Presente Y Futuro Del Estado De Bienestar El Debate Europeo:

Presente y futuro del Estado de Bienestar, 2001 **Tensiones en Europa: desafíos para la integración** Paula Bravo, Programa de Estudios Europeos, 2024-10-01 Este libro compuesto por contribuciones notablemente críticas interdisciplinarias y complementarias en sus enfoques y mecanismos de análisis nos permite medir el alcance de los cuestionamientos de la crisis actual examinar nuevas demandas ciudadanas y la potencialidad de nuevos modelos de organización política más allá del continente así como la respuesta a la virtualidad del coste de la no integración Nos sitúa en la perspectiva de debates clave en el futuro que espera construirse así mismo en búsqueda de propuestas y en pos de la eficacia institucional de la estabilización democrática en los marcos paradójicos externos e internos de la Unión de la cooperación global en múltiples dimensiones de la activación de las interconexiones latentes de la subsidiariedad de la sostenibilidad del modelo social europeo y de las nuevas formas de gobernanza capaces de implicar la voz de la ciudadana con el fin de superar canales narrativos para consolidar vínculos y resortes efectivos en la vida política europea y en sus mutuas declinaciones con voces globales Community Quality-of-Life Indicators: Best Cases IV M. Joseph Sirgy, Rhonda Phillips, Don Rahtz, 2009-08-21 Community indicators projects are plentiful These projects capture the quality of life in towns cities counties metropolitan regions and larger geographic regions Community quality of life QOL indicators are increasingly being integrated into overall planning and other public policy activities The community indicators project reports are used not only in monitoring and evaluation applications but also in the context of increasing citizen participation in guiding communities towards achieving desired goals This is the fourth book in a series covering best practices in community QOL indicators Each volume presents individual cases chapters of communities at the local or regional levels that have designed and implemented community indicators programs In Volume IV we present nine chapters from a variety of contexts cities such as the City of Phoenix Arizona USA Jacksonville Florida USA and Bristol UK suburban communities areas such as Long Island New York USA and Sydney Australia larger regions such as Vancouver Canada and townships such as Sobantu South Africa

Familia y empleo de la mujer en los regímenes de bienestar del sur de Europa Almudena Moreno Mínguez, 2007 El estudio de investigación presentado en este libro analiza desde una perspectiva comparada la paradójica situación demográfica y laboral que caracteriza a los Estados de bienestar del entorno mediterráneo según la cual y a diferencia del conjunto de los países de la Unión Europea el descenso generalizado experimentado por la fecundidad no se ha visto acompañado de un incremento similar en las tasas de actividad y ocupación femeninas Los análisis comparados realizados en esta investigación han constatado el hecho de que los países pertenecientes al régimen de bienestar mediterráneo la escasa institucionalización de las políticas familiares la segmentación y escasa flexibilidad del mercado laboral así como la permanencia del modelo de varón sustentador y del familismo han conformado un modelo de economía familiar caracterizado por la reducida fecundidad y las reducidas tasas de actividad y ocupación femeninas *Desarrollo humano: Algunas miradas polifacéticas*

Alejandro Chirino Sierra, David Alarcón Muñoz, 2025-06-13 Cuando se habla de desarrollo humano es posible referirse a un constructo que dada su amplitud puede tener múltiples interpretaciones y aplicaciones en las realidades sociales El objetivo de este texto es entregar al lector una serie de reflexiones teóricas en torno al desarrollo humano vista desde el trabajo social la nutrición la sociología y la administración pública los cuales constituyen los perfiles formativos iniciales de las y los autores Es por ello que se ha denominado miradas polifacéticas puesto que no consideran la visión del trabajo social en forma exclusiva sino que se abre la posibilidad de conectar en forma interdisciplinaria los textos tal como lo hace el mismo programa de maestría que alberga en su seno una serie de disciplinas del campo de las ciencias sociales Manual de ciencia política

Juan Manuel Abal Medina, 2020-08-01 Un signo de madurez de una disciplina es la aparición de la necesidad y demanda de buenos manuales que destilen el estado de los conocimientos respectivos y faciliten su estudio y difusión La presente obra cumple muy bien esta función ya que recorre un amplio y pertinente temario presenta un cuadro comprensivo y actualizado de buena parte de los temas relevantes a una concepción moderna de la ciencia política está escrito en un estilo asequible pero que no elude presentar y discutir complejos asuntos y se atiene a niveles analíticos y empíricos aunque no omite tomar posición en varias cuestiones normativas y abrirse por lo tanto a políticas tal como corresponde a una concepción socialmente comprometida de las ciencias sociales Se trata de un texto valioso tanto para el estudiante que se inicia en la ciencia política como para el profesional que busca actualizarse y especializarse en esta temática **Actualidad del pensamiento**

republicano de José Garibaldi Francisco Faig, 2018-11-20 Ensayo ganador del premio de la Gran Logia de la Masonería del Uruguay Este original ensayo ahonda en la actualidad del pensamiento republicano al que adhirió José Garibaldi **European**

Strategies in Lifelong Learning Licínio C. Lima, Paula Guimarães, 2011-08-30 Lifelong learning and education is a key concept for the development of adult education as an area of practice and theoretical consideration In recent decades meanwhile the idea of lifelong education and learning has been central to the guidance of various international organisations of many countries **Análisis de la política de juventud en el Estado de bienestar español, 1975-2005** María Belén

Martín Castro, 2007 Este trabajo trata la Política de Juventud a lo largo de las tres últimas décadas intentando abordar la materialidad en toda su amplitud y complejidad Para ello se ha realizado un estudio sobre el caso español desde una perspectiva interdisciplinaria que parte del tránsito democrático y abarca los diversos cambios a los aparejados sociológicos económicos políticos jurídicos internacionales Una de las grandes conclusiones que da como resultado este análisis es que aunque es necesaria mayor participación la Política de Juventud ha alcanzado ya un alto grado de institucionalización y va a seguir luchando por ser una política pujante en la agenda pública **Aspectos sociales de Santander y sus provincias** Amado

Guerrero, César Alfonso, Carlos Ramírez, 2022-10-05 Esta publicación hace parte de un proyecto de investigación iniciado en el año 2010 cuando como resultado de un convenio suscrito entre la Universidad Industrial de Santander y la Gobernación de Santander se formuló la Visión Prospectiva de Santander 2030 con enfoque territorial En ese momento escribíamos que

considerando la globalización un proceso que causa impactos socioeconómicos culturales políticos y tecnológicos en un territorio el aprovechamiento de los recursos y el desarrollo de oportunidades económicas y socioculturales se constituye en un desafío y por ello la participación de las comunidades empresarial social y gubernamental en el desarrollo de proyectos movilizados de la sociedad debe llevar al diseño de un modelo eficiente competitivo y sostenible que conduzca al desarrollo equitativo y equilibrado del territorio Para lograr este modelo se considera fundamental la planeación de largo plazo que permita establecer metas a partir de referentes generados en los ámbitos nacional e internacional Aunque se ha venido participando activamente en diferentes proyectos que propenden por el desarrollo de Santander como las investigaciones realizadas sobre los sistemas de innovación agroindustrial de Santander 2019 y la formulación del Plan Regional de Competitividad de Santander 2030 2018 y del Plan de Internacionalización de la Economía de Santander 2019 así como la Identificación de Restricciones Operativas al Crecimiento Región Administrativa y de Planeación Santanderes 2019 el esfuerzo de actualizar y sistematizar la información en el ámbito territorial no resultó fácil puesto que en el país no abundan los estudios dedicados al análisis de las dinámicas local y regional y sobre todo la información estadística es precaria si se exceptúan aquellas derivadas de las entidades nacionales Y es entonces el mayor aporte de este libro porque detalla en los ámbitos provincial y municipal aquello que no se diluye en la información agregada en el ámbito departamental El lector sabrá entender esta complejidad aunque las deficiencias sean nuestras
