Parnells Faithful Few:

Parnell's Faithful Few Margaret Leamy, 2013-10 This is a new release of the original 1936 edition **Parnell's Faithful Few** Mrs. Margaret Hanly Leamy, Margaret Hanly Leamy, 1936 **The Parnell Split, 1890-91** Frank Callanan, 1992-12-01 The crisis and tragedy which followed the naming of Charles Stewart Parnell as correspondent in a divorce decree in 1890 remains one of the most significant events in modern Irish politics In this powerful reassessment of the split Frank Callanan reargues the politics of Parnell's last campaign and establishes the critical importance of T M Healy's ferocious attacks on the Irish leader for the consolidation of a conservative and reactionary Irish nationalism Contemporary and previously unexplored sources newspapers periodicals political speeches and private correspondence are used to examine the politics and psychological character of the split The author draws out from the bitter controversy Parnell's articulate and incisive critique of contemporary nationalist politics and shows how it anticipated the predicament of the modern Irish state Parnell's campaign in the split against overwhelming odds emerges as a neglected political masterpiece *John Redmond* Dermot Meleady, 2018-02-05 Dermot Meleady's authoritative second part of his full length biography of John Redmond the first to be published in 80 years begins in 1901 shortly after his election as chairman of the Irish Parliamentary Party in the Westminster Parliament and ends with his death in 1918 The book details Redmond's reconstruction of the Party following its reunification after the destructive decade long Parnell split and his refashioning of it as a political weapon for winning Irish Home Rule It follows his role in successfully passing the Conservatives 1903 Land Purchase Act which greatly accelerated the transfer of land ownership from Irish landlords to Irish farmers His successes and failures in the years of the 1906-10 Liberal Government are also fully documented but when the Liberals move in 1911 to remove the House of Lords veto the stage is set for the passage of the third Home Rule Bill the paramount goal of Redmond's endeavours The events of the following turbulent five years the increasingly militant resistance of Ulster Unionism to Home Rule the outbreak of the Great War and the unforeseen Easter Rising in Dublin in 1916 as much a blow against Home Rule as against British rule cast him down from triumphant prime minister in waiting to the status of Ireland's lost leader Through exhaustive research in Redmond's personal papers Dermot Meleady has produced the definitive story of one of the most tragic figures in twentieth century Irish political history *The Fall of Parnell* F.S.L. Lyons, 2024-10-01 When this book was originally published in 1960 no full length study of the Parnell split had been made despite it being such a landmark in Irish history The book treats the eleven months between the verdict on the O'Shea divorce case the death of Parnell as a dramatic unity This was the first modern work to provide a connected account of such neglected episodes as the Boulogne negotiations and Parnell's final campaign in Ireland The crisis was a crisis for English liberalism as well as Irish nationalism and the author discusses the effects of the catastrophe upon Gladstone and his colleagues The author obtained access to several valuable collections of private papers in England and Ireland which throw a lot of light upon the actions and opinions of the main participants in this

famous tragedy Parnell and the lieutenants. Complicity and betrayal, with an epilogue to the present day Frank Hugh O'Donnell,1910 *Charles Stewart Parnell and His Times* N. C. Fleming,Alan O'Day,2011-07-06 Charles Stewart Parnell 1846 1891 wrote remarkably little about himself but he has attracted the attention of many writers politicians and scholars both during his lifetime and ever since His controversial and provocative role in Irish and British affairs had him vilified as a murderer in The Times and afterwards dramatically vindicated by the Westminster Parliament It cast him as a romantic hero to the young James Joyce and a self serving opportunist to the journalists of the Nation Parnell has been the subject of court cases parliamentary enquiries and debates journalism plays poems literary analysis and historical studies For the first time all these have been collected catalogued and cross referenced in one volume an invaluable resource for scholars of late nineteenth century Ireland and Britain Divided into fifteen chapters including a biographical sketch the volume contains information on manuscript and archival collections printed primary sources Parnell s writing Parnell s speeches in the House of Commons and outside Parliament contemporary journalism contemporary writing and contemporary illustrations on Irish affairs and a substantial list of scholarly work including biographies books articles chapters and theses This volume offers readers a clear record of the substantial material already available on Parnell and in doing so offers resources to future research in this area **The Parnell Myth and Irish Politics, 1891-1956** William Michael Murphy,1986 Revision of thesis Ph D University of Chicago 1981 The Recorder ,1923 British Comment on the United States Ada Nisbet,2001-06-07 This bibliography of more than three thousand entries often extensively annotated lists books and pamphlets that illuminate evolving British views on the United States during a period of great change on both sides of the Atlantic Subjects addressed in various decades include slavery and abolitionism women s rights the Civil War organized labor economic cultural and social behavior political and religious movements and the American character in general **Fanny and Anna Parnell** Jane M Cote,1991-08-16 **States of Ireland** Conor Cruise O'Brien,2015-02-19 Written in 1972 in the wake of Bloody Sunday and direct rule States of Ireland was Conor Cruise O'Brien s searching analysis of contemporary Irish nationalism part memoir part history part polemic If The Great Melody 1992 is O'Brien s major academic work States of Ireland is the one that will endure as a vital moment in Irish intellectual and political history Roy Foster Standpoint States of Ireland is a book which influenced a generation O'Brien saw that partition while scarcely desirable in itself recognized the reality of two different communities in the island and that the Dublin state s formal irredentist claim on Northern Ireland was undemocratic and even imperialistic as well as insincere The republican ideology to which most Irish people paid lip service was a shirt of Nessus he later wrote it clings to us and burns Geoffrey Wheatcroft Oxford Dictionary of National Biography *History of England* Frederick York Powell,Thomas Frederick Tout,1904 **History of England: From William and Mary to the death of Victoria. By T. F. Tout. 1908** Frederick York Powell,Thomas Frederick Tout,1908 *An Advanced History of Great Britain from the Earliest Times to the Death of Edward VIII* Thomas Frederick Tout,1913 **An Advanced History of**

Great Britain from the Earliest Times to the Death of Queen Victoria Thomas Frederick Tout, 1906 An Advanced History of Great Britain from the Earliest Times to the Death of Edward VII Thomas Frederick Tout, 1910 Ireland Since Parnell Daniel Desmond Sheehan, 1921 *Later Peeps at Parliament Taken from Behind the Speaker's Chair* Sir Henry William Lucy, 1905 **Charles Stewart Parnell, A Biography** F.S.L. Lyons, 2005-10-04

In this masterly biography F S L Lyons tackles the life and times of one of the greatest Irish statesmen of modern times One of modern Irish biography's great triumphs Charles Stewart Parnell has never been approached or surpassed Charles Stewart Parnell an enigmatic icy aristocrat was the unlikely and unchallenged leader of Irish nationalism from the mid 1870s in its early heroic phase Without him Home Rule would not have become the formidable cause that it was Daniel O Connell first articulated modern Irish nationalism Parnell first organised it As leader of the Irish Parliamentary Party from 1875 until his death in 1891 Parnell became a figurehead for Irish nationalist ambition and used his influence to further the cause of Irish independence in the British parliament Parnell not only mobilised nationalist Ireland exploiting discontent with the land system and a desire for political autonomy he also subverted the usages of nineteenth century British politics by supporting the introduction of the filibuster into the House of Commons He divided Gladstone's Liberal party between those who supported Home Rule and those who opposed it and generally forced the Irish question to the heart of British politics where it remained until 1922 Even today the continuing uncertainty over the future of Northern Ireland is a remote legacy of Parnell Parnell's fall the product of his doomed and passionate love affair with Katharine O Shea was the most traumatic moment in nationalist history before 1916 It divided a generation The passions it gave rise to brilliantly recalled in the Christmas dinner scene of James Joyce's *A Portrait of the Artist as a Young Man* are fully explored in this magnificent work of scholarship Charles Stewart Parnell
