The Parables of JESUS CHRIST Robert Gobelet,2016-05-03 Some sections of the Bible give us grand theology Some move us to grateful responses to God But The Parables of JESUS CHRIST break through mere words and make us see things more clearly as Jesus aloud his listeners to live through the eyes of the characters he spoke about In this book Robert Gobelet takes us systematically through the parables of Jesus so we all can learn these life changing and transforming truths taught by Jesus himself **Image Booster** Claudette Francis,2014-10-17 Image Booster is about empowering young people with knowledge that will help them find focus for their lives In so doing they will come to realize their God given gifts and talents discover their purpose in life and ultimately reach their full potential Lack of finances encouragement inspiration and purpose are big problems facing today s young people who are searching for something more than the world has to offer them It is hoped that Image Booster will instill dignity and value in all young people and help them realize that there is more to life than guns drugs violence and a boring life The twenty four messages are designed to encourage students to persevere in good works and overcome problems that would hinder them from attaining their ultimate destiny as they try to navigate their complex world Some of the messages deal with fear anger peer pressure bullying blessing service and choices The students are challenged to respond to these issues like children of God and therefore inspire other young people to emulate their way of dealing with issues The young people are encouraged to take Jesus as their hero and role model and learn from His example By doing so they are able to focus their attention on the new commandment given to them by Jesus Himself Love one another as I have loved you *Bhagwatamrit* Swami Akhandananda Saraswati , A nectarine compilation of Swami Akhandananda Saraswati Ji Maharaj s Discourses on his favourite text Shrimad Bhagwat Mahapuran **Aspects: Books 1-3** L.C. Industrial Journal ,1894 Jesus, the Christ Thomas Sutton,1999-10-25 I was raised in a Christian home I loved hearing stories about Jesus and his life here on earth Growing up I became less and less enthusiastic about my religion for several reasons One critical reason was a natural process As I matured I became more aware of the hypocrisy of religion You know Do as I say not as I do One day a week act like a Christian and the other six days be selfish greedy and a bigot At that time my faith wasn't strong enough to endure Now I know that if I look hard enough I can find hypocrisy in anything I pray that I've grown beyond the paradox My book is an attempt to make the first four books of the New Testament easy to read It's written in prose In other words it's a narrative of Jesus' life using the first four Gospels My book combines Matthew Mark Luke and John into a chronological narrative of Jesus' life It is written through the eyes of you as Peter The book is Scriptural It doesn't change alter or sensationalize the original versions of events In some instances I combine multiple versions of the same event into one My inspiration for writing this book is to bring enthusiasm about Jesus to Christians and new revelations to non Christians Scriptures quoted from The Holy Bible New Century Version copyright 1987 1988 1991 by Word Publishing Nashville TN Used by permission **The People's Bible: John** Joseph Parker,1893
