The Meyerbeer Libretti Robert Ignatius Letellier, Richard Arsenty, 2013-02-21 Giacomo Meyerbeer one of the most important and influential opera composers of the nineteenth century enjoyed a fame during his lifetime hardly rivalled by any of his contemporaries This ten volume set provides in one collection all the operatic texts set by Meyerbeer in his career The texts offer the most complete versions available Each libretto is translated into modern English by Richard Arsenty and each work is introduced by Robert Letellier In this comprehensive edition of Meyerbeer's libretti the original text and its translation are placed on facing pages for ease of use The eleventh volume presents the fourth of Meyerbeer's grand op eras and his final work By 1860 long imposed labor had started to tell upon the composer's health he knew that he must concentrate on the navigator project which he had started twenty years earlier if he intended to finish it Meyerbeer died on 2 May 1864 the day after the completion of the copying of the full score of this his last opera Vasco da Gama Minna Meyerbeer and C sar Victor Perrin the director of the Op era entrusted the editing of a performing edition to the famous Belgian musicologist Fran ois Joseph F tis while the libretto was revised by M lesville The original title of L Africaine was restored out of deference to public expectation Much of the music and action was

suppressed in spite of the strain this inflicted on the internal logic of the story While L Africaine is not lacking in the grandeur of statement and stirring climaxes for which the composer was so famous there is a new intimacy a new intensity of melancholic lyricism Like its famous predecessors it is basically an historical work derived from the period of sixteenth century Renaissance The account of Vasco da Gama s voyage of discovery around the Cape of Good Hope and conquest of Calicut 1497 98 is subjected to a fictional treatment that raises many interesting issues The framework is historical but most of the characters and course of action are not in fact the end of the opera in the suicide of the heroine suddenly leaves the terra firma of reality and transports us into the mystical realms of the spirit It is this mixture of modes that is central to the dramaturgy of L Africaine a confusion of history and fairytale ancient certainties and challenging discoveries in the creation of a new mythology There is also originality in formal developments with the great tenor scene in act 4 providing a new malleability in handling the constraints of shape and genre recitative arioso and cabaletta have a fluent integration in trying to explore the text more pointedly L Africaine was produced on 28 April 1865 a great posthumous tribute to its famous creators The Ship Scene the exotic Indian act and the Scene of the Manchineel Tree exerted a fascination on audiences and elicited new praise The work full of melodic beauty and rapturous lyricism began a triumphal progress through the world beginning with the big stages of London and Berlin The Diaries of Giacomo Meyerbeer: The years of celebrity, 1850-1856 Giacomo Meyerbeer,1999 Volume 3 covers a time span that preeminently represents the period in the composer s life known as The Years of International Fame 1850 56 Confirmed as the major figure on the operatic scene and freed from the more onerous duties of his official position Meyerbeer was able to enjoy his most remarkable period of stability and renown as the detailed and absorbing diary entries reveal These years saw the composing rehearsing and staging of L Etoile du Nord 1854 and his personal supervision of major productions in London Dresden Stuttgart and Vienna **Small Press Record of Books in Print** Len Fulton,1994 **The British National Bibliography** Arthur James Wells,2009 *Whitaker's Books in Print* ,1998 **Geographical Magazine** ,1997 **Bradshaw's monthly railway and steam navigation guide** George Bradshaw,1862 **Bradshaw's General Railway and Steam Navigation Guide for Great Britain and Ireland** ,1855 **Stanford's New London Guide.
