Presidente Que Se Iba A Caer:

Presidential Impeachment and the New Political Instability in Latin America Aníbal Pérez-Liñán, 2007-07-09

Documents the emergence of a pattern of political instability in Latin America Traditional military coups have receded in the region but elected presidents are still ousted from power as a result of recurrent crises Anibal Pérez Liñ shows that presidential impeachment has become the main constitutional instrument employed by civilian elites to depose unpopular rulers Based on detailed comparative research in five countries and extensive historical information the book explains why crises without breakdown have become the dominant form of instability in recent years and why some presidents are removed from office while others survive in power The analysis emphasizes the erosion of presidential approval resulting from corruption and unpopular policies the formation of hostile coalitions in Congress and the role of investigative journalism This book challenges classic assumptions in studies of presidentialism and provides important insights for the fields of political communication democratization political behaviour and institutional analysis [La pasión del periodismo](#) Carlos J.

Middlebrook, 2003-05-01 Under what conditions do political institutions develop that are capable of promoting economic and social elites accommodation to democracy The importance of this question for research on regime change and democracy in Latin America lies in two established political facts alliances between upper class groups and the armed forces have historically been a major cause of military intervention in the region and countries with electorally viable national conservative parties have experienced significantly longer periods of democratic governance since the 1920s and 1930s than have countries with weak conservative parties The contributors to this book examine the relationship between the Right and democracy in Argentina Brazil Chile Colombia El Salvador Peru and Venezuela during the 1980s and 1990s The authors focus particularly on the challenges that democratization may pose to upper class groups the political role of conservative parties and their electoral performance during these two crucial decades and the relationships among conservative party strength or weakness different modes of elite interest representation and economic and social elites support for political democracy The volume includes a statistical appendix with data on conservative parties electoral performance in national elections during the 1980s and 1990s in these seven countries Contributors Atilio A Borón Universidad de Buenos Aires Catherine M Conaghan Queen's University Michael Coppedge University of Notre Dame John C Dugas Kalamazoo College Manuel Antonio Garretón Universidad de Chile Scott Mainwaring University of Notre Dame Rachel Meneguello Universidade de Campinas Kevin J Middlebrook University of California San Diego Timothy J Power Florida International University Elisabeth J Wood New York University *La saga del narcotráfico en Cali, 1950-2018.* Gildardo Vanegas Muñoz, 2021-10-20

El texto ofrece un análisis particularmente original y detallado de la dinámica tanto urbana como rural de las redes del narcotr

fico Las grandes mutaciones están claramente resaltadas de la marihuana a la cocaína de la importación de la materia prima proveniente de Perú y Bolivia al control de la producción nacional de los laboratorios a la organización de circuitos de exportación del manejo de los mercados exteriores el mercado norteamericano en primer lugar a la progresiva dependencia con respecto a organizaciones mexicanas que no solamente se apoderan del acceso a los Estados Unidos sino que también se inmiscuyen en las otras fases del transporte Como se alía el autor la relación de Cali con el narcotráfico no es nueva ni única pero sí tiene algo de singular si se compara con otras ciudades En estas organizaciones se destaca el poco uso de la violencia la ausencia de grandes ejércitos de sicarios la nula vinculación de los primeros narcotraficantes con los sectores más pobres de la ciudad y su interés por integrarse al orden social local a través de la relación con las élites políticas sociales y económicas Estos rasgos no dejan de ser llamativo como quiera que Cali ha sido por muchos años uno de los focos más importantes del narcotráfico en Colombia Daniel P. Wickham-Crowley, 2003-10-09 This splendid collection by two of our leading political sociologists pioneers new directions in the study of social justice in Latin America What Justice Whose Justice is impassioned scholarship at its best It brings together detailed studies of rights and institutions inequality and struggle citizenship and indigenous politics war and peace This book is essential reading for anyone interested in what the so called triumph of democracy over dictatorship in the region really means today in the lives of the still dispossessed Matthew C. Gutmann author of The Romance of Democracy Compliant Defiance in Contemporary Mexico This book offers a stimulating interdisciplinary analysis of the gripping problems of justice inequality and citizenship and of citizen responses to these issues in contemporary Latin America It is essential reading on these interrelated themes Scott Mainwaring co editor of Presidentialism and Democracy in Latin America First rate contributors address the quality of democracy in several Latin American countries in these readable and provocative essays The volume focuses particularly on the relation between democracy and the law on the importance of the past and on informal politics and indigenous political movements A must read for all those who are tracking the course of democracy in the region and who are concerned about its political future Jane S. Jaquette co editor of Women and Democracy Latin America and Central and Eastern Europe For anyone who still assumes that markets plus elections suffice to resolve the problems of injustice that are the political social and economic patrimony of Latin America this book will be a firm wake up call At the same time the excellent case studies in this book make it clear that the current global neoliberal regime is no more effective at suppressing local struggles for justice than the more traditional forms of domination that came before it It is valuable and provocative reading for anyone interested in understanding the contemporary political dynamics of justice and injustice Peter Evans editor of Livable Cities JAIME GARZÓN Marisol Garzón Forero, 2020-10-23 Hace 17 años fue asesinado mi hermano Jaime Garzón Forero A la impunidad de su crimen está incluido como tantos otros dramas en

Colombia Por fortuna la memoria es una forma de construir un sentido de la vida del pasado y del futuro es lo que les queda a los pueblos que han sido sometidos a la muerte al silencio o al engaño. Particularmente el pueblo colombiano guarda en el alma y en el corazón a Jaime pues allí se anidan los recuerdos que más amamos. Si bien la remembranza de Jaime adquiere con su asesinato un signo amargo y doloroso también contiene la potencia que encarna cada uno de sus personajes esa posibilidad de enfrentar el poder abiertamente desenmascararlo y burlarse en su propia cara con el mismo objeto de alcanzar una sociedad diferente.

Presidencialismo de transacción. Las relaciones entre los poderes Ejecutivo y Legislativo en Colombia 1990-2002 Javier Duque Daza, 2024-03-04 El Estado constitucional moderno fundado en la distribución del poder y en el policentrismo con poderes autónomos en interacción se caracteriza por la concurrencia y la intervención de diversas instancias de decisión que participan en la formación de la voluntad estatal. En los entramados institucionales los poderes públicos interactúan a través de procesos y mecanismos de control recíproco que configuran una estructura de pesos y contrapesos, una base de control mutuo de accountability interinstitucional. El presente libro estudia el sistema político colombiano caracterizando las facultades y atribuciones de los presidentes y del Congreso de la República y la forma como sus modificaciones, su ejercicio y las relaciones con los partidos políticos y la clase política configuran un tipo de presidencialismo de transacción en Colombia durante el periodo 1990-2002. El texto permite comprender la forma como se concretan las relaciones entre los poderes Ejecutivo y Legislativo de qué formas y con qué intensidad incide el primero en las labores del segundo, cómo ejerce este sus funciones legislativas y de control político sobre el Ejecutivo, identificar cómo inciden las reglas de juego político, las instituciones, las atribuciones y facultades de los poderes Ejecutivo y Legislativo y las características de los partidos y del sistema de partidos en las relaciones entre ambos poderes públicos. De esta forma es posible comprender cómo el tipo de liderazgo constituye una variable importante en los tipos de presidencialismo y en las relaciones entre ambos poderes. La identificación del tipo de relaciones de intercambio entre los dos poderes que caracterizan justamente al presidencialismo de transacción llena un vacío en el campo de los estudios institucionales en Colombia con una mirada que no es de coyuntura pues abarca los tres primeros gobiernos postconstitucionales.

De los años Julia María Rial, 2022-12-01 Vivimos inmersos en situaciones absurdas. Seguiremos esperando lo mejor. Los ciudadanos continuaremos aguardando como en la antigua leyenda de Hamel, la aparición del flautista. Este libro contiene relatos más o menos breves. Son crónicas sociales, es decir hechos reales vividos desde 1950 hasta el 2000. De ahí su título y la subdivisión en décadas. Podrá descubrir el hilo conductor de cada historia.
