

The book cover features a collage of environmental images. At the top left, a black pipe pours dark liquid into a body of water. Below it is a yellow diamond-shaped hazard sign with a skull and crossbones and the word 'TOXIC'. In the bottom left, the head and trunk of an elephant are visible. The bottom center shows a large white ship with a yellow funnel on a dark sea. The bottom right shows a white bird in flight over a dark landscape. The title 'Crimes Against Nature' is centered in large white letters on a black rectangular background.

## **Prentcronenberg Crimes Against Nature:**

Canada's Best Features Eugene P. Walz, 2002 Long recognized for outstanding National Film Board documentaries and innovative animated movies Canada has recently emerged from the considerable shadow of the Hollywood elephant with a series of feature films that have captured the attention of audiences around the world This is the first anthology to focus on Canada's feature films those acknowledged as its very best With essays by senior academics and leading scholars from across the country as well as some fresh new voices Canada's Best Features offers penetrating analyses of fifteen award winning films Internationally acclaimed directors David Cronenberg Atom Egoyan Denys Arcand and Claude Jutra are represented here Noteworthy films include Mon oncle Antoine often cited as Canada's number one film of all time such Cannes Festival favourites as Le dclin de l empire am ricain and Exotica and cult films Careful by Guy Maddin and Masala by Srinivas Krishna The essays offer the latest word on these films and filmmakers done from a variety of perspectives Some of the films have never been examined in depth before Complete filmographies and bibliographies accompany each essay A contextualizing introduction by Professor Gene Walz provides the necessary overview An annotated bibliography of books on the Canadian film industry completes this impressive package *Prent/Cronenberg* Louise Dompierre, David Cronenberg, Mark Prent, Power Plant (Art gallery), 1987 Annual Bibliography of Modern Art Museum of Modern Art (New York, N.Y.). Library, 1989 The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the

250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

**The Philosophy of David Cronenberg** Simon Riches, 2012-05-23 Initially regarded as a cult figure with a strong following amongst sci fi and horror film fans Canadian filmmaker David Cronenberg emerged as a major and commercially viable film director with mainstream hits such as *A History of Violence* 2005 and *Eastern Promises* 2007 With his unique ability to present imagery that is both disturbing and provocative Cronenberg creates striking films noteworthy not just for their cinematic beauty but also for the philosophical questions they raise The Philosophy of David Cronenberg examines Cronenberg's body of work from his breakthrough *Scanners* 1981 through his most recognizable films such as *The Fly* 1986 and more recent works Editor Simon Riches and a collaboration of scholars introduce the filmmaker's horrific storylines and psychologically salient themes that reveal his pioneering use of the concept of body horror as well as his continued aim to satirize the modern misuse of science and technology The Philosophy of David Cronenberg also explores the mutation of self authenticity and the human mind as well as language and worldviews While Cronenberg's films have moved from small market cult classics to mainstream successes his intriguing visions of humanity and the self endure

*Canadiana* ,1987 *Cinefantastique* ,2003 Congressional Record United States. Congress,1938 **Corruption, Anti-Corruption, Vigilance, and State Building from Early to Late Modern Times** Ricard Torra-Prat, Joan Pubill-Brugués, Arndt Brendecke, 2024-08-14 Corruption Anti Corruption Vigilance and State Building from Early to Late Modern Times challenges current historiographical approaches proposing new interpretations to rethink the relation between corruption and the socio political and economic transformations since early globalisation By adopting both

transnational and long term approaches the book explores the historical dimension of notions such as accountability transparency and vigilance in their immediate political social and legal contexts The starting point is to view corruption not as a moral category that emerged in 1789 to delegitimise past foreign or present state systems but as a constantly contested concept that must also be historicised in past societies The collection revisits chronologies and examines different local regional and national frames highlighting that the path to modernity was contested and affected by a variety of unique circumstances such as revolutions and external political powers Building on the latest research and offering new methods of inquiry this book is a compelling resource for academics interested in political history and the history of corruption     *Great Canadian Film Directors* George Melnyk, 2007-06-15 Film directors articulate creative visions that provide insights into national cultures 18 essays highlight Canada s prominent Anglophone and Francophone filmmakers
