Pink Satin Jennifer Greene,2025-02-11 With the figure of a sex symbol and a career as a lingerie executive Greer Lothrop is used to attracting more than her fair share of male attention After years of unwanted stares she is far more comfortable playing mother hen than femme fatale She s shocked when there s nothing motherly about the feelings her new neighbor engineer Ryan McCullough arouses in her She s never been attracted to a man of such raw sexuality before What is it about Ryan that has her confiding in him and falling into his arms within hours of meeting It s clear Ryan isn t interested in Greer for her chicken soup He s not falling for her girl next door routine either no matter how hard she tries to deny their chemistry He knows there s a passionate woman behind the facade and he knows just how to awaken her 48 900 words Previously published

The Reality Effect Joel Black,2013-08-21 It used to be only movies were on film now the whole world is The most intimate and most banal moments of our lives are constantly recorded for public consumption In The Reality Effect Joel Black argues that the desire to make visible every aspect of our lives is an impulse derived from cinema one that has made life both more graphic and less real He approaches film as a documentary medium that has obscured if not obliterated the line between reality and fiction To illustrate this effect Black traces the uncanny interplay between movies and real life events through a series of comparative analyses from Lolita and the murder of JonBen t Ramsey to Wag the Dog and the Clinton scandal to Crash and Princess Diana s violent death
