Preparing for Adolescence Group Guide James Dobson, 2005-12-08 What do you say to an adolescent who's getting ready to enter those turbulent teenage years Dr James Dobson one of America's leading family psychologists knows how to speak directly and sincerely to today's adolescents about the topics that trouble them most Topics include avoiding feelings of inferiority handling peer pressure drug abuse puberty sexual development menstruation masturbation romantic love overcoming discouragement sound decision making and handling independence *Preparing for Adolescence* James Dobson, 2005-12-01 What do you say to an adolescent who's getting ready to enter those turbulent teenage years Dr James Dobson one of America's leading family psychologists knows how to speak directly and sincerely to today's adolescents about the topics that trouble them most Topics include avoiding feelings of inferiority handling peer pressure drug abuse puberty sexual development menstruation masturbation romantic love overcoming discouragement sound decision making and handling independence Preparing for Adolescence Family Guide Regal Books, James C. Dobson, 1999-08 For use with Dr James Dobson's best selling book this workbook may be used by students themselves by teachers leading classes or by parents who want to know what to say to adolescents *Venus and Virtue* Jerry L. Walls, Jeremy Neill, David J. Baggett, 2018-01-30 Venus and Virtue are a match made in heaven While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift Unfortunately there is as much confusion about sex in Christian circles as there is in the culture at large The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology The writers however are not only experts in biblical scholarship theology and philosophy but also pastoral ministry counseling pop culture criticism and women's issues This book is not sexy in the typical sense of that word but by situating sexuality within the cosmic drama of biblical revelation the true beauty and goodness of sex most clearly emerges And as that beauty emerges we can begin to see why Christian morality not only makes profound sense but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative Partnering with Parents in Youth Ministry Jim Burns, Mike DeVries, 2003-10-07 The most powerful force in a young person's life is his or her family The importance of this is pointed out in the writing of the Torah in Deuteronomy 6:4-9 where

believers are mandated to pass their family legacies to the next generations The newest trend in youth ministry today is a very healthy move toward family based ministry a mindset that helps the Church act as a support system while placing discipleship and training back into the hands of family Partnering with Parents in Youth Ministry will help youth workers understand their unique role in helping families succeed and will give an overview strategy of family based youth ministry as well as practical ideas on implementing this awesome ministry in your church
