Reid,2014-05-13 Before Abraham Lincoln issued the Emancipation Proclamation he added a paragraph authorizing the army to recruit black soldiers Nearly 200 000 men answered the call Several thousand of them came from Canada What compelled these men to leave the relative comfort of their homes to face death on the battlefield loss of income and legal sanctions for participating in a foreign war Drawing on newspapers autobiographies and military and census records Richard Reid pieces together a portrait of a group of men who served the Union in disparate ways as soldiers sailors or doctors but who all believed that liberty justice and equality were worth fighting for By bringing the courage and contributions of these men to light African Canadians in Union Blue opens a window on the changing nature of the Civil War and the ties that held black communities together even as the borders around them shifted or were torn asunder *A History of the African American People* James Oliver Horton,Lois E.
