Presidential Campaigns And Elections Issues Images And Partisanship:

Presidential Campaigns and Elections Myron A. Levine,1992 No Place for Amateurs Dennis W. Johnson,2001 Offers an insider's tour through the fast paced often sordid world of the professional political campaign *Encyclopedia of U.S. campaigns, elections, and electoral behavior* Kenneth F. Warren,2008-04-04 These approximately 450 articles explore all topics relevant to American political campaigns elections and electoral behaviour including some cross cultural comparisons to help place American trends in a global context **Hired to Fight, Hired to Win** Dennis W. Johnson,2015-06-26 When it comes to elections campaigns matter And despite the ever increasing role of volunteers and amateurs modern American political campaigns are a professional affair Understanding how they are run and how campaign strategies are set requires an in depth analysis of what political consultants do from opposition research to public opinion polling and from directing media strategies to mobilizing voters with fundraising a priority at all stages At all levels of the electoral arena modern sophisticated campaigns cannot hope to be effective without the guiding disciplines of professional consultants This thoroughly updated edition of Dennis W Johnson's classic text originally titled No Place for Amateurs highlights the growing importance of social media targeting and analytics Super PACs and dark money in a post Citizens United world Engaging the Public Thomas J. Johnson,Carol E. Hays,Scott P. Hays,1998 This volume of original essays by leading political scientists and media scholars examines the nature of political disengagement among the public and offers concrete solutions for how the government and media can stimulate public engagement in the political process Young V. Old Susan Macmanus,2018-02-12 Arguing that an inter generational war is brewing in the United States this book paints a picture of the ageing of America and what it means for politics and policy questions including social security health care crime jobs social welfare defence and foreign affairs Differences between older and younger citizens are examined in the light of voting and registration patterns ideological and party preferences and varieties of political activism Contemporary media and new technologies are highlighted as sources of disparities and bridges between the generations how they watch politics how they prefer to solve social problems and how inter generational understanding may be improved through communication and education **The Politics of the Presidency** Joseph A. Pika,John Anthony Maltese,Andrew Rudalevige,2021-11-16 Get the most up to date coverage and analysis of the presidency Never losing sight of the foundations of the office The Politics of the Presidency maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid foundation for any presidency course In this Revised Tenth Edition bestselling authors Joseph A Pika John Anthony Maltese and Andrew Rudalevige present a thorough analysis of the change and continuity following the November 2020 presidential election and Biden administration **Welfare in America** Stanley W. Carlson-Thies,James W. Skillen,1996 Discusses the current issue of welfare reform and shares views on what the church's position should be **The American Campaign, Second Edition** James E. Campbell,2008 Reporting data and predicting trends through the 2008 campaign this

classroom tested volume offers again James E Campbell s theory of the predictable campaign incorporating the fundamental conditions that systematically affect the presidential vote political competition presidential incumbency and election year economic conditions Campbell s cogent thinking and clear style present students with a readable survey of presidential elections and political scientists ways of studying them The American Campaign also shows how and why journalists have mistakenly assigned a pattern of unpredictability and critical significance to the vagaries of individual campaigns This excellent election year text provides a summary and assessment of each of the serious predictive models of presidential election outcomes a historical summary of many of America s important presidential elections a significant new contribution to the understanding of presidential campaigns and how they matter *Citizen Politics* Russell J. Dalton, 2018-12-13 The book s combined focus on parties as institutions and systems alongside political attitudes and behaviors is why I use it I have yet to find another text that accomplishes this Meredith Conroy California State University San Bernardino Now more than ever people drive the democratic process What people think of their government and its leaders how or whether they vote and what they do or say about a host of political issues greatly affect the further strengthening or erosion of democracy and democratic ideals This fully updated shorter Seventh Edition of *Citizen Politics* continues to offer the only truly comparative study of political attitudes and behavior in the United States Great Britain France and Germany In addition to its comprehensive thematic examination of political values political activity voting and public images of government within a cross national context the updated edition of this bestseller explores how cultural issues populism Trump and far right parties are reshaping politics in contemporary democracies All chapters have been updated with the latest research and empirical evidence Further Dalton includes recent research on citizens political behavior in USA Britain France and Germany as well as new evidence from national election studies in USA 2016 Britain 2017 France 2017 and Germany 2017
