coffin ships is hardly documented and the ultimate fate of the emigrants is rarely adverted to. Keegan's diary shows us the face of the famine dead from Introduction *Ireland and Irish Emigration to the New World from 1815 to the Famine* William Forbes Adams, 1993

All Standing Kathryn Miles, 2014-01-14 The enthralling true tale of a celebrated coffin ship that ran between Ireland and America in the 1840s. By turns harrowing and heartwarming, *All Standing* salvages the treasure of a history lost at sea. J. C. Hallman, author of *The Devil Is a Gentleman*. More than one million immigrants fled the Irish famine for North America and more than one hundred thousand of them perished aboard the coffin ships that crossed the Atlantic. But one small ship never lost a passenger. *All Standing* recounts the remarkable tale of the Jeanie Johnston and her ingenious crew whose eleven voyages are the stuff of legend. Why did these individuals succeed while so many others failed? And what new lives in America were the ship's passengers seeking? In this deeply researched and powerfully told story, acclaimed author Kathryn Miles re-creates life aboard this amazing vessel, richly depicting the bravery and defiance of its shipwright captain and doctor and one Irish family's search for the American dream.

Life on a Famine Ship Duncan Crosbie, 2006 Nine-year-old Michael O'Connor's story is typical of the two million Irish people who fled the Great Famine of Ireland between 1845 and 1850. We accompany Michael and his family through repeated failures of the potato crop that force them to leave Ireland. They seek passage on the sailing ship *Dunbrody* bound for North America where the family strives to rebuild a life in the New World. *Ireland and Irish Emigration to the New World from 1816 to the Famine* William Forbes Adams, 1932
