Preparing For Spiritual Direction:

Preparing for Spiritual Direction Jean Laplace, 1967 *Spiritual Direction* Kevin G. Culligan OCD, 2010-06-01 The revitalized ministry of spiritual direction is one of the surest signs of renewal in today's Church In *Spiritual Direction* Contemporary Readings seventeen leading writers and spiritual directors discuss the history meaning demands and practice of this ministry Through timely articles by such recognized authors as William Barry Sandra Schneiders Louis Cameli Kallistos Ware and John Wright one comes to see that spiritual direction belongs not to a spiritual elite but to the entire Church men and women clergy and laity members of religious communities Compiled especially for those entering spiritual direction either as directors or directees this book is an excellent introduction to an exciting ministry in today's Church A valuable feature of this book is a concluding section with recommendations for further readings Listing important articles and books on spiritual direction published in recent years this section helps readers to continue exploring this vital area of contemporary spirituality **Group Spiritual Direction** Rose Mary Dougherty, SSND, 1995 Group Spiritual Direction is a resource for people wishing to explore the possibilities of spiritual community within the context of group spiritual direction Rose Mary Dougherty's writing acknowledges the growing need that many people have for small communities of support in their relationship with God and it describes the diverse means that various religious traditions and denominations have used to address this need The text presents group spiritual direction as a unique form of spiritual community which assists people in ongoing individual discernment Drawing on years of experience as a spiritual director and as one who has offered group spiritual direction in ecumenical settings the author provides both the theological understanding and the detailed information needed to establish spiritual direction groups She consistently invites the reader to return to her primary assumption the most important element in group spiritual direction is the contemplative stance of presence to God for one another within the group meeting and prayer for one another outside the meeting The author also offers practical suggestions for fostering this contemplative stance as well as ways to prepare people for group spiritual direction BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Preparing for Spiritual Direction L. Sharing the Father's Love Fr. Boniface Hicks, Fr. Thomas Acklin, 2017 The need for spiritual direction or the accompaniment of a spiritual guide is becoming more prominent in a world where so many are suffering from so many wounds With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction and the insight of the psychological sciences Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction *Spiritual Direction A Guide for Sharing the Father's Love* fortifies priests religious and lay faithful who embrace the ministry of spiritual direction and accompany the wounded assist men and women in hearing the voice of God and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one on one relationship with a spiritual director Together with concrete guidelines and numerous examples from personal experience this book refers extensively to Sacred Scripture as the foundation for spiritual direction Furthermore since the practice of spiritual direction goes back to the first centuries of the Church the authors turn for guidance to the Doctors of the Church the writings of the saints and the papal magisterium in developing and supporting their insights *Spiritual Direction* will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy

Called by God: Discernment and Preparation for Religious Life Rachael Marie Collins, 2017-08-01 In *Called by God Discernment and Preparation for Religious Life* Rachael Marie Collins provides an overview of the spiritual life both its joys and its challenges and guides women as they discern whether they are called to be religious sisters or nuns In a series of letters written by the author to a trusted friend discerning whether to enter religious life *Called by God* explores both discernment and spirituality The key to discernment Collins argues is to prepare for religious life by entering deeply into a life of prayer and sacrifice so that one experiences and begins to understand the work of a religious before entering the convent *Called by God* draws heavily on the wisdom of great Catholic women such as Teresa of Avila Thérèse of Lisieux Zélie Martin Edith Stein Teresa of the Andes Elizabeth of the Trinity Miriam Teresa Demjanovich Elizabeth Leseur and Caryll Houselander among others Women discerning a vocation will benefit immensely from the discussions about the difference between religious life and marriage the nature of a vocation the supernatural superiority of religious life and spiritual motherhood in *Called by God*

Theological Context for Pastoral Caregiving William M

Clements, Howard W Stone, 2013-09-05 In Theological Context for Pastoral Caregiving Howard W Stone helps his fellow pastors and worship leaders provide effective and faithful pastoral care and counseling through the study of the correlation between pastoral care and theology You will learn that in order for pastoral care to be effective it must have a theological base to shape the caregiving experience At the same time theology must be informed by the needs and experiences of the people being served and by the ministry of pastoral care By relating these two issues you gain a unique viewpoint not offered by books with simply a psychological focus The author draws from his day to day clinical practice of pastoral care and counseling to show how pastoral care and theology can be brought together Through Howard Stone s work the reader learns of an overview of pastoral care and counseling today how to provide a pastoral assessment of the persons served the author s theological understanding of the ministry of pastoral care and counseling methods for correlating theology and pastoral care how spiritual direction as a discipline can help pastoral care and counseling ministry regain a solid theological base theological themes that might be more explicitly and intentionally related to pastoral care Theological Context for Pastoral Caregiving provides useful information for parish pastors people in training to be parish pastors and specialists in the field of pastoral care counseling As one of the easiest to read books on this subject it can also be used as a text for graduate level classes in courses such as Theology and Pastoral Care Pastoral Theology and Practical Theology With this book seminary students will finally be able to relate the practical things learned in pastoral counseling classes with what is learned in theology classes
