Presentation Of Self In Everyday Life:

The Presentation of Self in Everyday Life Erving Goffman, 2021-09-29 A notable contribution to our understanding of ourselves This book explores the realm of human behavior in social situations and the way that we appear to others Dr Goffman uses the metaphor of theatrical performance as a framework Each person in everyday social intercourse presents himself and his activity to others attempts to guide and control the impressions they form of him and employs certain techniques in order to sustain his performance just as an actor presents a character to an audience The discussions of these social techniques offered here are based upon detailed research and observation of social customs in many regions The Presentation of Self in Everyday Life Erving Goffman, 1990 In what the General Practitioner called this intelligent searching work the author of *Stigma* and *Asylums* presents an analysis of the structures of social encounters from the perspective of the dramatic performance He shows us exactly how people use such fixed props as houses clothes and job situations how they combine in teams resembling secret societies and how they adopt discrepant roles and communicate out of character Professor Goffman takes us backstage too into the regions where people both prepare their images and relax from them and he demonstrates in painful detail what can happen when a performance falls flat The Presentation of Self in Everyday Life Erving Goffman, 1969-01 The key work of one of the most influential sociologists of the twentieth century Erving Goffman deals with human interaction in social situations using the metaphor of the stage Role playing is now recognized as not merely the province of the performer and the maladjusted neurotic but as an integral and necessary function of daily living Social techniques of self presentation are illuminated by examples taken from detailed research and observation of social customs in many regions and a variety of occupational levels One of the most interesting aspects of this study is its revelation of the many roles that must be assumed by everyone engaged in even the simplest life situations In the course of any day one may easily play a half dozen parts with the boss with fellow workers with friends with one's spouse and so on Dr Goffman's analogy details how acting techniques are used in the most common everyday circumstances it bares the mainsprings of manipulation that keep society moving From publisher description **Performance: pt. 1. Foundations and definitions** Philip Auslander, 2003 This collection reflects not only the multidisciplinary nature of current thinking about performance but also the complex and contested nature of the concept itself **Sociological Theory in the Contemporary Era** Scott Appelrouth, Laura Desfor Edles, 2007 Sociological Theory in the Contemporary Era Text and Readings features well edited original writings from sociology's core contemporary theorists with introductory text that provides a historical and theoretical framework for understanding these works Authors Scott Appelrouth and Laura Desfor Edles use this unique text reader approach to introduce students to sociological theory in a lively and engaging fashion Key Features Enables students to compare and contrast core concepts and ideas This book provides not just a biographical and theoretical summary of each theorist reading but an overarching theoretical framework with which to understand compare and contrast these selections
