Preparing For Information Needs Of The 21st Century New Directions For Institutional Research:

New Directions for Institutional Research ,2001 **Preparing for the Information Needs of the Twenty-First Century** Timothy R. Sanford,1995-08-31 Essays on electronic information needs for the 21st century **Current Index to Journals in Education** ,2000 educom review ,1999 EDUCAUSE REVIEW MARK LUKER,2000 **Analyzing Faculty Workload** Jon F. Wergin,1994 The question being asked with increasing regularity is Just what do faculty members do Studies of faculty workload have been commissioned in state after state Taken together the studies indicate that college faculty members are working harder than ever but are probably teaching less and are almost certainly having less contact with students particularly undergraduates This volume of New Directions for Institutional Research explores how the public discourse about faculty work might be improved and suggests how colleges and universities might document that work in a fashion that not only more faithfully describes what faculty do but also allows for reports that are more comprehensive and useful This is the 83rd issue of the quarterly journal New Directions for Institutional Research For more information on the series please see the Journals and Periodicals page **Cases on Digital Technologies in Higher Education: Issues and Challenges** Luppicini, Rocci,Haghi, A.K.,2010-05-31 This book focuses on the institutionalization of technology into education specifically discussing the integration of technology and new techniques into various areas of higher education Provided by publisher **Planning for Higher Education** ,1995 **Conducting Salary-Equity Studies: Alternative Approaches to Research** Robert K. Toutkoushian,2002 With contributions from nationally recognized experts in the development of the economics and related literature on salary equity this volume explores some of the insights and advances made by economists and other researchers on the topic of salary equity Chapters focus on important methodological issues that analysts should take into account when conducting a salary equity study This is the 115th issue of the Jossey Bass series New Directions for Institutional Research **Advancing Higher Education as a Field of Study** Sydney Freeman,Linda Serra Hagedorn,Lester Goodchild,Dianne Wright,2023-07-03 Winner of the 2015 Auburn Authors Awards Where is higher education as a field of study going in this century How will higher education program leaders design and sustain their degree programs vitality in the face of perennial challenges from inside and outside the academy While in 1979 the Council for the Advancement of Standards in Higher Education CAS defined standards for student affairs master s level preparation and while 2010 saw the adoption of guidelines for higher education administration and leadership preparation programs at the master s degree level there still are however no guidelines that address higher education leadership doctoral programs despite increasing demands for assessment and evaluation This book suggests that higher education administration doctoral degree guidelines are a critical next step in advancing their program quality and continuity It offers a review of the field s history the condition of its higher education programs developments from the student affairs specialization and its guidelines and a multi chapter dialogue on the benefits or disadvantages of having guidelines At a time of urgency to prepare the next

generation of higher education faculty and leaders this book sets out the parameters for the debate about what the guidelines should cover to ensure the appropriate and effective preparation of students It also offers a useful framework for enriching the knowledge of deans chairs program coordinators and faculty who are engaged in program design assessment and revision It will also be of interest to policymakers the personnel of accrediting agencies and not least graduate students within higher education preparation programs All the contributors to this volume have the exemplary expertise leadership experience and a close association with higher education guidelines and standards and have extensively contributed to the literature on higher education
