Presenting Lynn Hall:

Presenting Lynn Hall Susan Stan, 1996 In *Presenting Lynn Hall* Susan Stan draws a vivid picture of a woman whose own life past and present is reflected in her books Hall's young adult novels often focus on the isolation of strong young women who have chosen to step outside the traditional female role Stan uses The Solitary Hall's affecting portrait of a young loner to dramatize Hall's practicality her determination and her life on her own Beginning with a visit to Touchwood Hall's country home where she breeds Bedlington terriers Stan reveals the author as a determined woman who recognized early on that she could not rely on anyone else to give her the life she wanted and who during her twenties and thirties worked single mindedly to achieve her dream of living alone on an acreage where she could have horses and dogs This insight into Hall's character informs Stan's analysis of Hall's works in the young adult genre Stan effectively demonstrates how Hall's stories may be grouped around themes of survival independence and family relationships Stan frames her examination of Hall's work with interesting and illuminating details of Hall's life as a breeder of champion dogs her publishing history and her relationships with editors and the roots of her solitary lifestyle In doing so Stan presents Lynn Hall as an example of how one self described ordinary young woman persevered and wrote her way into a rather extraordinary life

Campbell's Scoop Patty Campbell, 2010-02-19 At the request of her many fans Patty Campbell editor of the Scarecrow Studies in Young Adult Literature series has selected some of her best essays articles columns and speeches in Campbell's Scoop These pieces define the boundaries between children's and adult literature and review the trends censorship problems and glories of the genre Other essays reflect on some concerns and interests of young adult literature as it has matured the verse novel ambivalent endings violence the sometimes dubious value of awards and honor lists the graphic novel and the difficulties of the genre's recent overwhelming success A section titled Inside ALA looks at the author's many years of service to that organization with among other pieces a firsthand look at the Best Books committee at work and a report of her attempt to unite booksellers and librarians in common cause Many of these selections show the idiosyncratic wit and passion that have made Campbell's column a favorite with Horn Book readers an exploration of the meaning of the glut of YA novels with death as a theme or character an indignant denunciation of the fictional abuse of animals a snarky analysis of chick lit and a technical review from the belly dancing critic of a YA novel featuring that ancient art On a more serious note Campbell pleads for what she calls Godsearch in books for teens and pays tribute to her late friend Robert Cormier Without question the essays in Campbell's Scoop provide readers with the unique insights of an advocate who is passionate about young adult literature and its future
