Stewart Headlam's Radical Anglicanism John Richard Orens, 2010-10-01 Standing in stark contrast to the conservative churchmen of Victorian Britain the Anglican clergyman Stewart Headlam was a passionately progressive reformer a champion of the working poor especially women a defender of the music hall performers his colleagues attacked as licentious and in short a man of God who remained firmly and controversially engaged with the society in which he lived and worked This book the first significant study of Headlam since 1928 paints a rich and complex picture of this larger than life man of the cloth charting the trail he blazed across the social political and religious landscape of late nineteenth and early twentieth century Britain Dissatisfied from an early age with his family's Evangelical faith Headlam became an Anglican curate but his political views were increasingly radicalized as he befriended working class atheists and trade union leaders John Richard Orens details Headlam's repeated conflicts with the establishment figures of his faith over his defense of music hall ballet performers right to reveal their legs his role in the early years of the Fabian Society his anti puritanism and his passionate socialism Headlam was even instrumental in having Oscar Wilde bailed out of prison following the writer's arrest for homosexual offenses With this intellectual biography Orens places Headlam's life beliefs and actions in the context of the period contributing to the ongoing debate about the proper relationship between Christianity on the one hand and society sexuality and the arts on the other

Evolutionary Naturalism in Victorian Britain Bernard Lightman, 2023-05-31 Scholars have tended to portray T H Huxley John Tyndall and their allies as the dominant cultural authority in the second half of the 19th century Defenders of Darwin and his theory of evolution these men of science are often seen as a potent force for the secularization of British intellectual and social life In this collection of essays Bernard Lightman argues that historians have exaggerated the power of scientific naturalism to undermine the role of religion in middle and late Victorian Britain The essays deal with the evolutionary naturalists especially the biologist Thomas Henry Huxley the physicist John Tyndall and the philosopher of evolution Herbert Spencer But they look also at those who

criticized this influential group of elite intellectuals including aristocratic spokesman A J Balfour the novelist Samuel Butler and the popularizer of science Frank Buckland Focusing on the theme of the limitations of the cultural power of evolutionary naturalism the volume points to the enduring strength of religion in Britain in the latter half of the 19th century *Word Crimes* Joss Marsh,1998-08-15 In 1883 newspaper editor G W Foote stood trial three times for blasphemy Here Joss Marsh reconstructs the forgotten cases of more than 200 working class blasphemers in Victorian England whose stubborn refusal to silence their hooligan voices along with Foote helped secure our rights to speak and write freely today 22 photos Religion in Victorian Britain: Traditions Gerald Parsons,1988 This book is about science in theatre and performance It explores how theatre and performance engage with emerging scientific themes from artificial intelligence to genetics and climate change The book covers a wide range of performance forms from Broadway musicals to educational theatre from Somali drama to grime videos It features work by pioneering companies including Gob Squad Headlong Theatre and Theatre of Debate as well as offering fresh analysis of global blockbusters such as Wicked and Urinetown The book offers detailed description and analysis of theatre and performance practices as well as broader commentary on the politics of theatre as public engagement with science Science in performance is essential reading for researchers students and practitioners working between science and the arts within fields such as theatre and performance studies science communication interdisciplinary arts and health humanities A Monument to the Memory of George Eliot Constance M. Fulmer,Margaret E. Barfield,2013-10-28 The Autobiography is the personal journal of an independent Victorian woman who describes her day to day activities as a businesswoman social reformer scholar and journalist makes many insightful observations on gender issues and provides intriguing details of her relationships with many of the leading political and literary figures of her day particularly the novelist George Eliot whom she admired as a writer and as a person During the journal years 1876 1900 Simcox made many significant contributions toward improving people s lives but she was always particularly concerned with women s issues With her friend Mary Hamilton she established a shirtmaking cooperative to provide employment for women kept the accounts and managed the enterprise She helped establish trade unions and promote women s suffrage served as a delegate to the Trade Union Congress and worked closely with Emma Paterson Annie Besant Harriet Law Charles Bradlaugh and William Morris Simcox was also the author of three books and a regular contributor to leading periodicals The Autobiography reveals Simcox s childhood her attitudes toward men and marriage and her relationships with her mother and her two older brothers both noted writers The journal provides unique insights into the mind of a remarkable 19th century woman who worked in and left her mark on a man s world Her book is a fascinating source of facts observations and opinions for scholars and readers interested in Eliot Victorian literature and society gender and women s issues
